whose coded messages are at last deciphered to guide humanity to its future destiny **Nicholas Roerich** John McCannon, 2022-11-15 Russian painter explorer and mystic Nicholas Roerich 1874 1947 ranks as one of the twentieth century's great enigmas. Despite mystery and scandal he left a deep if understudied cultural imprint on Russia, Europe, India and America. As a painter and set designer, Roerich was a key figure in Russian art. He became a major player in Diaghilev's Ballets Russes and with Igor Stravinsky he cocreated *The Rite of Spring*, a landmark work in the emergence of artistic modernity. His art, his adventures and his peace activism earned the friendship and admiration of such diverse luminaries as Albert Einstein, Eleanor Roosevelt, H. G. Wells, Jawaharlal Nehru, Raisa Gorbacheva and H. P. Lovecraft. But the artist also had a darker side. Stravinsky once said of Roerich that he ought to have been a mystic or a spy. He was certainly the former and close enough to the latter to blur any distinction. His travels to Asia supposedly motivated by artistic interests and archaeological research were in fact covert attempts to create a pan-Buddhist state encompassing Siberia, Mongolia and Tibet. His activities in America touched Franklin Delano Roosevelt's cabinet with scandal and behind the scenes affected the course of three US presidential elections. In his lifetime, Roerich baffled foreign affairs ministries and intelligence services in half a dozen countries. He persuaded thousands that he was a humanitarian and divinely inspired thinker but convinced just as many that he was a fraud or a madman. His story reads like an epic work of fiction and is all the more remarkable for being true. John McCannon's engaging and scrupulously researched narrative moves beyond traditional perceptions of Roerich as a saint or a villain to show that he was in many ways both in equal measure *The Story of Jesus* William H. Kautz, 2012-04-10 THE STORY OF JESUS AN INTUITIVE ANTHOLOGY Many contemporary Christians suspect that there is more to Jesus and his enduring message than the little that has survived in historical writings and the legendary Christian tradition. This book offers a narrative account of Jesus' life from the perspective of twenty contemporary writers who have developed their natural intuitive abilities to an unusually high level. They are therefore able to bring forth new and detailed information not ordinarily accessible by historical or literary means. Some of them had demonstrated their unusual skill by probing deeply into the personal lives and minds of historical individuals other than Jesus, while some had provided important and detailed technical information which was then verified scientifically. They apply their intuitive skills here to uncover fresh information about the man Jesus, his contemporaries and his extensive teachings which never found their way into the New Testament Gospels and related historical documents. These new findings offer a much richer view of the man himself than that available from traditional Christian sources. They also provide illuminating insights and a deep spiritual understanding of Jesus' original and hidden teachings. *The Story of Jesus* is essential reading for all inquirers and seekers into these hidden and previously lost portions of Christian spiritual history **Hidden Truth** Kenneth R. Taylor, 2022-09-07 *Hidden Truth* by Kenneth R. Taylor *One Religion, One Faith in Christ's Crucifixion and the Prophecy of Mohammed* Imad Barake, 2014-10-31 This book explains my simple theory on monotheism and that God revealed only one religion to entire

humanity and its first message of that one religion started with Noah and ended with Mohammed God revealed to each prophet one aspect of that religion as humans evolved and developed over thousands of years until we got into Jesus Christ as a special messenger that has power and authority more than normal and simple prophets I am also arguing as a Muslim writer that the understanding of Quran by Muslim that Jesus was not crucified is simply wrong and the proof that I am offering is in Quran the holy book of Muslims Then in the book I am arguing that the current teaching of Islam as has been widely used and broadcasted through Muslim libraries TV shows etc is all outdated and caused complete departure from the true teaching of Quran In the final part of the book I am demonstrating that there are great areas of common values and teaching between the Bible and Quran and the differences are so little that Muslim should be encouraged to engage with Christians as they both share one religion

The Greatest Story Never Told Audrey Carr, 2013-12 The story of Jesus is well known worldwide But have you ever wondered if it is the true and complete story of the Savior Could there be more to the Son of God Author Audrey Carr addresses those questions in *The Greatest Story Never Told An Advanced Understanding of Christianity* She not only presents the real story of Jesus in which he did not die on the cross but also includes his unitary gospel of oneness with God that traditional Christianity has missed Quoting from highly documented scholarly works this story of Jesus incorporates Judaism Christianity Hinduism Buddhism and Taoism With details and maps of his many years in India Carr provides a photograph of his real tomb in Kashmir Carr also offers information about meditation techniques he practiced for Jesus was not a Christian but a Hindu Buddha The Kingdom of Heaven was his term for Enlightened Consciousness Unlike other scholarly books *The Greatest Story Never Told* is intended for the everyday person Readers will come away with a new meaningful life changing understanding of Jesus and his teachings Carr seeks to destroy what is false and resuscitate the real truth beyond all myths and she reveals the connections between major religions Spiritually uplifting and challenging *The Greatest Story Never Told* is for anyone who is ready for an advanced understanding of Jesus and all the other God men of the ages who have realized their divine identity
