Loose Shoes The Story Of Ralph Sutton:

Loose Shoes James D. Shacter,1994 The Life and Music of Kenny Davern Edward N. Meyer,2010-07-09 Clarinetist Kenny Davern ranked among the best jazz musicians for over 50 years The unique and instantly recognizable sound of his clarinet coupled with a wide ranging intellect and quick sense of humor drew praise and applause and endeared him to his fans and friends The Life and Music of Kenny Davern tells the story of this fascinating musician who had a vision of how he wanted his music to sound and who persisted in the face of adversity until he achieved that vision Edward N Meyer conducted interviews with friends family colleagues and critics of Kenny Davern as well as the man himself to gain a comprehensive and personal narrative of the artist s life Beginning with the tragic events that shaped his early life Meyer traces Davern s growth from a young boy raised in an atmosphere of conflict into an acclaimed self assured musician and a warm and loving husband and father Meyer describes the state of the jazz music business in the last half of the 20th century and fully establishes Davern s status within that scene Meyer also explores a side of Davern that the public never saw Davern s hunger for reading made him a knowledgeable and well respected person with experts outside the world of jazz With more than 30 photos a comprehensive discography bibliography and index this volume will fascinate jazz students fans and scholars *Storyville* ,1992 **Texas Jazz Singer** Kevin Mooney,2021-05-19 At 102 years of age Louise Tobin is one of the last surviving musicians of the Swing Era Born in Aubrey Texas in 1918 she grew up in a large family that played music together She once said that she fell out of the cradle singing and all she ever wanted to do was to sing And sing she did She sang with Benny Goodman and also performed vocals for such notables as Will Bradley Bobby Hackett Harry James her first husband Johnny Mercer Lionel Hampton the Glenn Miller Orchestra Peanuts Hucko her second husband and Fletcher Henderson Based on extensive oral history interviews and archival research Texas Jazz Singer recalls both the glamour and the challenges of life on the road and onstage during the golden age of swing and beyond As it traces American music through the twentieth century Louise Tobin s story provides insight into the challenges musicians faced to sustain their careers during the cultural revolution and ever changing styles and tastes in music In this absorbing biography music historian Kevin Edward Mooney offers readers a view of a remarkable life in music told from the vantage point of the woman who lived it Rather than simply making Tobin an emblem for women in jazz of the big band era Mooney concentrates instead on Tobin s life her struggles and successes and in doing so captures the particular sense of grace that resonates throughout each phase of Tobin s notable career *Born to Play* Thomas P. Hustad,2012-05-03 Jazz trombonist Jack Teagarden once referred to Ruby Braff as the Ivy League sLouis Armstrong That legacy of great trumpet performance and recording is brought to readers in Thomas Hustad s Born to Play The Ruby Braff Discography and Directory of Performances Braff s uncompromising standards musical taste and creative imagination informed his consummate artistry in creating music beautifully played He achieved swiftly what few musicians accomplish in a lifetime by developing a unique and immediately

recognizable style For a reminder of that we need but play any of the more than 150 released recordings on which he appears These records span a total of 54 years from 1949 to 2002 a feat almost unmatched in jazz recording This was five years longer than even Louis Armstrong Although prepared in discographical style capturing information about both commercial recordings and previously undocumented performances *Born to Play* serves as a biography of the artist detailing the path he paved as a performer and featuring personal recollections of his musical career with commentary from other figures Images over the course of his half century of playing fill out this comprehensive survey of Bragg's performing and recording career This bio discography of the man who jazz drumming legend Buddy Rich declared one of my favorite trumpeters and singing giant Tony Bennett described as my great friend who now holds the reigning position of the best cornet player in the world is sure to be of interest to jazz fans and scholars alike
