accomplishments and greatness The principles written in this book are laws that govern health wealth and happiness This book has everything you need to know from positive Attitude to unquenchable Zeal Success is not a game of chance but of principles which must be worked out Winners and Champions have a certain mindset which is different from that of failures In this book you will learn how to acquire the achievers mentality and program yourself for success and prosperity This book is a must read for leaders dreamers entrepreneurs statesmen parents students ministers and those that aspire for greatness Your dream can come to pass if you will only take time to understand and apply the principles written in this book **How to Succeed in Life!** Timothy Malone,2010-03-22 This book will help you to find your way through the complex maze of life This book will help you to set goals and make your dreams come true This book will help to empower you to take control over your life by taking control of your mind This book is all about LOVE **Why Not Win?** Larry Thornton,2019-04-01 Aspiring business owners and executives seeking to climb to the next rung young to mid career professionals seeking tools for life achievement and general readers interested in biographies of successful people will like Larry Thornton s Why Not Win The book is a front row seat to how one man altered his thinking to transform his life The book begins with his growing up with brown skin in the 1960s in segregated Montgomery Alabama A desegregation school pioneer Thornton was a classroom failure until a perceptive English teacher showed him he had value and encouraged him to go to college Like the educator who changed his life Thornton became a classroom teacher But budget cuts took his job and he decided to rewrite his story using his artistic talent Thornton s artistry and work ethic got him attention at Coca Cola both for the good and the bad He had to figure out a way to navigate this new world where higher ups praised him but co workers reminded him of his blackness by drawing a noose in his workstation He persevered by learning to appreciate and embrace diversity people resources and conflicting opinions While his success grew at Coca Cola Thornton did the unthinkable set out to be the first African American to own a McDonald s franchise in Birmingham This thorny journey was peppered with threats attempts to thwart his mission and a marriage he could not keep from falling apart He absorbed the try try and try again motto and came to see that failure was a prelude to feasting upon the sweet fruit of success Thornton s own mother never had a checking account but years after her passing he found himself on the board of directors for a major financial institution He slowly became a part of a small fraternity of captains of industry and fought past guilt and insecurity to pave the way for others who look like him to join him at the table Trying to fit into this new world he learned that Thank you Please and Excuse me are perhaps three of the most powerful phrases in communication Thornton made up his mind that he would spend each day on a mission to show his unbending gratitude for his life and its benefits by fostering a supreme attitude and maintaining consistency in vision purpose and an unwavering commitment to principles Thornton s journey from Madison Park Montgomery has been a long one Why Not Win reflects on his most useful lessons and the anecdotes associated with them If he were a Zen monk his koan might well be Plan your past By that he means think ahead one day one week one year even

twenty years out and decide today your desired outcome and work for it Thank God for memories he says Let s plan to make them pleasant ones

A User'S Guide to Your Mind Volume Ii How to Win in Love & Get Along with Each Other

Michael Ra Bouchard,2011-11-21 Thoughts are very real things They can be compared to the elements that create the weather we experience From clear and sunny to overcast and dreary your thought machine mind creates your reality Whether or not you are consciously aware of it you alone control the angles and rotations of the kaleidoscopic mirrors within the workings of your mind If you dont like your reality you can always adjust your outlook simply by adjusting your way of thinking One of lifes mercies is that we can retrain our mind This guide is an appeal for rational thinking When all is said and done there are only three fundamental areas over which you have any real control in your life how you think feel as in two sides of the same coin how you act and how you react When you are unhappy in life or love the best place to start looking for both the cause and the cure is within the inner narrative of your thoughts It is here you will find the fountainhead of resiliency from which your strength and well being flow Resiliency in people is not an accidental occurrence rather it is the cumulative effect of an individuals decision making In a nutshell humans need not always interpret things in the negative instead the choice to view things either as a positive or as a negative is entirely your own to make The intelligent approach insists you strive to see both the positive and the negative in people situations and events Doing so wont negate the negative it simply helps to balance it The knowledge contained in A Users Guide to Your Mind is threefold how to live mindfully of your thoughts how to exercise emotional intelligence in relationships and how to exercise social intelligence in everyday life Exercising social and emotional intelligencealong with good old common senseis essential to soundly managing your thoughts feelings and behaviors If you are tired of just talking about making changes and are now actually prepared to do something about it the guidance within will provide detailed blueprints to get you started in redesigning your life and relationships Best of all you can implement what you learn as you see fit according to your own goals value system and moral principles This book shows you how
