Dorazil, 2024-10-15 The youngest get the short end of the stick when situations appear Many times the youngest are seen as a nuisance that no one wants to hear from because it is often thought They don't know anything about the outside world That is what I perceived as a young child Little does everyone know that the youngest such as myself know more than what they get credit for by just knowing information There are narratives that have been spread from those closest to me even before I can remember Those points of view only produce parts of what I think or feel It has been years listening and closing my mouth even if it seemed like I had no problem stating my opinions I am ready to say Enough is enough Now is the time for myself to state the narrative that I have been longing to say without any interruptions Are you able to handle my narrative

grief Once something is done it cannot be undone Money is not the root of all evil the love of money is what causes the evil
Let peace be still It is hard to make peace once the war gets started The same thing that makes you laugh will be the same
thing that makes you cry Be careful of what makes you happy Warning always comes before destruction it is just a matter of
taking heed to the warning Loaning money will cause the best of friends to part company and become enemies Never loan
more than you are willing or can afford to lose He who shuts his ears and believes he knows everything is a fool There is a
new lesson to be learned every day we live There are many more quotes and short stories inside to help you live a godly life

spiritually insightful suggestions and interviews **OLR Index**, 1977 *POPPY* Pennel P. & James J. - Irwin, 2016-01-23 14
May 1952 POPPY Pen takes us back to both he and my childhood fifty years ago with our great grandfather Poppy Though he
has changed the names of the characters slightly my middle name is John and my sister's middle name is Louise and so on
ostensibly it was the summer that Pen came of age From the innocent young boy to the youth of a young man experiencing
the first close human's passing and the nature of things around him Pen reveals in very poetic descriptive phrases new
discoveries and wonders of a farm life for a young city boy and his relationship with his great grandfather Pen alias Lanny a
nick name he donned as he was known when he was young brings us into a life that is replete with adventures that boys even
today experiences as emotional tidbits of life Many of these adventures and experiences I too have shared along with this
special bond that Poppy had with his great grandchildren Pennel Pen has always been a dreamer of stories and held these
thoughts as precious gems to be admired and it was not a surprise to me that when he reached adulthood he choose to be a
journalist and a writer and teacher What could be more natural for a boy to hone these skills in the fresh environment of farm
life Indeed there is something very special and magical between a Great Grand Parents and their grandchildren I suppose its
because in our childhood days there simply wasn't that many around They teach wisdom from life's experiences in ways that
can only be taught from a person that has lived as long as they In Loving Memory James
