Looking For The Afghan:

A Girl from Afghanistan Fariba Ghorbani, 2013-03-28 The present book is the story of a woman This is a story for women who have the same feelings regardless of their nationality whether they are American or Afghan Canadian or Iranian They all try to be closer to each other and share their problems with each other and find a way to solve their problems in the twenty first century Afghanistan: Minorities, conflict and the search for peace Peter Marsden, 2001-11-01 The US led air strikes on Afghanistan that began on 7 October 2001 are only the latest episode in a conflict that has lasted 20 years This conflict has left Afghanistan's infrastructure devastated and its people at the bottom of the UN's Human Development Indices This new Report situates Afghanistan in its regional and international context It explains the political social religious and ethnic factors underlying the country's recent history debunking some of the simplistic and stereotyped views of the country and its population The Report also gives a detailed picture of the interaction between domestic conditions and foreign interests that led to the rise and dominance of the Taliban It describes the impact of prolonged conflict on the people of Afghanistan and the way in which the conflict has become ethnicized It ends with a set of Recommendations to prevent the escalation or perpetuation of the conflict *Media Representation of Migrants and Refugees* Kir Elitaş, Serpil, 2024-06-17 The global narrative surrounding migrants refugees and people on the move is often fraught with biases misunderstandings and misrepresentations While crucial for informing public opinion media coverage can inadvertently perpetuate stereotypes fuel discrimination and distort realities This leads to a climate where migrants and refugees are often misunderstood marginalized and even targeted with hate speech Such narratives hinder efforts for inclusive societies and contribute to the polarization of public debates on migration *Media Representation of Migrants and Refugees* offers a comprehensive solution by bringing together interdisciplinary perspectives to examine and challenge prevailing media narratives critically By inviting scholars and practitioners from diverse fields such as Social Sciences Humanities Media Communications and Government the book aims to provide a nuanced understanding of the complex interplay between media representations and the lived experiences of migrants This book is a vital resource for academics researchers policymakers and media professionals seeking to understand and address the challenges of media representation in the context of migration The Underground Girls of Kabul Jenny Nordberg, 2015-07-14 An investigative journalist uncovers a hidden custom in Afghanistan that will transform your understanding of what it means to grow up as a girl An astonishingly clear picture of this resourceful if imperfect solution to the problem of girlhood in a society where women have few rights and overwhelming restrictions The Boston Globe In Afghanistan a culture ruled almost entirely by men the birth of a son is cause for celebration and the arrival of a daughter is often mourned as misfortune A bacha posh literally translated from Dari as dressed up like a boy is a third kind of child a girl temporarily raised as a boy and presented as such to the outside world Jenny Nordberg the reporter who broke the story of this phenomenon for the New York Times constructs a powerful and moving account of those secretly

living on the other side of a deeply segregated society where women have almost no rights and little freedom The Underground Girls of Kabul is anchored by vivid characters who bring this remarkable story to life Azita a female parliamentarian who sees no other choice but to turn her fourth daughter Mehran into a boy Zahra the tomboy teenager who struggles with puberty and refuses her parents attempts to turn her back into a girl Shukria now a married mother of three after living for twenty years as a man and Nader who prays with Shahed the undercover female police officer as they both remain in male disguise as adults At the heart of this emotional narrative is a new perspective on the extreme sacrifices of Afghan women and girls against the violent backdrop of America s longest war Divided into four parts the book follows those born as the unwanted sex in Afghanistan but who live as the socially favored gender through childhood and puberty only to later be forced into marriage and childbirth The Underground Girls of Kabul charts their dramatic life cycles while examining our own history and the parallels to subversive actions of people who live under oppression everywhere **Afghanistan,**

Committee,2011-02-16 This report finds that the EU's Police Mission in Afghanistan risks failing in an area where the EU should be showing leadership The Committee found that the Afghan National Police force is in a dire state due to high attrition and illiteracy rates and corruption The mission must pay greater attention to the most basic of policing skills not least reading and writing if it is to succeed The EU is undertaking a vital task in Afghanistan but it must address the reasons why the mission is failing before it is too late Reasons include too few staff the small target of 400 people has never been met demonstrating lack of EU commitment and meaning that the mission cannot cover many important parts of the country the EU and NATO are not working together properly insufficient attention has been paid to the Afghan judiciary where there are problems of capacity and corruption levels which risk making police reform unproductive and seriously limiting prosecution levels The Committee is also concerned that the timetable for building up Afghanistan's ability to police itself does not coincide with the departure of foreign combat troops **The Afghan War of 1879-80** Howard Hensman,2019-11-29 In The
