The Oxford Edition of the Sermons of John Donne, Volume VII Peter McCullough, Erica Longfellow, 2024-12-11
Volume VII of The Oxford Edition of the Sermons of John Donne gathers sermons preached by Donne at different venues for the related liturgical occasions of marriages christenings and the churching of women after childbirth The volume contains ten sermons seven of them undated and in the case of the christening sermons also for parties unknown one of the two churching sermons survives only in an authorially revised state as two separate but obviously coeval sermons Longfellow and McCullough establish that these sermons were preached across almost the whole of Donne s preaching career from among his earliest ca 1615 16 to 1627 four years before his death In each case an authoritative text has been established by freshly collating multiple copies of the seventeenth century print editions as well as multiple manuscript copies which predate the print witnesses For the first time these sermons appear with full critical apparatus The Introduction provides the first dedicated account of the place of sermons in the social liturgical and theological contexts of these occasions in post Reformation England A headnote to each sermon describes its textual state and supplies local historical social and intellectual context and suggestions for further reading Extensive commentaries document Donne s use of sources both acknowledged and unacknowledged translate passages in foreign languages and gloss important and unfamiliar words Although largely neglected by previous scholarship these sermons emerge here as unique the only known sermons for churchings challenging for views on women and marriage more conservative than many of Donne s contemporaries and as evidence of Donne s Calvinist sacramental theology and his anti Catholicism They are also fine examples of Donne s skill in crafting emotionally compelling sermons suited to the unique demands of both occasion and auditory *What God Can Do with A Lady - Breaking the Barriers of Gender Limitation to Fulfill Your Destiny* Maikh Etto, 2009-02-27 Before you were formed in your mother s womb before your sex was ever determined God knew you and had plans for you So what God can do with you is not determined by your sex Your gender is not a source of limitation in your life though tradition and religion makes you believe so God did not place a limit on you by creating you female God has not placed any spiritual limitation on you Your being born female was not a congenital abnormality neither was it an accident Femininity is not a congenital abnormality In this mind blowing and wisdom imparting book Maikh Etto shares life changing insights from scriptures that every lady need to read This is an empowerment manual for any lady who desires to fulfill her destiny and thereby become fulfilled with her life Every Lady Need To Read This Book Someone You Know Need To Read This Book Someone You Love Need To Read This Book Notes, critical, illustrative and practical, on the Book of Job: With a new translation, and an introductory dissertation by Albert Barnes ,1847 *The Sermons and Other Practical Works of R.
