The Popular Music Studies Reader Andy Bennett,Barry Shank,Jason Toynbee,2006 Maps the changing nature of popular music and considers how popular music studies has expanded and developed to deal with these changes The book discusses the participation of women in the industry the changing role of gender and sexuality in popular music and the role of technologies in production and distribution

From Quebradita to Duranguense Sydney Hutchinson,2007 Salsa and merengue are now so popular that they are household words for Americans of all ethnic backgrounds Recent media attention is helping other Caribbean music styles like bachata to attain a similar status Yet popular Mexican American dances remain unknown and invisible to most non Latinos Quebradita meaning little break is a modern Mexican American dance style that became hugely popular in Los Angeles and across the southwestern United States during the early to mid 1990s Over the decade of its popularity this dance craze offered insights into the social and cultural experience of Mexican American youth

Accompanied by banda an energetic brass band music style quebradita is recognizable by its western clothing hat tricks and daring flips The dance s combination of Mexican Anglo and African American influences represented a new sensibility that appealed to thousands of young people Hutchinson argues that though short lived the dance filled political and sociocultural functions emerging as it did in response to the anti immigrant and English only legislation that was then being enacted in California Her fieldwork and interviews yield rich personal testimony as to the inner workings of the quebradita s aesthetic development and social significance The emergence of pasito duranguense a related yet distinct style originating in Chicago marks the evolution of the Mexican American youth dance scene Like the quebradita before it pasito duranguense has picked up the task of demonstrating the relevance of regional Mexican music and dance within the U S context **Billboard** ,1994-07-23 In its 114th year Billboard remains the world s premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends **Billboard** ,1994-12-24 In its 114th year Billboard remains the world s premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends **Billboard** ,1994-06-11 In its 114th year Billboard remains the world s premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends *Billboard* ,1994-12-24 In its 114th year Billboard remains the world s premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends **Púberman** Maria Villegas,2007-04 With a direct tone and based on testimony questions real emotions and inquiries this book advises adolescent young men on several different topics muscles sports women acne humor the Internet music jokes money risks and protection among others A book filled with information practical ideas modern tips and illustrations it has the added benefit of being endorsed by professionals specializing in each of the subjects it covers Con un tono directo y sin prejuicio este libro surge de testimonios preguntas emociones e inquietudes reales intentando orientar y dar respuesta a los adolescentes en diferentes temas dif ciles los m sculos los deportes las mujeres el acn datos curiosos el humor el Internet la m sica las bromas el dinero los riesgos y la protecci n entre otros Lleno de informaci n y de ideas pr cticas este libro ha sido avalado por profesionales especializados en cada una de sus reas Los hèroes tambièn lloran Octavio Giraldo Neira,2003 **El jardín de las delicias** Suleika Ibáñez,1991 Fuera de control María Villegas,Jennie Kent,2013-06-01 Una gu a para sobrevivir a la adolescencia masculina sin morir en el intento Confidencial Contiene informaci n valiosa para todas aquellas v ctimas de la epidemia adolescente y sus s ntomas m s
