Lookalikes Junior:

Look-alikes Jr Joan Catherine Steiner, 2001 Astonishingly original and detailed lookalike scenes the more you look the more you find In the land of lookalikes the more you look the more you see Artist Joan Steiner has used everything from acorns and broccoli to zips and tubes of paint to create extraordinarily detailed three dimensional worlds Stop in at the sweet shop and sit down on a chair built out of pretzels and biscuits or stroll through the park where pennies are cobblestones and a shoe horn is a slide Lookalikes Take a ride on a train made out of a flashlight film and flowers Lookalikes Junior Each book has over 700 lookalikes to find and will have puzzlers of all ages poring over the pages for hours on end **Look Alikes** J.R. Poulter, Barb Dragony, Takara Beech, 2016-05-31 Do I look like you Do You look like Me Are we so different Let s look and see A story for little ones showing same and different it identifies human and animal body parts and also demonstrates how even though our skin colour might be different all of us are basically alike Look Alikes is a wonderful way to teach children the delightful differences between humans and the wildlife that share our planet Through rhyme they are able to appreciate the beauty and uniqueness that exists with every species It is a fantastic way to introduce children to the early stages of comparison a common curriculum element taught in Australian schools Adrienne T O Connell B A Grad Dip Ed taught children from indigenous classrooms in the outback to multicultural classrooms in the city Toddlers love rhyming books and they love a giggle This clever rhyming book with a surprise at each page turning will produce lots of giggles as well as a reminder that we are all different and yet intrinsically the same The invitation to Look in the mirror gives every reader their own unique image to end the story There is potential for extending the story with mask making and role play Maureen O Shea Young People s Services Librarian Noosa Library Service Great concept and I love the simplicity of the illustrations and the message The animal comparisons add a delightful sense of humour and the subtle change of skin colour for the key character emphasises how inconsequential this should be Kerry Griffith Children s Librarian Moreton Bay Reg Look Alikes by JR Poulter engages the toddler with a question at the end of each page It s clever input of a range of animals allows the toddler to differentiate between animals as well as liken themselves to each animal With JR Poulter s use of rhyme and Barb Dragony s simplistic illustrations toddlers will delight in learning same and different through Look Alikes Dr Gail Crossley Craven author of Poppy s Walk educator and consultant at CC Education Business Services *Look-alike Drugs* United States.
