Lost In Transmission? Nicholas Perrin, 2009-08-24 Bart Ehrman in his New York Times bestseller *Misquoting Jesus* claims that the New Testament cannot wholly be trusted Cutting and probing with the tools of text criticism Ehrman suggests that many of its episodes are nothing but legend fabricated by those who copied or collated its pages in the intervening centuries The result is confusion and doubt Can we truly trust what the New Testament says Now Wheaton College scholar Nicholas Perrin takes on Ehrman and others who claim that the text of the New Testament has been corrupted beyond recognition Perrin in an approachable compelling style gives us a layman's guide to textual criticism so that readers can understand the subtleties of Ehrman's critiques and provides firm evidence to suggest that the New Testament can indeed be trusted

Lost in Transmission Wil McCarthy, 2020-12-01 EXILED FROM IMMORTALITY The third entry in McCarthy's groundbreaking mind bending Queendom of Sol series back in print Brash and idealistic they were rebels without a cause in a world governed by science reason and immortality Banished for their troubles to the starship Newhope they now face a bold future to settle the worlds of Barnard's Star Now King Bascal Edward de Towaji Lutui former prince of the Queendom of Sol together with Captain Xiomara Xmary Li Weng and her lover first mate Conrad Mursk face a perilous voyage with thousands of their fellow exiles The journey will last a century but with Queendom technology it's no problem to step into a fax machine and print a fresh youthful version of yourself But what this crew of rebels will find is far from the paradise they seek Before long their optimistic young colony has started to show signs of strain And worst of all death itself has returned with a vengeance

Lost in Transmission? The Effectiveness of Monetary Policy Transmission Channels in the GCC Countries Mr. Serhan

Cevik, Ms. Katerina Teksoz, 2012-07-01 This paper empirically investigates the effectiveness of monetary policy transmission in the Gulf Cooperation Council GCC countries using a structural vector autoregressive model The results indicate that the interest rate and bank lending channels are relatively effective in influencing non hydrocarbon output and consumer prices while the exchange rate channel does not appear to play an important role as a monetary transmission mechanism because of the pegged exchange rate regimes The empirical analysis suggests that policy measures and structural reforms strengthening financial intermediation and facilitating the development of liquid domestic capital markets would advance the effectiveness of monetary transmission mechanisms in the GCC countries *Jade & Echo: Love Lost in Transmission. Jonathan Harley, 2013-08-01 A funny and moving memoir of a young journalist on a mission to make sense of life in a part of the world that never makes sense I grew up with lessons of Australian men as hardy practical types strong and stoic They went off to war for years in jungles and deserts and never had the need or time to talk about it when they came home I haven't even fought a war merely skirted its edges But if Khurram is right and the soul can only travel at camel's speed then mine has a lot of catching up to do When Jonathan Harley is finally offered his dream job as a foreign correspondent he is suddenly no longer so sure he wants it He's just fallen in love hard But he can't pass up the chance of becoming the ABC's man in South Asia and the adventure of a lifetime Lost In Transmission is his funny moving and thoroughly entertaining account of what it's really like not only to be a foreign correspondent but to be literally a stranger in an even stranger land struggling to make sense of life in a region that never makes sense As he finds and often fumbles his way around his new beat from his base in New Delhi across the wilds of India to Pakistan Nepal to Afghanistan and beyond to Iraq Harley shares the misadventures both hilarious and terrifying From covering India's endearingly over the top reaction to the demise of our beloved Don to being the only Australian journalist in Afghanistan on September 11 he throws us in the deep end with him as he lurches from one hair raising adventure to the next Whether he is laughing at himself or exposing the ugly face of war Harley shifts effortlessly between the serious the sublime and the ridiculous but his take is never less than searingly honest Part adventure part extreme travel Lost In Transmission is also a disarmingly intimate account of a young man growing up way faster than a camel can walk and confronting his humanity and sanity along the way It is also a story of long distance love and the true meaning of being lost and found *Electric Power Transmission*
