the earth is animated by the same forces through which people seek to maintain a cohesive view of the relationship of mankind the cosmos and the natural world This delicate balance of the human spirit maintains the health and well being of villagers and is an essential part of the social and ideological framework that makes a person s life whole This book describes the basic elements of a belief system that has survived the onslaught of Catholicism colonialism and the modern world Timothy Knab has spent thirty years working in this area of Mexico learning of the Most Holy Earth and following what its people there call the good path He was initiated as a dreamer learned the prayers and techniques for curing maladies of the human soul and from his long association with the Sanmartinos has constructed a thorough account of their beliefs and practices Learning to recount dreams forming a dreamtale and carrying it on one s back to the waking world is the first part of the practitioner s labor in curing But dreamtales are shown to be more than parables in this world for they embody the ethos and cosmovision that link Sanmartinos with their traditions and the Most Holy Earth Building on this background Knab describes how the open ended interpretation of dreams is the practitioner s primary instrument for restoring a client s soul to its proper equilibrium thus providing a practical approach to finding and resolving everyday problems Many anthropologists hold that such beliefs have long since disappeared into the nebulous past but in San Mart n they remain alive and well The underworld of the ancestors talocan or Tlalocan for the Aztecs is still a vital part of everyday life for the people of the Sierra Norte de Puebla The Dialogue of Earth and Sky is an important record of a culture that has maintained a precolumbian cosmovision for nearly 500 years revealing that this system is as resonant today with the ethos of Mesoamerican peoples as it was for their ancestors *Trinity Hymns, Etc* John Vaughan (Minister of Trinity Chapel, Hackney.),1876 Sermons [preached in America].
