Looking For God Seeing The Whole In One:

Looking for God Chuck Hillig, 2006-07-25 Yes this is a very holey book It uses spatial emptiness to share a profound and universal Truth that can in fact only be pointed to Words can only take you so far After that there s only the Void This book is a reminder that the ultimate riddle of your life might not be found in what you want to become enlightened but only in the sudden realization of what in fact you already are what is By referring to the empty hole in the center of this book the Author is also pointing to the empty void in the center of you too In short Truth is not really about becoming anything at all as much as it is about being everything that is The Eternal Void Empty your thoughts and look inside Be ready to discover that deep down you ve got the w hole world in your hands **SEEKING GOD; Brings God_s Miraculous Wonders into Our Lives**
