Lord Of The Journey A Reader In Christian Spirituality:

The Lord of the Journey Roger Pooley, Philip Seddon, 1986 *Lord of the Journey* , 1987-02-26 *Friendship of the Lord* Deryck Sheriffs, 2004-09-07 Does the religious experience of Israelites mean anything to us today Or does it apply more to the rituals prayers and myths of the ancient Near East than to our world Was Israelite spirituality so rooted in its culture that it will not transplant Or can we graft its shoots of faith and its struggle with life into our contemporary spirituality with integrity What happens when we look at a relationship with God through the lens of the Old Testament Does the Old Testament open a window on what it means to be human now These are the issues addressed in this survey It looks at what it means to see life as a journey walked with God It explores the fear of the Lord biblical meditation and confronting God in anger It focuses on life s mundaneness and its absurdity It analyses guilt true and false and restoration through forgiveness It asks whether Israel s experience of time passing the calender of seasons and the rhythm of life offer today s urban commuters memos for their diaries Deryck Sheriff s concern to bridge the divide has led him to write a book on the Old Testament which moves from the world of academic biblical studies into the realm of contemporary spirituality *The Attentive Life* Leighton Ford, 2013-10-01 Framed around the monastic concept of praying through the hours of the day Leighton Ford helps you to develop spiritual attentiveness so you can pay attention to how God is working through you and in the world around you **Hearing God's Words** Peter Adam, 2004-02-11 Many discussions of Christian spirituality draw on a range of traditions and disciplines but little attention is given to the Bible itself Drawing on the Old and New Testaments John Calvin and the Puritans Peter Adam expounds a biblical model of spirituality in this New Studies in Biblical Theology volume **ThirdWay** , 1988-07 Monthly current affairs magazine from a Christian perspective with a focus on politics society economics and culture **Reading the Christian Spiritual Classics** Jamin Goggin, Kyle Strobel, 2013-06-05 This new collection of essays edited by Kyle Strobel and Jamin Goggin offers an evangelical hermeneutic for reading the Christian spiritual classics Addressing the why what and how of reading these texts these essays challenge us to find our own questions deepened by the church s long history of spiritual reflection *Christian Spirituality* Arthur Holder, 2009-09-10 *Christian Spirituality The Classics* is a unique and comprehensive guide to thirty key Christian spirituality texts Ranging from Origen and Augustine to Jonathan Edwards Th r se of Lisieux and Thomas Merton it offers a view of the texts which is founded in scholarship but which also presents them as living documents that invite even compel contemplative reflection and existential response Each chapter briefly describes the classic text s author and audience gives a synopsis of its contents suggests some of its influence in history and then explores aspects of the text s meaning for readers today Key themes include What is the meaning of life How can human beings find truth How can they discover who they really are How can they live together in peace How can they live more fully in God s presence in this world and be united with God in the world to come The scholars who have written these chapters are all experts on their respective topics but they wear their learning
