Aageson, 2020-07-24 For all who know the security of home in all its iterations and for those who don't finding home is complicated Home always is characterized by joy and sorrow grief and gladness the realities of complicated lives What is it like to flee the horrors of war as a refugee in search of home When daily life is unbearable what exactly does home mean How do we learn to be at home in our bodies at home with ourselves What does it mean to be made in the likeness of the Holy One Can we find home in the company of strangers and how do we reclaim our earth home So many images swim just below the surface of my memory all the houses where I came to know home It takes little to retrieve them a shared story the pungent smell of tide flats the sound of rain on a tin roof But home of course is much more than houses These reflections invite readers to explore identity the

importance of rootedness discovering home away from home what it means to be home for one another Finding home literally and metaphorically is challenging *Making Room at the Table* Brian K. Blount, Leonora Tubbs Tisdale, 2000-01-01 The church is not exempt from cultural divisions and battle lines are drawn today over issues related to culture and worship This collection of articles by faculty members at Princeton explore the multicultural challenges facing the contemporary church about worship and include discussions of cultural perspectives liturgical elements youth and worship and theological fidelity amidst differing cultural traditions **Ways of Meeting and the Theology of Religions** David Cheetham, 2016-02-24 Exploring the different points of view and tones of voice adopted in theology for the meeting of religions this book presents a contemporary philosophical and theological engagement with key issues of how different faiths might meet of comparative philosophy of religion of the use of aesthetics of inter religious ethics and issues relating to the self Providing a critical evaluation of contemporary liberal post liberal and conservative voices and an engagement with movements such as Radical Orthodoxy and Scriptural Reasoning to mention a few this book highlights the use of the creative imagination and explores new ideas for the meeting of religions **Blogging Towards Bethlehem** Eugene Kennedy, Ronald Bailey, 2007 In one sense this book examines the events we witnessed together during the first years of this century In another sense it is about everything we did not see but experienced anyway These blogs chart the eternal we enter every day even if we do not recognize it or cannot give it a name These reflections open us to the timeless myths in which we all participate and to the wonder far greater than the wonders all around us Seeking ecstasy is of course a natural human activity a clear signal about our nature our transcendent possibilities and the fact that although the poet speaks of the measure of man there is no measurement that adequately sums up the human person Although a pseudo ecstasy is for sale in various venues real ecstasy is available free everywhere in ordinary life Book jacket [Cherish Christ Above All](#) Demetrius Dumm, 1996 The Bible in the Rule of Benedict Demetrius Dumm OSB A noted scholar and spiritual writer explores the rich scriptural roots of the Rule of Benedict which while primarily monastic has much value for any Christian who wants to live more fully in the presence of God and in union with Christ **Queer God de Amor** Miguel H. Díaz, 2022-09-13 *Queer God de Amor* explores the mystery of God and the relationship between divine and human persons It does so by turning to the sixteenth century writings of John of the Cross on mystical union with God and the metaphor of sexual relationship that he uses to describe this union Juan s mystical theology which highlights the notion of God as lover and God s erotic like relationship with human persons provides a fitting source for rethinking the Christian doctrine of God in John s own words as un no s qu an I know not what In critical conversations with contemporary queer theologies it retrieves from John a preferential option for human sexuality as an experience in daily life that is rich with possibilities for re sourcing and imagining the Christian doctrine of God Consistent with other liberating perspectives it outs God from heteronormative closets and restores human sexuality as a resource for theology This outing of divine queerness that is the ineffability of
