Bowers, 2001-06-01 A distraught Davis Banks arrives home for his mother s funeral Davis teaches poetry at a small college He loves words but not himself His father had died some years before and now Davis discovers a lot of little things in his mother s house that don t seem right Where are the keys to her car In fact he realizes he doesn t even know how or where she died That night he visits his mother s gravesite dug next to his father s Near the bottom he discovers a man s arm sticking out of the dirt where his father s coffin is supposed to be And when he finds out that his mother apparently died in a motel room with another man he s confronted with a myriad of loose ends thrashing about in a quicksand of details With a poet s feel for language Neal Bower tells a story whose twists intrigue the reader as much as they do Davis Tragedy's End Francis M. Dunn, 1996-07-25 Euripides is a notoriously problematic and controversial playwright whose innovations according to Nietzsche brought Greek tragedy to an early death Dunn here argues that the infamous and artificial endings in Euripides deny the viewer access to a stable or authoritative reading of the play while innovations in plot and ending opened tragedy up to a medley of comic parodic and narrative impulses Part One explores the dramatic and metadramatic uses of novel closing gestures such as aetiology closing prophecy exit lines of the chorus and deus ex machina Part Two shows how experimentation in plot and ending reinforce one another in Hippolytus Trojan Women and Heracles Part Three argues that in three late plays Helen Orestes and Phoenician Women Euripides devises radically new and untragic ways of representing and understanding human experience Tragedy s End is the first comprehensive study of closure in classical literature and will be of interest to a range of students and scholars **Loose Ends**

Reflections on Death and Grief Albert J.D. Walsh, 2010-01-07 When we are called to minister to the dying and or bereaved many of us who count ourselves as servants of God too easily prejudge the matter and rush in with words and a trite formula Words have become our trade jargon our bane and verbiage our downfall Bert Walsh knows this all too well Only in the last of five chapters does he get around to the things which we are to say in the presence of crisis But those are words we have long ago learned from reading the New Testament or heard time and again from well meaning consolers What is crucial is that which comes before those words are spoken and surrounds them from the Foreword by G Clarke Chapman Jr Believing that death and bereavement present pastors and believers with the most extreme challenges to faith Bert Walsh carefully examines the potential for new discoveries greater personal growth and maturity in faith offered to those who minister to the dying and bereaved With his uncommon insight and measured simple purposeful style the author helps those who minister to the grieving to develop a new sensitivity to both spoken and unspoken needs He expertly demonstrates that there is a time for words of solace and consolation there is also a time for silence a time for touching a time to share tears Periods of silence no longer need to be awkward or uncomfortable Rather they can become productive moments of quiet reflection and prayer
