

LOS DOCE TRIANGULOS DE LA MUERTE

Antonio Ribera

The book cover features a dark, atmospheric illustration. The top half is a deep, dark blue/black sky. Below it, a curved horizon line separates the sky from a body of water. The water is depicted with a textured, wavy pattern in shades of blue and green. A long, dark, vertical object, possibly a ship's mast or a probe, extends from the bottom right towards the center of the water. Several small, bright red circular spots are scattered across the water's surface, resembling blood or markers. The overall mood is mysterious and ominous.

Los Doce Triangulos De La Muerte

Antonio Ribera

A decorative red circular graphic element, resembling a stylized arrow or a semi-circle, is positioned to the right of the author's name.

Los Doce Triangulos De La Muerte:

Los doce triangulos de la muerte Antonio Ribera,1976 **Los doce triángulos de la muerte** Antonio Ribera,1987

Guía misteriosa de la España Encantada José Manuel García Bautista,2022-10-24 Guía misteriosa de España es la propuesta para viajar por todo el país buscando los enigmas de España la Historia oculta sus leyendas más enraizadas donde se encuentra el germen de la verdad el misterio más terrorífico los fenómenos paranormales o las apariciones fantasmales El autor ha realizado un intenso recorrido por toda España buscando el misterio buscando todo aquello que es desconocido desde los casos más impactantes hasta las historias más conmovedoras y encantadas Se trata de una visión muy completa de aquello que todo buen amante del misterio debe conocer Te atreves a hacer esta ruta encantada con nosotros

Expedientes OVNI del siglo XXI Pablo Villarrubia Mausó,2022-11-02 Una guía ovni imprescindible para todos aquellos que quieran adentrarse y ampliar sus conocimientos sobre el fenómeno más intrigante y fascinante de todos los tiempos Pablo Villarrubia periodista de Cuarto Milenio y uno de los más destacados especialistas en ufología aporta su experiencia de más de cuarenta años para investigar y revelar los aspectos más desconocidos y misteriosos del fenómeno ovni en España y Portugal Un libro profundamente documentado que recoge y disecciona los expedientes más importantes desde el año 2000 hasta la actualidad para sumergir al lector en más de una veintena de casos que el propio autor ha podido investigar y en algunos casos hasta entrevistar a sus protagonistas Además incluye una valiosa y útil cronología ufológica del siglo XXI que abarca todos los casos más importantes alrededor del mundo

La noche del miedo Iker Jiménez,2023-11-06 Esa sensación brutal y poderosa que espanta y a la vez nos atrae Ese escalofrío que sube por las vértebras como una mano helada obligándonos a mirar a nuestra espalda con recelo Durante años Iker Jiménez lo notó muy próximo casi pegado al cuerpo vigilando cada paso al ir adentrándose en la investigación de este suceso maldito Una trama de terror oficialmente silenciada protagonizada por personas normales que nunca más pudieron ser las mismas Personas que sufren cada noche reviviendo una continua pesadilla notando cómo algo desconocido sin rostro pero con forma humana se les acerca avanzando entre la oscuridad Aparecidos en lugares marcados por la tragedia informes médicos que desaparecen científicos capaces de hipnotizar accidentes que sufren personas atormentadas que saben demasiado hackers que se introducen en nuestros ordenadores en busca de información experimentos capaces de generar fantasmas militares presos de histeria colectiva civiles tiroteados en mitad de la madrugada Le costará creer que todo lo que aquí se narra es absolutamente real De usted depende conocer una historia que llevaba muchos años bajo secreto y que ahora ve por fin la luz con toda la crudeza de sus documentos y testimonios

El Mito Más Grande de la Historia Iker Lorente Aizpurúa,2018-05-14 El concepto del dios hecho hombre enviado a la Tierra para salvar a la humanidad queda expuesto como el hito final de la mitología judeo cristiana y el caos cósmico y geopolítico en el que se debate la sociedad actual como la última fase de una batalla milenaria escatológica entre dos facciones en pugna por el control del planeta

Misterios de Almería Alberto Cerezuela,2020-03-27 Se cumplen diez años de la publicación de

Enigmas y leyendas de Almería y La cara oculta de Almería dos libros que fueron una auténtica revolución en la provincia suponiendo un éxito literario sin precedentes. Y es que nunca antes se habían tratado temas relacionados con el misterio y los fenómenos extraños tal y como los recoge Alberto Cerezuola en sus publicaciones. Con motivo de este aniversario se lanza una edición especial que recopila las historias más importantes recogidas en sus libros en un nuevo formato que mantiene la esencia de aquellas investigaciones pero con información nunca antes contada y nuevos datos. Además se incluye un caso inédito el de las apariciones relacionadas con un accidente de tren ocurrido en 1943 en la población de Fina. Revive los sucesos del Teatro Cervantes ahondando un poco más en la historia de Conchita Robles la actriz asesinada en 1922 y en los testimonios que afirman haberse topado con lo sobrenatural en ese lugar. Descubre que en Almería hubo dos casos importantes de apariciones marianas conoce la relación que tienen San Valentín y Walt Disney con nuestra provincia. Sobregate al saber que el hombre del saco existió más cerca de lo que imaginabas. Ambráste con historias de avistamientos ovni y extrañas luminarias que sobrevuelan algunas poblaciones y sé testigo de uno de los misterios más importantes de la historia de nuestro país las combustiones espontáneas acontecidas en Laroya.

Ovnis, del espacio exterior al espacio interior
 Moisés Garrido Vázquez, 2016-11-14. Hace tiempo que el fenómeno ovni dejó de ser una mera colección de casos más o menos espectaculares recogidos por investigadores particulares y militares en todo el mundo. Se trata de un fenómeno mucho más complejo enrevesado y escurridizo. Durante años la mayoría de los ufólogos se ha encandilado demasiado con las luces cegadoras de los ovnis y no ha prestado apenas atención a otros factores tras los cuales podría estar la verdadera dimensión del problema ovni. En la presente obra el autor se adentra en aquellas parcelas más heterodoxas del fenómeno ovni como por ejemplo la paraufología dando un valor primordial al factor humano y a los elementos parafísicos arquetípicos y absurdos que van implícitos en los encuentros cercanos, el contactismo y las abducciones. En *Ovnis del espacio exterior al espacio interior* Moisés Garrido Vázquez uno de los investigadores ovni más reputados de nuestro país habla sin tapujos y sin dejarse nada sobre los aspectos más desconocidos e impactantes de este intrigante fenómeno. Lo que empezó como una curiosidad inofensiva un esfuerzo personal por responder a la pregunta de si estamos o no solos en el Universo se ha convertido en un trabajo con profundas implicaciones filosóficas. Moisés Garrido radiografía el fenómeno ovni llevándolo más allá de los típicos que lo rodean e implicándonos a todos en su búsqueda de respuestas. JAVIER SIERRA autor de *La ruta prohibida* y otros enigmas de la Historia.

Humanoides Javier García Blanco, 2003-04-04. En este libro entre otras muchas cosas encontrar casos estremecedores documentados imágenes sorprendentes. Quiénes son los Humanoides casos en América y España un secreto bien guardado cuando los militares investigan múltiples formas múltiples intenciones nageles y demonios ayer extraterrestres hoy.

Una terapia de trascendencia Pablo Fernández López-Peláez, 2020-03-25 Querido lector o lectora no sé quiénes eres o cómo definirte. A veces soy yo el que no sé ni cómo hacerlo conmigo mismo pero lo que es irrefutable y nos define por igual a ti y a mí es el dolor. Somos personas dolientes o sufrientes en el día a día. Rectángulos y Triángulos es una adaptación de mi tesis doctoral en Biología 2 de marzo de 2017 Necesidad de una terapia de trascendencia en la relación cuidador-paciente. Las eternas preguntas que ni soy de dónde vengo y a dónde voy nos ofrecen las mismas respuestas que si nos preguntamos qué por qué y para qué del DOLOR y el SUFRIMIENTO. Es claro que no podemos vivir en soledad ni mucho menos respondernos estas preguntas sin la ayuda de ese alguien que está a nuestro lado y que un día necesitar que estemos al suyo. En esta obra una vez definida a la persona hombres y mujeres concretos quiero señalar la importancia del papel del cuidador ya sea por vocación por amor o simplemente por ley de vida. Propongo además en estas páginas una posible terapia de trascendencia en la relación cuidador-paciente. **Libros españoles en venta, ISBN**, 1989 Al principio fue el miedo Juan Carlos Novoa, 1977 **Primer diccionario argentino de onirología** Ruth Gerstel, 1988 Memorias de un escolar de antaño, 1808-1809: La enseñanza rural Armando Cotarelo Valledor, 1921
