R. K. Hartmann,2003 **Longman Dictionary of English Language and Culture** Della Summers,1998 An invaluable dictionary for students who want a real insight into the culture of the English speaking world Now fully updated it includes references as diverse as Michael J Fox Rugrats and Woodstock to Ally McBeal Frasier and Wall Street *Cd-rom Til Longman Dictionary of Contemporary English ;Longman Language Activator ;Longman Dictionary of English Language and Culture* ,2003 **Lexicography and Terminology** Olga Karpova,Olga M. Karpova,Faina Kartashkova,2009-03-26 The present book contains a collection of works devoted to current trends in theoretical and practical lexicography terminology and terminography All papers are divided into two main sections Part I Lexicography deals with analysis of historical and typological problems in lexicography with special reference to English Italian Russian and Southern African dictionaries for general and special purposes The main focus is given to the description of principles in lexicographic presentation of non equivalent lexics rhyming slang idioms clichés and gender nominations of people in bilingual and monolingual dictionaries Part II Terminology and Terminography is devoted to description of the current tendencies observed in terminology and terminography studies with special reference to modern European languages such as English Russian Norwegian etc Terms of different special domains are viewed from the angle of the latest achievements of modern science cognitive linguistics in particular It reveals specific features of terminological word combinations terms in colloquial use peculiarities of terms belonging to newly formed Languages for Special purposes typical features of recently appeared LSPs and presentations of new dictionaries projects of different subject areas This part reveals international nature of current tendencies in terminology studies and shows the national ways of their functioning and presentation in special dictionaries *Lexicon Exploration in English and Spanish Learners* Rosa María Jiménez Catalán,2025-09-26 This book delves into psycholinguistic and cognitive aspects of lexical activation availability and production in English or Spanish as additional languages in classroom settings Instead of focusing sociologically and pedagogically on lexical availability this collective work adopts a cognitive approach Ten studies conducted by experienced researchers employ a uniform methodology based on lexical availability tests in classroom contexts Notably each study permits learners to produce as many responses as possible within two minutes revealing common associations and network patterns in lexical production The book is innovative not only in providing cognitive data from Spanish learners of English but also from Greek Polish and North American learners of Spanish expanding the scope beyond traditional research on word

associations While acknowledging the pioneering work in word associations among French and English learners this book distinguishes itself by using lexical availability tests to explore word associations and networks in the mental lexicon of English or Spanish learners in classroom contexts Notably it offers lexical data from children and adolescents learning English in primary or secondary schools as well as Spanish learners in high school and university settings filling a gap in research on younger learners and languages other than English The book addresses the need for empirical data on the mental lexicon of English or Spanish learners particularly in primary or secondary classrooms a scarcely investigated educational context English Lexicology Leonhard Lipka,2002 *English and Globalization* Kwok-kan Tam,Timothy Weiss,2004 This book offers a groundbreaking perspective on the political cultural and pedagogical issues of English in the age of globalization Additionally it addresses theoretical concepts as they relate to language and globalization while simultaneously creating new perspectives on the issues The fifteen papers that make up this collection present valuable information about the English language in Hong Kong and China Including pioneering works that examine how language functions as a mediating agent in the global cultural formation and vice versa
