Make It Balance:

Make it Balance.by David Evans and Claudette William,. David Evans, **Make It Balance** David Evans,Claudette Williams,1992 **Million Wings** Dr. Surinder Kansala,2016-01-08 It is not another book on global idealism only rather is a visionary book of realistic global balance of human hearts and minds to expand human happiness It refines the concepts of heartfelt happiness to fulfill dreams and desires in a harmonic coordination with the rest of the world may it be anything ranging from birth to death desires to spirituality food to sex education to occupation love affairs to flirtiness family to politics science to the God etc Human happiness needs human ways of happiness not only the idealistic guidelines The basic fundamental strategy is to widen the comfort zone of human to the maximum range by raising the freedom to highest possible levels and reducing the responsibilities to minimum possible limits the book gives a common humanistic base to all of the idealistic standards of the world and declares the actual human behavior capacities and limitations as a minimum criteria to be followed to achieve human happiness My dear friends Million Wings supports motivates and guides every human being on the earth to fly with a smile in the sky of his dream life **Explore Gravity!** Cindy Blobaum,2014-01-07

How can something that grounds us and keeps us here on this earth be so invisible and mysterious We re not talking about anything abstract and undetectable We re talking about GRAVITY Gravity is a force that affects everyone and everything Gravity is something we can easily understand even kids especially if they have the right tools to teach them Explore Gravity With 25 Great Projects will introduce kids ages 6 9 to the basics of gravity including concepts of matter attraction and gravitational pull Projects include creating a working model of a scale to learn what weight really means and how it s affected by gravity By playing with various weights to make a marvelous mobile readers learn about the center of balance and how martial artists use this knowledge to throw their weight around All the projects in this book are easy to follow require little adult supervision and use commonly found household products many from the recycling box The fun facts trivia jokes comics and hands on activities will help kids discover the captivating science of gravity Furthermore the informational text and hands on activities will excite kids about STEM the interrelated fields of science technology engineering and math

Live More, Work Better Gayle Hilgendorff,2015-07-21 Gayle Hilgendorff had it all and the workaholic stress and anxiety to prove it After twenty one years in Human Resources for a Fortune 500 company she realized that her work life balance leaned more toward work than life So she did something about it not by giving it all up but by finding a way to have more Do you worry constantly about how others perceive your performance Does the idea of taking time off stress you out more than relax you Have you lost yourself in your work family obligations and forgotten YOU If any of those sound familiar Gayle is here to help you start on your work life detox This is not the story of someone who woke up one morning and turned her back on all she had earned Gayle simply made small changes on a daily basis to create a true balance while still keeping the power and prestige she had worked so hard to gain And now she wants to help you do the same The pragmatic tips and suggestions

combined with the wit of someone who has gone through exactly what you're going through right now make this an unexpectedly enjoyable read Better yet It's short and to the point This is not a nine week series a trip to a meditation retreat or a simple feel good moment This is a book you can read in a few hours act on tomorrow and enjoy immediate results If you're ready to see what your life could be like living in balance what are you waiting for Get out your pen and some Post-it notes and get to work Book jacket
