Lord Of The Plains:

Dominion Surges Randy DeMain, 2009-10 A new apostolic generation is arising It is a generation of believers who are ready to move forward overcome and occupy their full inheritance The trumpets of heaven are sounding forth the call to assemble alliances for conquest are coming together to break through that which has been holding the church in suspension *Dominion Surges* is an equipping manual for mobilizing the body of Christ into an offensive posture restoring in us a sense of dominion and power over the enemy *Dominion Surges* will equip you to go forth and effectively expand the dominion of the King of Kings and the Lord of Lords in your personal life and where you live It will teach you to speak what you believe in order that you may see if it happens It models how to combine the Word worship the prophetic and prayer into one unfolding our beliefs into words of action intent and pursuit Get ready to experience breakthrough **Lord Foul's Bane** Stephen R. Donaldson, 2012-05-16 *Covenant* is Stephen R. Donaldson's genius The Village Voice He called himself Thomas Covenant the Unbeliever because he dared not believe in this strange alternate world on which he suddenly found himself Yet the Land tempted him He had been sick now he seemed better than ever before Through no fault of his own he had been outcast unclean a pariah Now he was regarded as the Land's greatest hero Berek Halfhand armed with the mystic power of White Gold That power alone could protect the Lords of the Land from the ancient evil of the Despiser Lord Foul Except that Covenant had no idea how to use that power *The American Shorthorn Herd Book*, 1886 **Let's Go to the Mountain** Debra Whittington, 2008-10 *Let's Go To The Mountain* is a daily devotional for those who are looking up to the Lord for help in his or her every day life Have you ever felt God call you to do something that you felt was impossible Have you faced disappointments death of loved ones or disabling illness Do you like anecdotes about animals and nature If the answer is yes then this book is for you Author Debra Whittington claims that if God can use her despite her lack of formal education in Journalism then He can use anyone This book chronicles fifteen years of the author's life and those around her as God uses the usual and the unusual to teach life's lessons Debra Whittington and her husband Mark are native New Mexicans living near historic Route 66 with their dog Gracie They operated a motel on the famous road for 28 1/2 years before retiring in 2004 Debra's writing experience started with a historical column with the local newspaper The Quay County Sun in 1991 She has written her religious column Notes From The Church Lady for the past 15 years This is Debra's third book The first History of First Baptist Church was written for the church's 90th anniversary in 1994 It was followed by a local history of the area In The Shadow Of The Mountain Living in Tucumcari in 1997 Her work has also appeared in New Mexico Magazine Debra and Mark are active in their church working on various committees and coordinating Trailblazers the senior adult ministry of the church **The Land of Canaan and the Destiny of Israel** David Frankel, 2011-06-30 What part does the land of Canaan play in the biblical conception of Israel To what extent does the religion promoted by the Hebrew Bible require that Israel live its communal life in the national homeland And how does life in the land compare in

importance with other elements presented as belonging to Israel's ultimate destiny such as for example adherence to the law. To what extent must the people of Israel take hold of and settle in the entire land of Canaan for them to fulfill their destiny? Might the land be shared with other peoples or must non-Israelites be expelled and subjugated or at least kept at a safe and isolated distance? Frankel asks these questions and others of the Hebrew Bible as a whole and of the biblical texts individually. He shows that all of these questions were addressed by various biblical authors and that diverse and even opposing answers were given to them. These issues are not completely new. Many of them have been addressed in recent times by various scholars and theologians who have taken a renewed interest in the territorial dimension of the Hebrew Bible. However, works of a predominantly theological or sociological orientation often suffer from a tendency to read the biblical texts holistically and to gloss over textual snags and inconsistencies. For Frankel, the snags and inconsistencies in the texts are of central importance. They allow him carefully to reconstruct the process of the growth of the texts in question and to reveal both their original forms and their final transformations at the hands of the editors. Frankel's analysis shows that behind the present form of several biblical texts lie earlier versions that often displayed remarkably open and inclusive conceptions of the relationship between the people of Israel and the land of Canaan. Diachronic analysis of the biblical text is thus an essential component in this book's attempt to retrieve something of the heated theological dynamic that animated the work of the authors and editors whose efforts were consummated in the formation of the Hebrew Bible. Frankel presents here many new and previously unrecognized biblical conceptions and traditions that have significant theological implications for the contemporary religious and political situation in the State of Israel. Once the biblical conceptions have been accurately identified, analyzed, and categorized, he opens a discussion of the possible relevance of these conceptions to the contemporary situation in which he lives.

The Lord's Prayer (Touchstone Texts) William M. IV Wright, 2023-02-28. Since the beginning of Christianity, the Lord's Prayer has occupied an important place in the lives of Jesus's disciples for it is the prayer Jesus himself taught them. Like other biblical prayers, the Lord's Prayer contains words people offer to God. But since this prayer is from Jesus and is part of Scripture, it is also God's Word to people. When we say this prayer, not only are we speaking to God, but God is also speaking to us. Highly regarded New Testament scholar William Wright shows how this classic text can speak afresh to the life of the church today. He integrates critical exegesis, theological exposition, and Christian spirituality to explicate the theological substance of the Lord's Prayer. His goal is to help readers come to know God and love God and others more deeply through a focused study of this important Christian prayer. The Touchstone Texts series addresses key Bible passages, making high-quality biblical scholarship accessible to the church. The series editor is Stephen B. Chapman, Duke Divinity School.
