Losing Our Virtue:

Losing Our Virtue David F. Wells,1999-02 Why the Church must recover its moral vision **The Making of Evangelical Spirituality** Jason Cherry,2023-01-05 How did it come to be that evangelicals expect individualized extrabiblical revelation from God What has happened culturally historically and theologically to make this the ubiquitous assumption of evangelical spirituality The Making of Evangelical Spirituality is a compound of history and theology applied to the subject of evangelical spirituality specifically the phenomenon of evangelicals thinking God spoke to me in a still quiet voice The story is complex multifaceted and urgently in need of telling Few Christians know the history of the spiritual expectations heaped upon them Few know the individuals who gave shape to evangelical spirituality spiritual chieftains who were often guided by uniquely ephemeral social and cultural forces There is no towering figure like Martin Luther that stands as the lone front man for the esoterica of evangelical spirituality Instead it s the osmosis of many fascinating people struggling through life in the storm of worldly and cultural momentum This book is the story of those hermits monks reformers heretics politicians outcasts and preachers who gave shape Failure to tell the story now risks it becoming just another part of historical compost threatening to make evangelicals forever ignorant of what they are tossing into the garden of their soul *David--Dancing Like a King* Larry Lichtenwalter,Larry L. Lichtenwalter,2005-02 At last David is king He can defeat the Philistines But can he resist a beautiful woman In his third book walking through the life of David Larry Lichtenwalter shows us the qualities David possessed as a leader Each chapter gives the reader an abundance of theological insights and pulls an enormous amount of spiritual lessons from the exciting exploits of David a man after God s own heart

Abu Ghraib Michael Cannon,Michael Cannon, Jr.,2005 **Recovering Classic Evangelicalism** Gregory Alan Thornbury,2013-03-31 Once upon a time evangelicalism was a countercultural upstart movement Positioned in between mainline denominational liberalism and reactionary fundamentalism evangelicals saw themselves as evangelists to all of culture Billy Graham was reaching the masses with his Crusades Francis Schaeffer was reaching artists and university students at L Abri Larry Norman was recording Jesus music on secular record labels and touring with Janis Joplin and the Doors and Carl F H Henry was reaching the intellectuals through Christianity Today It was the dawn of classic evangelicalism Surveying the current evangelical landscape however one gets the feeling that we re backpedaling quickly We are more theologically diffuse culturally gun shy and fragmented than ever before What has happened And how do we find our way back Using the life and work of Carl F H Henry as a key to evangelicalism s past and a cipher for its future this book provides crucial insights for a renewed vision of the church s place in modern society and charts a refreshing course toward unity under the banner of classic evangelicalism **Fair Practices in Automotive Products Act** United States. Congress. House. Committee on Ways and Means. Subcommittee on Trade,1982 *The Latter-Day Saints' Millennial Star* ,1928

The London Magazine ,1825 **The Plundering of NASA: an Exposé** R.D. Boozer,2013-04-14 At last here is a book

peering behind the veil of Congressional politics which force NASA to do the bidding of regional interests that cripple the nation's capabilities in both exploring outer space and exploiting its enormous economic potential Presenting the opinions of astronauts prominent rocket scientists and space policy analysts while also revealing unpublicized studies conducted by NASA industry and universities The Plundering of NASA An Expose combines into one book many of the facts the major media have either ignored or not discovered Expert sources explain modern and economically practical solutions that can allow NASA to exceed its former Apollo glory within its current budget In short the book relates how honest misconceptions greed and an outdated faction within NASA itself cause our nation to get less for its space agency tax dollars than it could and should

Memoirs of the Life and Writings of the Right Rev. Richard Hurd Richard Hurd, Robert Francis Kilvert, 1860 **Memoirs of the Life and Writings of the Right Rev. Richard Hurd, D. Dennis P. Hollinger, 2002-09-01 An intelligent discussion of the foundations and methods in ethics and ways to apply a Christian worldview to our secular culture *Above All Earthly Powers* David F. Wells, 2006-08 In this prophetic call to the evangelical church Wells stresses that Christians need to confess Christ as the center in a society lacking a center as the sovereign in a world seemingly ruled by chance and as the one who can give meaning in a nihilistic culture **Practice of**

Perfection and Christian Virtues Alfonso Rodriguez, 1929 **The Unformed Conscience of Evangelicalism** J. Daryl Charles, 2002-01-01 J Daryl Charles urges the evangelical church to better equip in character and moral vision its pastors leaders and members to constructively and effectively engage the ethical debates of the twenty first century **Persian**
