Miriam Forman-Brunell, Leslie Paris

Major Problems In The History Of American Families And Children:

Major Problems in the History of American Families and Children Anya Jabour, 2005 Part of the Major Problems in American History series this text for courses in family history or history of childhood balances its discussion of marriage and gender relations with coverage on children and childhood Offering a thorough treatment of race ethnicity and class from colonial times to the present this edition grants sustained attention to Native Americans and Latinos Relating history to larger political events the text narrative balances coverage of public policy toward families with coverage of the experiences of family life

The Social History of the American Family Marilyn J. Coleman, Lawrence H. Ganong, 2014-09-02 The American family has come a long way from the days of the idealized family portrayed in iconic television shows of the 1950s and 1960s The four volumes of The Social History of the American Family explore the vital role of the family as the fundamental social unit across the span of American history Experiences of family life shape so much of an individual's development and identity yet the patterns of family structure family life and family transition vary across time space and socioeconomic contexts Both the definition of who or what counts as family and representations of the ideal family have changed over time Available in both digital and print formats this carefully balanced academic work chronicles the social cultural economic and political aspects of American families from the colonial period to the present Key themes include families and culture including mass media families and religion families and the economy families and social issues families and social stratification and conflict family structures including marriage and divorce gender roles parenting and children and mixed and non modal family forms and family law and policy Features Approximately 600 articles richly illustrated with historical photographs and color photos in the digital edition provide historical context for students A collection of primary source documents demonstrate themes across time The signed articles with cross references and Further Readings are accompanied by a Reader's Guide Chronology of American Families Resource Guide Glossary and thorough index The Social History of the American Family is an ideal reference for students and researchers who want to explore political and social debates about the importance of the family and its evolving constructions Key Themes Families and Culture Families and Experts Families and Religion Families and Social Change Families and Social Issues Problems Crises Families and Social Media Families and Social Stratification Social Class Families and Technology Families and the Economy Families in America Families in Mass Media Families Family Life Social Identities Family Advocates and Organizations Family Law and Family Policy Family Theories History of American Families

Rethinking the History of American Education W. Reese, J. Rury, 2007-12-25 This collection of original essays examines the history of American education as it has developed as a field since the 1970s and moves into a post revisionist era and looks forward to possible new directions for the future Contributors take a comprehensive approach beginning with colonial education and spanning to modern day while also looking at various aspects of education from higher education to curriculum to the manifestation of social inequality in education The essays

speak to historians educational researchers policy makers and others seeking fresh perspectives on questions related to the historical development of schooling in the United States *Children and Consumer Culture in American Society* Lisa Jacobson,2007-12-30 Children play a crucial role in today s economy According to some estimates children spend or influence the spending of up to 500 billion annually Journalists sociologists and media reformers often present mass marketing toward children as a recent fall from grace but the roots of children s consumerism and the anxieties over it date back more than a century Throughout the twentieth century a wide variety of groups including advertisers retailers parents social reformers child experts public schools and children themselves helped to socialize children as consumers and struggled to define the proper boundaries of the market The essays and documents in this volume illuminate the historical circumstances and cultural conflicts that helped to produce shape and legitimize children s consumerism Focusing primarily on the period from the Gilded Age through the twentieth century this book examines how and why children and adolescents acquired new economic roles as consumers and how these new roles both reflected and produced dynamic changes in family life and the culture of capitalism This volume also reveals how children and adolescents have used consumer goods to define personal identities and peer relationships sometimes in opposition to marketers expectations and parental intentions *The American Family* David Peterson del Mar,2011-11-07 Traces the movement from mutualism to individualism in the context of American family life Families survived or even flourished during colonization Revolution slavery immigration and economic upheaval In the past century prosperity created a culture devoted to pleasure and individual fulfilment **Inventing the Modern American Family** Isabel Heinemann,2012-05 Family is the foundation of society and debates on family norms have always touched the very heart of America This volume investigates the negotiations and transformations of family values and gender norms in the twentieth century as they relate to the overarching processes of social change of that period By combining long term approaches with innovative analysis *Inventing the Modern American Family* transcends not only the classical dichotomies between women s studies and masculinity studies but also contribute substantially to the history of gender and culture in the United States **Major Problems in the History of American Workers** Eileen Boris,Nelson Lichtenstein,1991 *The Girls' History and Culture Reader* Miriam Forman-Brunell,Leslie Paris,2011 Provides scholars instructors and students with the most influential essays that have defined the field of American girls history and culture and addresses topics ranging from diary writing and toys to prostitution and slavery from cover *Youth Cultures in America* Simon J. Bronner,Cindy Dell Clark,2016-03-21 What are the components of youth cultures today This encyclopedia examines the facets of youth cultures and brings them to the forefront Although issues of youth culture are frequently cited in classrooms and public forums most encyclopedias of childhood and youth are devoted to history human development and society A limitation on the reference bookshelf is the restriction of youth to pre adolescence although issues of youth continue into young adulthood This encyclopedia addresses an academic audience of professors and students in childhood

studies American studies and culture studies The authors span disciplines of psychology sociology anthropology history and folklore The Encyclopedia of Youth Cultures in America addresses a need for historical social and cultural information on a wide array of youth groups Such a reference work serves as a corrective to the narrow public view that young people are part of an amalgamated youth group or occupy malicious gangs and satanic cults Widespread reports of bullying school violence dominance of athletics over academics and changing demographics in the United States has drawn renewed attention to the changing cultural landscape of youth in and out of school to explain social and psychological problems

Children and Youth During the Gilded Age and Progressive Era James Marten, Paula S Fass, 2018-05-15 In the decades after the Civil War urbanization industrialization and immigration marked the start of the Gilded Age a period of rapid economic growth but also social upheaval Reformers responded to the social and economic chaos with a search for order as famously described by historian Robert Wiebe Most reformers agreed that one of the nation's top priorities should be its children and youth who they believed suffered more from the disorder plaguing the rapidly growing nation than any other group Children and Youth during the Gilded Age and Progressive Era explores both nineteenth century conditions that led Progressives to their search for order and some of the solutions applied to children and youth in the context of that search Edited by renowned scholar of children's history James Marten the collection of eleven essays offers case studies relevant to educational reform child labor laws underage marriage and recreation for children among others Including important primary documents produced by children themselves the essays in this volume foreground the role that youth played in exerting agency over their own lives and in contesting the policies that sought to protect and control them
