Oxberry's Budget of Plays. Consisting of thirty-nine original dramas, by ... authors of the day; ... performed at the London theatres William Henry OXBERRY, 1844 **An Integrative Approach to Treating Eating Disorders**

Bethany C. Crowley, 2024-06-27 *An Integrative Approach to Treating Eating Disorders* walks therapists through how to effectively resolve the most common yet nuanced struggles that clients with disordered eating face on a daily basis. This straightforward workbook begins by demystifying the complexities and nuances of eating disorders. It then helps therapists understand the need for an integrative approach and walks them through how to assess a client's biological, psychological, social, and spiritual domains as they correlate with disordered eating behaviors and thoughts. This is accomplished with the BASIC ID assessment model and a multimodal therapy framework both created by Dr. Arnold Lazarus. Nine foundational skills are provided for clients to achieve lasting recovery and avoid the all too common relapse rate of eating disorders. Each foundational skill is presented in its own chapter, complete with data case vignettes, worksheets, and exercises developed over twenty years of research and client management. With this book, therapists both new and experienced will boost their confidence, gain practical tools, and bring more efficiency to their individual or group sessions. **Intuitive Eating, 3rd Edition**

Evelyn Tribole, Elyse Resch, 2012-08-07 First published in 1995, *Intuitive Eating* has become the go-to book on rebuilding a healthy body image and making peace with food. This revised edition includes two brand new chapters that will help readers integrate intuitive eating even more fully into their daily lives. *Reclaiming Yourself from Binge Eating* Leora Fulvio, 2014-03-28 Are you one of the millions of people suffering from Binge Eating Disorder? Are you caught in the trap of binge eating, emotional eating, mindless eating, and diet obsession? This book will help you to stop binge eating right now. You will heal the underlying issues that lead to your binge eating when you implement this complete mind-body and spirit approach to healing. It will help you to become the person who you know you are while gently guiding you away from the tyranny of food and body obsession, diets, binge eating, and scales. You will come to a place of freedom and peace around food and your body so that you can enjoy your life. You will be able to breathe with ease and settle in to a place of normalcy around food and your body. *Reclaiming Yourself from Binge Eating* uses a new approach to treating binge eating that does not include dieting, deprivation, willpower, or any kind of self-criticism. These easy steps to becoming a normal eater are thought-provoking, action-oriented, and enjoyable. Recovery from the torment of food and negative body image is within reach.

Whispers of Lust Kate Bridges, 2025-06-15 I'm not scared of you. I'm scared of history repeating itself. For 21-year-old Mia, life has been a series of heartbreaks, disappointments, and buried truths. But now she's done playing it safe. Determined to find herself again, she leaves everything behind—her home, her family, her past—and sets off to start over. What she wasn't expecting: Him. The arrogant, dangerously handsome man with more secrets than smiles. The one with money, power, and a child. A life she never planned on walking into, yet suddenly can't walk away from. Just when Mia starts to believe she might deserve something more, something real, the past she fought to escape comes crashing back in. And this time, it's not just her heart on the line. Raw. Passionate. Unforgettable. This is a story about second chances, shattered trust, healing, and the kind of love that doesn't ask permission; it demands everything. 18 **WARNING:** This book contains mature themes, emotional triggers.
