The Majesty of God's Law W. Cleon Skousen, Someday God's law is coming to America It could come rapidly after a period of cleansing and reform It might even happen in our day And since Moses said it would eventually transpire there needs to be a generation of Americans trained and motivated to put it into effect Dr Skousen has carefully outlined the entire code of God's law in this book Under this judicial system there are only about a hundred statutes required to govern a community a state a nation or the world if these guidelines are in the hands of wise and virtuous judges Learn which political ideas are in tune with God's law so you can support them Understand why political ideas contrary to God's law simply don't work See just how marvelous life in America will be once God's majestic law is established here
