

Los Angeles

Letitia Burns O'Connor

Los Angeles :

Looking for Los Angeles Charles G. Salas, Michael S. Roth, 2001 In *Looking for Los Angeles* 12 contributors present their responses to the world's newest major city. A variety of perspectives and approaches are covered. The text balances the importance of place with the importance of culture.

Discover Los Angeles Letitia Burns O'Connor, 1997 This complete guidebook describes the rich and varied cultural resources of Los Angeles. Organized by neighborhood, the book offers in-depth information on more than 200 cultural resources in the area along with contact information and hours of operation. Places such as museums, landmarks, parks, and libraries are included along with maps noting their locations. A special chapter is devoted to educational programs for children and teens, making this book an excellent reference for teachers, parents, and visitors alike. Kevin Starr, California State Librarian, provides an introductory overview of the city's cultural history and treasures. In addition, local experts provide personal listings of cultural venues. Noriko Fujinami lists public art and murals that can be found in this city of murals. Sharon K. Emanuelli lists some of Los Angeles's important commercial art galleries and other art resources. Margaret Trumbull talks about virtual L.A. Peter Henn lists Tinseltown's many attractions for film buffs. Ellen Kraut Hasagawa points out the places where one can explore literary L.A. Tom Provenzano lists the spots where one can sample the lively Los Angeles theater scene, and Carol Reese lists the famous and not so famous architectural and historical monuments in the city.

The Fragmented Metropolis Robert M. Fogelson, 1993-06-09 Here, with a new preface, a new foreword, and an updated bibliography, is the definitive history of Los Angeles from its beginnings as an agricultural village of fewer than 2,000 people to its emergence as a metropolis of more than 2 million in 1930, a city whose distinctive structure, character, and culture foreshadowed much of the development of urban America after World War II.

A People's Guide to Los Angeles Laura Pulido, Laura Barraclough, Wendy Cheng, 2012-04-23 This book documents 115 little-known sites in Los Angeles where struggles related to race, class, gender, sexuality, and the environment have occurred. They introduce us to people and events usually ignored by mainstream media and, in the process, create a fresh history of Los Angeles.

Los Angeles John Walton Caughey, LaRee Caughey, 1977-10-18 Its intelligent combination of essays reveals much about Los Angeles, which does not always find its way into socio-historical texts about the area. The editors' remarks preceding each essay expertly bind the book together. I suspect it will wind up as one of the more dog-eared volumes on my shelf.

Mayor Tom Bradley of Los Angeles.

City at the Edge of Forever Peter Lunenfeld, 2020 An engaging account of the uniquely creative spirit and bustling cultural ecology of contemporary Los Angeles. The author weaves together the city's art, architecture, and design, juxtaposes its entertainment and literary histories, and moves from restaurant kitchens to recording studios to ultra-secret research and development labs. In the process, he reimagines Los Angeles as simultaneously an exemplar and cautionary tale for the 21st century. Provided by publisher.

Los Angeles Best Books on, 1941 Federal Writers' Project of the Work Progress Administration introduction by David Kipen.

Los Angeles Writers' Program (U.S.).

California, 1972 **The Los Angeles River** Blake Gumprecht, 1999 In the artificial landscape that is contemporary Los Angeles Gumprecht observes perhaps nothing symbolizes the role of human beings in changing the face of the earth more than the exploitation and transformation of the Los Angeles River Modified beyond recognition its flow tapped before it even reached the surface the river was used abused and forgotten In recent years however there has been a growing interest in revitalizing its course part of an expanding worldwide movement to revive urban rivers The new attention that is being paid to the river highlights the need for a more complete telling of its history The Los Angeles River offers the first comprehensive account of a river that helped give birth to one of the world's great cities significantly shaped its development and promises to play a key role in its future *The Los Angeles Plaza* William David Estrada, 2009-02-17 2008 Gold Award in Californiana California Book Awards Commonwealth Club of California 2010 NACCS Book Award National Association for Chicana and Chicano Studies City plazas worldwide are centers of cultural expression and artistic display They are settings for everyday urban life where daily interactions economic exchanges and informal conversations occur thereby creating a socially meaningful place at the core of a city At the heart of historic Los Angeles the Plaza represents a quintessential public space where real and imagined narratives overlap and provide as many questions as answers about the development of the city and what it means to be an Angeleno The author a social and cultural historian who specializes in nineteenth and early twentieth century Los Angeles is well suited to explore the complex history and modern day relevance of the Los Angeles Plaza From its indigenous and colonial origins to the present day Estrada explores the subject from an interdisciplinary and multiethnic perspective delving into the pages of local newspapers diaries and letters and the personal memories of former and present Plaza residents in order to examine the spatial and social dimensions of the Plaza over an extended period of time The author contributes to the growing historiography of Los Angeles by providing a groundbreaking analysis of the original core of the city that covers a long span of time space and social relations He examines the impact of change on the lives of ordinary people in a specific place and how this change reflects the larger story of the city *Los Angeles, the Centrifugal City* Rodney Steiner, 1981 **Becoming Los Angeles** D. J. Waldie, 2020 Best selling author and beloved chronicler of Los Angeles D J Waldie reconsiders the city in a collection of contemporary essays Nobody sees Los Angeles with more eloquence than D J Waldie Susan Brennenman Los Angeles Times Deputy Op Ed Editor Becoming Los Angeles a new collection by the author of the acclaimed memoir Holy Land blends history memory and critical analysis to illuminate how Angelenos have seen themselves and their city Waldie's particular concern is commonplace Los Angeles whose rhythms of daily life are set against the gaudy backdrop of historical myth and Hollywood illusion It's through sacred ordinariness that Waldie experiences the city's seasons In his exploration of sprawling Los Angeles he considers how the city's image was constructed and how it fostered willful amnesia about the city's conflicted past He encounters the immigrants and exiles the dreamers and con artists the celebrated and forgotten who became Los Angeles He measures the place of nature in the city and the

different ways that nature has been defined He maps on the contours of Los Angeles what embracing or rejecting an Angeleno identity has come to mean *Becoming Los Angeles* draws on a decade of Waldie's writing about the intersection of the city's history and its aspirations He asks what do we talk about when we talk about Los Angeles today In a global cosmopolitan city is there value in cultivating a local imagination And he wonders how to describe a city that is denser and more polarized and challenged by climate change homelessness and economic disparity There will always be romance in the idea of Los Angeles but it requires renewed hope to sustain *Becoming Los Angeles* is a further account of how Waldie gained a sense of place which James Mustich author of *1 000 Books to Read Before You Die* described as an almost sacramental act of attention *Becoming Los Angeles* is ultimately a book about learning how to fall in love with wherever it is you are Called a writer whose work is a gorgeous distillation of architectural and social history by the *New York Times* whose essays and memoirs said the *Los Angeles Times* conjure the idiosyncratic splendor of Southern California life D J Waldie is the author of the acclaimed *Holy Land A Suburban Memoir* and other books that illuminate the ordinary and the everyday in lyrical prose In collaboration with Diane Keaton Waldie provided the text for two photographic explorations of home California *Romantica* dealing with homes in the Spanish Colonial Revival Style of the early twentieth century and *House* examining post modern interpretations of domesticity *California Romantica* became a *Los Angeles Times* non fiction bestseller in 2007 D J Waldie's narratives about suburban life have appeared in *BUZZ* *The Kenyon Review* *The Massachusetts Review* *The Georgetown Review* *Salon* *dwelling* *Los Angeles Magazine* *Spiritus* *Gulf Coast* *Urbanisme* *Bauwelt* and other publications His book reviews and commentary have appeared in the *Los Angeles Times* the *Wall Street Journal* and the *New York Times* He lives in the home where he was born in Lakewood California where he was formerly the Deputy City Manager

LOS ANGELES David Rieff, 1992-09 The author turns his critical eye to the City of Angels discussing L A's gridlocked freeways immigrant neighborhoods posh Beverly Hills popular culture health consciousness and more and speculates on the city's future

Land of Sunshine William Deverell, Greg Hise, 2006-06-30 Most people equate Los Angeles with smog sprawl forty suburbs in search of a city the great what not to do of twentieth century city building But there's much more to LA's story than this shallow stereotype History shows that Los Angeles was intensely ubiquitously planned The consequences of that planning the environmental history of urbanism is one place to turn for the more complex lessons LA has to offer Working forward from ancient times and ancient ecologies to the very recent past *Land of Sunshine* is a fascinating exploration of the environmental history of greater Los Angeles Rather than rehearsing a litany of errors or insults against nature rather than decrying the lost opportunities of roads not taken these essays by nineteen leading geologists ecologists and historians instead consider the changing dynamics both of the city and of nature In the nineteenth century for example density was considered an evil and reformers struggled mightily to move the working poor out to areas where better sanitation and flowers and parks made life seem worth the living We now call that vision sprawl and we struggle just as much to bring

middle class people back into the core of American cities There s nothing natural or inevitable about such turns of events It s only by paying very close attention to the ways metropolitan nature has been constructed and construed that meaningful lessons can be drawn History matters So here are the plants and animals of the Los Angeles basin its rivers and watersheds Here are the landscapes of fact and fantasy the historical actors events and circumstances that have proved transformative over and over again The result is a nuanced and rich portrait of Los Angeles that will serve planners communities and environmentalists as they look to the past for clues if not blueprints for enhancing the quality and viability of cities Los Angeles, an Illustrated History Bruce Henstell,1980 With its more than 400 superb photographs paintings and drawings twenty six of them in full color many never before published with its richly informative text and captions this book celebrates a great American city Here the spectacular visual variety and richness of Los Angeles is fully projected in a single volume

A History of California and an Extended History of Los Angeles and Environs James Miller Guinn,1915 **Sins of the City** Jim Heimann,1999-05-01 New in town huh Look around kidpalm trees movie stars glittering promises of fame and fortune Now look closer and you ll see the real action in the City of Angels goons and thugs backroom dice clubs motel room cheesecake shots crusading cops and a few unlucky saps who didn t make it out alive *Sins of the City* is a daring photographic compendium of vintage vice in Los Angeles from the 20s to the 50s the true life pictures of a milieu immortalized in the hard bitten novels of Raymond Chandler Walter Mosley and James Ellroy and such films as *Criss Cross* *Double Indemnity* *Chinatown* and *LA Confidential* Pore over 200 shots of the people places and events that only tabloids such as *Hush Hush Confidential* and *Whisper* dared publish Witness the LAPD bust a floating casino see a dapper Bugsy Siegel before living and after deeply deceased and marvel at the criminal excess of marijuana stuffed suitcases Author Jim Heimann has scoured archives and newspaper morgues for prime examples of Southland s inglorious past presenting a compelling history of its notorious corruption Sure it s a tough city but thankfully someone was there to record it all Latino Los Angeles Enrique Ochoa,Gilda L. Ochoa,2005 Until recently most research on Latinas in the U S has ignored historical and contemporary dynamics in Latin America just as scholars of Latin America have generally stopped their studies at the border This volume roots Los Angeles in the larger arena of globalization exploring the demographic changes that have transformed the Latino presence in LA from primarily Mexican origin to one that now includes peoples from throughout the hemisphere Bringing together scholars from a range of disciplines it combines historical perspectives with analyses of power and inequality to consider how Latinas are responding to exclusionary immigration labor and schooling practices and actively creating communities Book jacket BOOK JACKET **An Historical Sketch of Los Angeles County, California** Juan José Warner,1876 **El Pueblo** Jean Bruce Poole,Tevvy Ball,2002 Founded in 1781 by pioneers from what is today northern Mexico *El Pueblo de Los Angeles* mirrors the history and heritage of the city to which it gave birth When the pueblo was the capital of Mexico s Alta California the region s rancheros came here to celebrate mass or to attend fiestas in the historic

Plaza Following California's statehood in 1850 the pueblo for a time ranked among the most lawless towns of the American West American speculators wealthy rancheros and Italian wine merchants crowded its dusty streets The town's first barrio and the vibrant precincts of Old Chinatown soon grew up nearby As Los Angeles burgeoned into a modern metropolis its historic heart fell into ruin to be revitalized by the creation in 1930 of the romantic Mexican marketplace at Olvera Street Here two years later David Alfaro Siqueiros painted the landmark mural *Am rica Tropical* whose story is a fascinating tale of art politics and censorship In the decades since the pueblo has remained one of Southern California's most enduring and most complex cultural symbols *El Pueblo* vividly recounts the story of the birthplace of Los Angeles An engaging historical narrative is complemented by abundant illustrations and a tour of the pueblo's historic buildings The book also describes initiatives to preserve the pueblo's rich heritage and considers the significance of its multicultural legacy for Los Angeles today
