Careers in City Politics Timothy Bledsoe, 2010-10-12 Careers in City Politics provides an in depth view of the vital aspects of local politics access to political office individual office holder s accountability to the public the performance of councils as collective political bodies and the often high turnover of personnel Timothy Bledsoe bases his findings on the political careers of more than eight hundred city council members representing cities with large and medium populations Tracing how some

officials careers unfolded over five years Bledsoe studies their reasons for seeking office and examines how successful they were in adapting to their jobs He evaluates office holders whose council careers were cut short and those whose lengthy service qualified them as careerists paying special attention to first term officials and to those who used their seats as stepping stones to higher political offices In this first of its kind study Bledsoe offers specific recommendations for restoring some of the lost vigor to local politics Careers Education and Guidance David Frost,Andrew Edwards,Helen

Reynolds,2014-05-12 This text reviews the current scene in careers education and examines a range of different approaches in practice It seeks to show how staff can use and adapt these ideas to implement change and improve careers education

Careers Education Suzy Harris,1999-06-02 This book offers an insight into the structure and delivery of careers education discusses the meaning and impact of vocational guidance and provides a political and historical context It is thorough and well researched and will be of interest to those delivering researching and participating in careers education and guidance *Careers Guidance Today* This book is an important contribution to a discourse in which there have been too few voices *British Journal of Guidance* delineates the changing and uncertain relationship between schools and the Careers Service shows how the politics of curriculum relevance marginalizes careers teaching describes the downward path to complete exclusion from The National Curriculum and points the way for policymakers to eschew rhetoric and rebuild the Careers Service This book will be an essential resource to help careers and guidance practitioners make sense of their situation for students and researchers seeking to understand current policy and inform policy making Essential for teachers doing courses in careers education and guidance Tony Watts NICEC **Dual Careers** Ohio State University. Center for Human Resource Research,1970 **Visual Impairment** Heather Mason,Stephen McCall,Christine Arter,Mike

McLinden,Juliet Stone,2013-05-24 First published in 1998 This book embodies the positive philosophy that children with a visual impairment are entitled to access to the full national curriculum during their school years In the UK education placements for pupils and students with special needs range across a continuum from special schools and colleges with day or residential attendance to specialist units or individual integration into mainstream provision Placement results from inter disciplinary assessment and consultation and requires parental agreement Lack of sight and measurably impaired vision constitute special needs in educational terms The writers who have contributed to this major text are teachers and lecturers from both the specialist and mainstream areas of provision and have considerable first hand experience in teaching pupils and students with a visual impairment *Careers Services* David Peck,2004 This is the first ever published work covering

the history of the careers services in the U K Its focus is wide ranging and the research is thorough with particular attention paid to the growth of a professional ethic among career advisers Careers Guidance for Young People Great Britain: Parliament: House of Commons: Education Committee,2013-01-23 Additional written evidence is contained in Volume 3 available on the Committee website at www.parliament.uk/educom **Occupational Outlook Handbook** ,1986 Describes
