Ruffin, 2015-07-10 Discover the mysterious controversial and sometimes downright eerie history of flights that didn't end as planned The history of aviation is full of accounts of history's most spectacular flights But what about the ones from which someone failed to return A celebrated millionaire who also happened to be the world's foremost aviator lifted off in a small plane one clear morning in 2007 and disappeared The glamorous son of a beloved fallen president took off on a hazy summer night in 1999 and plunged himself and two others into the Atlantic Ocean A US Navy blimp landed one Sunday morning in 1942 in the middle of a city street in California with no one aboard Some of these non returns occurred because of errors in judgment others were intentional and some resulted from causes still unknown Get the full meticulous account of the fascinating people involved in these flights the mistakes they made and the ways in which their flight of no return affected the world Pilot and aviation writer Steven A Ruffin covers the entire 230 year span of manned flight in all types of aircraft through war and peace Balloons blimps biplanes jets and spaceships have all suffered mishaps over the years Don't miss the mystery adventure intrigue and a sprinkling of the supernatural and extraterrestrial in *Flights of No Return* **Vanished!** Evan Balkan, 2010-10-19 The best adventures come full circle depositing intrepid explorers back into their cozy armchairs to dream of the next challenge But often that armchair may be the last lingering thought as a last breath is taken as an adventure conjured in comfort spins off into a mystery forever unsolved *Vanished Explorers Forever Lost* dives deep into the true and harrowing accounts of adventurers who never came home From the disappearance in Utah of cowboy roamer Everett Ruess to the loss of billionaire explorer Michael Rockefeller in the wilds of New Guinea the tales of those forfeited to the call of wild adventure ring with mystery intrigue and excitement to this day Murdered drowned or eaten alive these are mysteries of disappearance likely to remain unsolved but never forgotten This book details them all So grab a copy and curl up in your comfy armchair with your favorite brew and delve into these intriguing mysteries **The Earhart Enigma** Dave Horner, 2013-04-17 Florida Book Awards Silver Medal Winner New answers to one of the greatest mysteries of the twentieth century What really happened to Amelia Earhart Since Earhart and her navigator disappeared during their around the world flight attempt in 1937 the world has searched in vain for an answer to this question The culmination of thirteen years of research into this tantalizing mystery *The Earhart Enigma* brings to life Earhart's final days in an attempt to reconstruct what exactly took place Offering candid assessments of prevailing theories about Earhart's fate Dave Horner marshals evidence from a variety of sources proving that Earhart was neither lost at sea nor wrecked on Nikumaroro where many search expeditions have failed to deliver concrete results Integrating information garnered from numerous interviews Pacific Islander folklore and US and Japanese

military documents Horner argues instead that Earhart ventured north of her intended destination in search of a place to land her Lockheed Electra Blending drama mystery and shocking revelations with the steady balance of an objective investigator Horner s findings provide a definitive answer to this fascinating riddle based on firsthand accounts from Marshall Islanders and other powerful evidence

Amelia Earhart's Faustian Bargain Dr. Justin B. Clearsky, 2023-05-24

About the Book On July 09 2017 the History Channel aired a television documentary called Amelia Earhart The Lost Evidence which attracted a world wide audience of 4.3 million views The highlight of the History Channel s Earhart documentary was a photograph discovered by retired federal agent Les Kinney in the National Archives stamped with official Office of Naval Intelligence ONI markings In the photo a ship can be seen towing a barge with an airplane on the back and on a nearby dock are several people of which two of them resemble Amelia Earhart and Fred Noonan For the truth seeker who is interested in understanding the whole story behind Earhart s round the world flight who earnestly desires to know who really sponsored and funded the flight why the Electra was modified the way it was why the plane crashed in Hawaii why an identical plane of the same model was in Miami the same week Earhart departed on her trip what Earhart really did during the week she was in Bandoeng why Earhart s radio messages were crafted the way they were and what really prevented Earhart and Noonan from completing the flight are all questions that are answered in this work and more with evidence to back them

About the Author The author s work also devotes one entire chapter to a detailed forensic study and analysis of all that is captured in the Kinney discovered dock photo and as a result can once and for all time stamp the date the photograph was taken A work that reexamines the mountain of evidence that all along has been staring the world in the face ever since Earhart and Noonan disappeared A work that is crammed with informative photographs charts diagrams maps and analyses from an author who is now retired and free from all former oaths and obligations formerly made to and given in the service of the devil

Beyond the Known Andrew Rader, 2020-11-17

From brilliant young polymath Andrew Rader an MIT credentialed scientist popular podcast host and SpaceX mission manager an engaging Tim Marshall New York Times bestselling author chronicle showcasing our human desire to continually explore new and uncharted territory from civilization s earliest days to interstellar travel For the first time in history the human species has the technology to destroy itself But having developed that power humans are also able to leave Earth and voyage into the vastness of space After millions of years of evolution we ve arrived at the point where we can settle other worlds and begin the process of becoming multi planetary How did we get here What does the future hold for us Divided into four accessible sections *Beyond the Known* examines major periods of discovery and rediscovery from Classical Times when Phoenicians Persians and Greeks ventured forth to The Age of European Exploration which saw colonies sprout on nearly every continent to The Era of Scientific Inquiry when researchers developed new tools for mapping and traveling farther to Our Spacefaring Future which unveils plans currently underway for settling other planets and eventually traveling to the stars A Mission Manager at SpaceX with a lively voice Andrew Rader is

at the forefront of space exploration As a gifted historian Rader who has won global acclaim for his stunning breadth of knowledge is singularly positioned to reveal the story of human exploration that is also the story of scientific achievement Told with an infectious zeal for traveling seeking new horizons Beyond the Known is an astute and highly flattering view of human aspirations Kirkus Reviews *Missing!* Brenda Z.
