Losing God:

Losing God Matt Rogers, 2008-09-30 Recounting his own history Matt Rogers explores the question of how in a world of suffering we can call God good This challenging question can manifest itself as a conspiracy of doubt and depression so that our emotions and our intellect come under attack Will God deliver us through this distressing journey *In Pursuit of God's Presence* Mary Simpson, 2008-04 In this work an effort is made to help individuals charter a course to and then remain in God's presence by understanding how He abides with His people Christian [A Biblical Analysis of Corrective Church Discipline: God's Loving Plan to Rescue and Restore Believers](#) Dr. Todd M. Fink, 2019-03-08 Corrective church discipline is probably the most difficult task of a church and its leaders It's often time consuming ugly has fallout and usually involves criticism Therefore rather than deal with the difficulties of implementing church discipline we often look for ways to get around it so we don't have to deal with the problems it might entail This might be an easier approach but it's not the biblical approach This book tackles this important doctrine head on and seeks to let God say what He intended to say about church discipline After all He is the one who spoke about it in the first place *Twelve (Thirteen) sermons from the Quaresimale*, tr. by J. Ford Paolo Segneri, 1860 *God's Word, for Doubters and Believers being the Last Testament*, 2010-02 [Three Stages of Salvation: Heavenly-Oriented or Hell-Bound?](#) Amoakoh Gyasi-Agyei, 2015-01-20 The world has reached a stage in which value systems are trampled underfoot or supplanted by moral relativism At best we are guided by the law rather than our consciences Therefore evil practices which escape the law are condoned Almost everything is subtly covered in deception and those skillful in deception win the race The only way by which humanity can escape deception and stop killing each other and preserve the universe is to accept salvation in Jesus Christ and live by biblical disposition Elder Ing Prof Amoakoh Gyasi Agyei digs deep into how the three parts of humanity spirit soul and body can be redispersed to the original masterpiece of God to bring the world back to decorum He uses the Holy Bible to answer many human dilemmas caused by rebellion against God including how to reach the supreme God the origin of deception and its antidote predestination sexuality humans as instruments of praiseworthy acts versus the instrument of evil heaven and hell the origin and eternal destination of the human spirit soul and body blessings associated with lifestyle of biblical disposition versus curses with worldliness and the origin and the fate of the current universe This book is a must read by everybody [Life-Study of Luke](#) Witness Lee, 1985-12 *Selected Writings* Saint Alfonso Maria de' Liguori, 1999 This volume of the acclaimed Classics of Western Spirituality TM is a significant one It offers new translations of a representative selection of the spiritual writings of Alphonsus de Liguori 1696-1787 saint bishop religious founder the Redemptorist Congregation and doctor of the church The late Frederick M Jones principal editor of this volume and author of an acclaimed biography of Alphonsus has written an exceptional introduction that outlines this saint's life with particular emphasis on the political sociological and intellectual climate of Bourbon Naples in which he lived wrote and ministered The writings presented here demonstrate the wide range of his work

and its relevance to Christian life and spirituality in our own day o Spiritual Writings o Spiritual Direction o Devotional Writings o Prayer o Moral Theology o Letters Alphonsus devotional writings had an enormous impact on the practices of Catholic piety right up to Vatican II In addition he played an influential role in the development of moral theology This collection of his works fills a demand for an English translation of Alphonsus major spiritual works Among the interested readers will be members of the Redemptorist order theology students and students of 18th century Italian church history and society
