Maggioli, 2012-10-16 *Teaching Language Teachers* Scaffolding Professional Learning provides an updated view of as well as a reader friendly introduction to the field of Teaching Teachers with special reference to language teaching By taking a decidedly Sociocultural perspective the book addresses the main role of the Teacher of Teachers ToT as that of scaffolding the professional learning of aspiring teachers Each of the eight chapters deals with a particular view of this scaffolding process from understanding and reviewing the learning needs of aspiring teachers to designing and delivering courses and materials observing teachers teaching online and engaging in continuous professional development Authoritatively written though accessible to newcomers to the field this book will prove to be an invaluable addition to the library whether you are a seasoned teacher educator a new coordinator director of studies supervisor or teacher trainer Language, Literacy, and Learning in Educational Practice Barry Stierer, Janet Maybin, 1994

Language and literacy are highly contested areas of the curriculum Questions of what should be taught how it should be taught and who should control such decisions are increasingly subjected to public scrutiny debate and challenge in a manner which is often more reflection of competing social and political values than of theory and research evidence In recent years there has been a rapid development of new conceptual frameworks for understanding language literacy and learning from such diverse fields as anthropology cultural studies social psychology and critical linguistics The papers in this collection have been chosen because they will help readers to consider ways in which these new developments in theory and research may be applied to everyday practice
