*Chronological Tables for Every Day in the Year* Francis Shallus, 1817      **Dürer's Lost Masterpiece** Ulinka Rublack, 2023-07-11 Dürer's Lost Masterpiece tracks the history of a turning point in the career of the celebrated German artist Albrecht Dürer 1471-1528 when he stopped painting altarpieces after arguing with a merchant patron over payment As an eloquent homage to Dürer's life it brings us closer to the creation and meaning of his paintings than ever before Dürer's Lost Masterpiece considers the celebrated German artist Albrecht Dürer 1471-1528 his time and his legacy It tracks the history of a crucial and often overlooked turning point in his career when Dürer stopped painting altarpieces after falling out with the Frankfurt merchant Jacob Heller over a commission The story of this painting as Dürer's lost masterpiece functions as a lens through which to view the new relationship developing between art collecting and commerce in Europe up to the Thirty Years War 1618-1648 when global trade and cultural exchanges were increasing At the heart of the book is the argument that merchants and their mentalities were crucial for the making of Renaissance art and its legacy for modern art The book draws on a decade of research and uniquely draws the reader into the rich emotional worlds of three merchants each of whom typified the evolving relationship between art and commerce in that entrepreneurial and often ruthless age It brings to life Dürer's determined fight for creative makers to be adequately paid and explores the big questions about how European societies came to value the arts and crafts that remain relevant to our time      *The Lost Queen Anne* M Stott, 2020-03-30 As the only child of the Prince Regent and Caroline of Brunswick Princess Charlotte of Wales 1796-1817 was the heiress presumptive to the throne Her parents marriage had already broken up by the time she was born She had a difficult childhood and a turbulent adolescence but she was popular with the public who looked to her to restore the good name of the monarchy When she broke off her engagement to a Dutch prince her father put her under virtual imprisonment and she endured a period of profound unhappiness But she held out for the freedom to choose her husband and when she married Prince Leopold of Saxe-Coburg she finally achieved contentment Her happiness was cruelly cut short when she died in childbirth at the age of twenty-one only eighteen months later A shocked nation went into mourning for its people's princess the queen who never was      Incredible Hulk Epic Collection Roger Stern, 2024-07-31 Collects Incredible Hulk 1968 227-244 Incredible Hulk Annual 1968 7-9 Captain America 1968 230 Marvel Calendar 1979 material from Marvel Treasury Edition 1974 20-24 What hope lies within the mind of the man cursed by the Incredible Hulk Roger Stern and Sal Buscema seek the answer to that tragic question in this Epic Collection Of course ol' Jade Jaws will also have plenty to smash as he goes after Moonstone and gets wound up in a struggle with Machine Man Then the high-tech Goldbug needs the Hulk to find a lost city of gold And can Hulk stand up to a foe even bigger than he is Find out when he takes on It the Living Colossus Also featuring a trio of iconic Annuals boasting an all-time great Stern n Byrne collaboration the Hulk vs Sasquatch and the return of legendary Hulk artist Steve Ditko      The Minnesota Law Journal, 1896      **Eight Dramas of Calderon** Pedro Calderón
