Lost Hero The Mystery Of Raoul Wallenberg:

Lost Hero Frederick E. Werbell, Thurston Clarke, 1985 Recounts the courageous efforts of the Swedish businessman turned guerilla fighter in the rescuing of Hungarian Jews *Lost Hero* Danny Smith, 2001 The dramatic true story of Raoul Wallenberg a Swedish aristocrat who went to Budapest during World War II on a special mission to save as many Jews as possible from the Holocaust *Wallenberg* Danny Smith, 1987 *Raoul Wallenberg* Ulf Zander, 2024-05-14 The Swedish diplomat Raoul Wallenberg was responsible for saving the lives of thousands of Jews in Budapest between 1944 and 1945 He is recognised by the Israeli state as one of the Righteous among the Nations This book examines both Wallenberg s activities during the Holocaust and the ways posterity has remembered him It explores secret Swedish diplomacy and how Wallenberg was transformed over time into a Swedish brand It considers the political aspects of Wallenberg s Americanisation and analyses his portrayals in music film and television Representations of Wallenberg as a monument are discussed with special reference to Swedish and Hungarian examples The question of how Wallenberg s memory can and should be kept alive in future is an essential issue related to the politics of memory An electronic edition of this book is freely available under a Creative Commons CC BY NC ND licence **Update on Raoul Wallenberg** United States. Congress. House. Committee on Foreign Affairs. Subcommittee on Human Rights and International Organizations, 1983 **Raoul Wallenberg** Harvey Rosenfeld, 2005 The updated version of this authoritative biography of Wallenberg offers a closing to the greatest unsolved mystery of the Rosenfeld s lucid evaluation of the evidence pro and con is the most sensible so far this is the book of choice for those who want the most complete account of Wallenberg s heroism and martyrdom Publishers Weekly **Righteous Gentile** John Bierman, 2012-07-05 Swallowed up by the Soviet prison system the fate of Raoul Wallenberg saviour of tens of thousands of Hungarian Jews during the Nazi holocaust remains a mystery Recently KGB files have been opened and many Communist crimes have been fully exposed Yet there is still no evidence apart from a handwritten note of doubtful authenticity to support the Kremlin s claim that in 1947 Wallenberg then thirty five years old died of a heart attack in prison On the other hand there is abundant evidence none of it conclusive but much of it highly persuasive that Wallenberg remained alive in captivity long after 1947 broken in body and spirit somewhere in the vastness of the former Soviet Union Righteous Gentile is the first book to tell the full story of Raoul Wallenberg s shining wartime exploits and shameful post war incarceration *Unlikely Heroes* Ari Kohen, Gerald Steinacher, 2019-01-01 Classes and books on the Holocaust often center on the experiences of victims perpetrators and bystanders but rescuers also occupy a prominent space in Holocaust courses and literature even though incidents of rescue were relatively few and rescuers constituted less than 1 percent of the population in Nazi occupied Europe As inspiring figures and role models rescuers challenge us to consider how we would act if we found ourselves in similarly perilous situations of grave moral import Their stories speak to us and move us Yet this was not always the case Seventy years ago these brave men and women today regarded as the Righteous Among the Nations

went largely unrecognized indeed sometimes they were even singled out for abuse from their co nationals for their selfless actions Unlikely Heroes traces the evolution of the humanitarian hero looking at the ways in which historians politicians and filmmakers have treated individual rescuers like Raoul Wallenberg and Oskar Schindler as well as the rescue efforts of humanitarian organizations Contributors in this edited collection also explore classroom possibilities for dealing with the role of rescuers at both the university and the secondary level *The End of the Holocaust* Michael Robert Marrus,2011-08-02 This edition is the first of its kind to offer a basic collection of facsimile English language historical articles on all aspects of the extermination of the European Jews A total of 300 articles from 84 journals and collections allows the reader to gain an overview of this field The edition both provides access to the immense rich array of scholarly articles published after 1960 on the history of the Holocaust and encourages critical assessment of conflicting interpretations of these horrifying events The series traces Nazi persecution of Jews before the implementation of the Final Solution demonstrates how the Germans coordinated anti Jewish activities in conquered territories and sheds light on the victims in concentration camps ending with the liberation of the concentration camp victims and articles on the trials of war criminals The publications covered originate from the years 1950 to 1987 Included are authors such as Jakob Katz Saul Friedl nder Eberhard J ckel Bruno Bettelheim and Herbert A Strauss **A Conspiracy of Indifference** Alan Gersten,2001 Inside the National Archives in Washington are two large gray boxes holding 21 folders containing one damaging fact For half a century America abandoned Raoul Wallenberg a hero of the Holocaust These boxes and folders contain 1 500 documents from the Central Intelligence Agency which reveal that through its inaction and subversion the U S government let Wallenberg languish in the camps of silence known as the Gulag Archipelago These documents released in 1994 show that America which sent Wallenberg on one of World War II s most hazardous missions betrayed this man who achieved the unachievable to rescue 100 000 Jews A joint Swedish Russian group after more than nine years of study released two reports on January 12 2001 The Russian version said Wallenberg was killed in 1947 but the Swedish version raised many theories and came to no conclusions A lot of this material was covered in the CIA files During his years of imprisonment many have tried and all have failed to free Wallenberg His family made impassioned pleas to the highest levels of American government only to be ignored five times All attempts to free Wallenberg perpetually bungled included proposed spy swaps and a legal effort that initially won but ultimately lost an unusual lawsuit against the Soviet Union Through the prism of contemporary interviews along with the CIA documents as well as examination of 500 State Department documents in Washington and another 500 at the Franklin D Roosevelt Library in Hyde Park New York as well as the Swedish and Russian reports one sees new details and insights into a basic conflict All the new information provides the backbone of a book the first to specify American culpability in deserting Raoul Wallenberg *A Hero's Many Faces* T. Schult,2009-04-08 Raoul Wallenberg is remembered for his humanitarian activity on behalf of the Hungarian Jews at the end of World War II and as the Swedish diplomat who disappeared into the Soviet Gulag in 1945 This

book examines how thirty one Wallenberg monuments in twelve countries on five continents commemorate the man The Hero of Budapest Bengt Jangfeldt,2013-11-28 The story of Raoul Wallenberg the Swedish businessman who at immense personal risk rescued many of Budapest s Jews from the Holocaust and subsequently disappeared into the Soviet prison system is one of the most fascinating episodes of World War II Yet the complete story of his life and fate can only be told now and for the first time in this book following access to the Russian and Swedish archival sources previously not used Born into a wealthy Swedish family Wallenberg was a moderately successful businessman when he was recruited by the War Refugee Board to manage the rescue mission of thousands of Hungarian Jews Once in Budapest he created and distributed so called protective passports or Schutz Pass among the Jewish population thus managing to save up to 8 000 people Through the safe houses and clandestine networks that he established around the city many thousands more were saved from the concentration camps Yet when Budapest was liberated by the Red Army in January 1945 Wallenberg was arrested and taken to Moscow One of the reasons for his arrest was that the Soviets could not understand the nature of his mission formally he was a Swedish diplomat but he worked for an American agency On the basis of previously unseen Soviet sources Jangfeldt has been able to reconstruct the events surrounding Wallenberg s arrest almost hour by hour and for the first time he presents a highly plausible theory about the reasons why Wallenberg was arrested and what happened to him after he disappeared With access to previously unpublished material Bengt Jangfeldt provides the first complete account of Wallenberg s life from his childhood in Sweden to his disappearance in a Russian jail and sheds important new light on one of the greatest heroes of World War II This is a thrilling tale of intrigue espionage and heroism which will captivate all readers of modern European history **Raoul Wallenberg** Ingrid Carlberg,2016-02-11 An Honorary Citizen of the U S A and designated as one of the Righteous among the Nations by Israel Raoul Wallenberg s heroism in Budapest at the height of the Holocaust saved countless lives and ultimately cost him his own A series of unlikely coincidences led to the appointment of Wallenberg by trade a poultry importer as Sweden s Special Envoy to Budapest in 1944 With remarkable bravery Wallenberg created a system of protective passports and sheltered thousands of desperate Jews in buildings he claimed were Swedish libraries and research institutes As the war drew to a close his invaluable work almost complete Wallenberg voluntarily went to meet with the Soviet troops who were relieving the city Arrested as a spy Wallenberg disappeared into the depths of the Soviet system never to be seen again For this seminal biography Ingrid Carlberg has carried out unprecedented research into all elements of Wallenberg s life narrating with vigour and insight the story of a heroic life and navigating with wisdom and sensitivity the truth about his disappearance and death Translated from the Swedish by Ebba Segerberg Social Cohesion and Legal Coercion Leon Shaskolsky Sheleff,2021-11-15 The book is a critical analysis of the work of Max Weber Emile Durkheim and Karl Marx It focuses on their separate analyses of the role of law in society pointing out their faults and errors and the resultant impact on modern social science The author takes issue with Weber s work on rationality with Durkheim s

work on repressive and restitutive law and with Marx's work on social justice and law as part of the super structure In each section of the book he shows the implications that flow from a re assessment and re interpretation of their work for an understanding of society The book is multi disciplinary making ample reference to law sociology anthropology history religion ecology criminology philosophy and economics Its various chapters discuss a wide range of themes including rationality tradition science political authority conflict resolution community justice and altruism Holocaust a History Deborah Dwork,Robert Jan Pelt,2003-08-26 Unrivalled in scope Holocaust is a story of all Europe of the vast sweep of events in which this great atrocity was rooted from the Middle Ages to the modern era **Books on Sweden in English** Susan Larson-Fleming,Lena Daun,Marna Feldt,1983 The Viking Heart Arthur Herman,2021 From a New York Times best selling historian and Pulitzer Prize finalist a sweeping epic of how the Vikings and their descendants have shaped history and America *Altruistic Personality* Samuel P. Oliner,1992-04-01 An enlightening and powerful exploration of those who risked their lives to help others during the Holocaust and those who did not and what we must do to ensure that such a tragedy never occurs again Why during the Holocaust did some ordinary people risk their lives and the lives of their families to help others even total strangers while others stood passively by Samuel Oliner a Holocaust survivor who has interviewed more than seven hundred European rescuers and nonrescuers provides some surprising answers in this compelling work Samuel Oliver delves into the profound acts of altruism that emerged during one of history's darkest periods Each interview provides a unique insight into the types of personalities that answer a call to action and those that do not By comparing these rescuers with bystanders he provides a nuanced understanding of what drives people to act with extraordinary compassion or to remain passive in the face of evil Offering both a historical perspective and a roadmap for a more compassionate future *Altruistic Personality* is not just a historical account it is a call to action and a beacon for moral education Relevant when it was first published and even more relevant today Oliver argues that by understanding and fostering the traits of altruism we can prevent future atrocities and bring out the better aspects of humanity **Lost Hero** Danny Smith,2001-02-01 Letters and Dispatches, 1924-1944 Raoul Wallenberg,2011-01-01 An extraordinarily thorough collection of the Swedish diplomat's last writings and dispatches before his tragic disappearance
