LOOKING FOR HAPPINESS? LOOK INSIDE! ALBERTO VEZENDI, 2019-06-07 Why squander our life the only one we have in a permanent state of want and anxiety when we can live a life of abundance and bliss Why make our happiness depend on externalities when the only truly lasting happiness is inside each one of us Why sacrifice the happiness we could be enjoying today on the altar of a vague promise of future bliss when we already have everything we need to be happy in the present In this work the author shows us how to overcome the two main obstacles to happiness attachment and anxiety Readers will see that detachment and the ability to stop worrying are neither gifts of the chosen nor inborn talents reserved for a few but skills that can be learned at any moment in life regardless of our situation In the first part we ll focus on attachment to objects and people We ll see how attachment inevitably leads to fear and that fear is incompatible with happiness We ll examine the role of craving and desire of want and satisfaction of control and freedom of possessions and love and we ll see that precious little is needed to live a happy life In the second part we ll delve into what is probably the main cause of unhappiness anxiety We ll see that most of the worry that taints our happiness is unjustified because it stems from adversities that only exist in our mind To understand this reasoning we ll analyze how we create all our expectations and fears in the present how we project them into a future that is no less a product of our own imagination and how we then await with apprehension the arrival of that future in which we have placed our hopes and misgivings Happiness is not an unattainable dream not even a future goal we re doomed to pursue forever in vain but a natural innate gift we ve all been endowed with We have now and always have had all the happiness we ll ever have but we don t allow it to bloom in our lives because we ve unconsciously buried it under an ever thickening layer of impediments that prevent it from manifesting every day of our life This book is here to help you find your happiness but to do so it has to challenge many of the received ideas and dogmas that for centuries have condemned humanity to unhappiness Please read it with an open mind and consider with fairness whether the ideas contained herein make any sense for you When doing so be honest with yourself and don t let

other people's opinions influence your conclusions Remember that ultimately you are your only judge and that on your deathbed the opinions other people may have about you will not change the verdict of your conscience about how you lived your own life Your happiness is in your own hands and nowhere else for only you can make it real Let this book help you drop the ballast of your worries and attachments and glide smoothly through life The solution is inside discover it and let the magic happen Don't wait until it's too late it's now or never *Stop, Look, and Listen* Mark Morvant, 2009-02 A deep personal relationship with God is only possible when you know His will for you Knowledge and wisdom are very important in your walk with God Learn how to STOP LOOK and LISTEN in order to attain the blessing from our Father This book plunges deep into your inner self which is the place everything must begin No matter what you may think God loves you A choice must be made either accept or reject our saviour Jesus Christ Let your path be changed forever as the Holy Spirit guides you through the rest of your life There is only one true gospel of Christ and it must become the center of your life Begin your walk with our Lord today It will prove to be the best decision you have ever made GOD BLESS YOU *Take a Closer Look* Harel R. Lawrence, 2003-12 Lawrence presents inspirational and encouraging thoughts that will entice readers to explore their own spirituality and meaning for life These prose poems give spiritual insight into life's meaning fulfillment and direction with a mainstream appeal **A Pilgrim Looks at 60** James Annable, 2020-01-14 If you've been wondering how to share a Christian worldview in an appealing accessible way check out A Pilgrim Looks at 60 This natural storyteller and Christian late bloomer provides a fresh perspective on answers to the universal questions of existence sooner or later most of us ask
