Serialization, Commercialization and the Children's Classics Amy Webster, 2024-12-12 An exploration of the serialization of children s classics by contemporary publishers this book digs into the impact of the practice and provides new

ways of reading the corpus of British children's literature from the 20th century Amy Webster demonstrates how publishers select texts for their series which texts they omit which outliers are sometimes included and how a core group of works from the golden age of children's literature emerged The text also examines how texts are abridged and transformed from publisher to publisher through close readings of *The Wind in the Willows* and *Alice's Adventures in Wonderland* and how the repackaging of works within a series highlight issues and choices tied to key paratextual elements Analysing data through distant reading and close reading of series from Ladybird Longman Puffin and Walker Illustrated editions this book sheds light on how modern classics series are marked by variation and instability but also a reductive homogeneity Through her use of quantitative and text focused research Webster reveals how commercial motivations have created a gulf between the canonical concepts of the classic and how the term functions as a marketing tool in British children's publishing With notions of what counts as a classic compromised and complicated this book leads the call for a critical approach towards both the term classic and to reading children's classics that acknowledges how they are tied to the commercial enterprises of the children's book business

I for Isobel Amy Witting, 2014-01-29 Winner of the Barbara Ramsden Prize 1990 This was life no sooner had you built yourself your little raft and felt secure than it came to pieces under you and you were swimming again Born into a world without welcome Isobel observes it as warily as an alien trying to pass for a native Her collection of imaginary friends includes the Virgin Mary and Sherlock Holmes Later she meets Byron W H Auden and T S Eliot Isobel is not so much at ease with the flesh and blood people she meets and least of all with herself until a lucky encounter and a little detective work reveal her identity and her true situation in life *I for Isobel* a modern day Australian classic was followed by *Isobel on the Way to the Corner Shop* winner of the Age Book of the Year Award Amy Witting was born in Annandale an inner suburb of Sydney in 1918 She attended Sydney University then taught French and English in state schools Beginning late in life she published six novels including *The Visit* *I for Isobel* *Isobel on the Way to the Corner Shop* and *Maria's War* two collections of short stories two books of verse *Travel Diary* and *Beauty is the Straw* and her *Collected Poems* When we come to write the history of Australian writing in the twentieth century the strange case of Amy Witting will be there to haunt us Here is a writer who not only has great gifts the kind of expert and mimetic gifts that would impel instant recognition from someone who admired a fine lined American naturalist like William Maxwell but a realist who has an effortless immediacy and a compelling sense of drama that should have ensured the widest kind of appeal the sort of appeal that Helen Garner could command in her fiction writing days And yet this woman who published in the *New Yorker* and commanded the respect of Kenneth Slessor was scarcely encouraged during the long grey sleep of Australian fiction publishing It wasn't until the publication of *I for Isobel* that Witting gained a national profile Peter Craven Australia's Amy Witting is comparable to Jean Rhys but she has more starch or vinegar The effect is bracing *New Yorker* *Isobel* is instinctively searching for a lost part of her substance the very memory of which has been obliterated Prompted by her inexplicable sense of loss she goes on her way

deviating baffled yet rejecting substitutes To call the ending happy is to say both too much and too little Was the lost part also searching for her Amy Witting s admirers will find this novel as distinctive and compelling as her stories and her poetry Jessica Anderson Witting lays bare with surgical precision the dynamics of families sibling students in coffee shops office coteries One sometimes feels positively winded with unsettling insights There is something relentless almost unnerving in her anatomising of foibles fears obsessions private shame the nature of loneliness the nature of panic Janette Turner Hospital A beautifully but unobtrusively honed style a marvellous ear for dialogue a generous understanding of the complex waywardness of men and women Andrew Riemer Terrific incredibly wise When I finished it I went straight back to the first page Cate Kennedy

[The Classic Collection of Willa Cather. Pulitzer Prize 1923. Illustrated](#) Willa Cather, 2025-04-08 Willa Sibert Cather was an American writer known for her novels of life on the Great Plains including *O Pioneers*, *The Song of the Lark*, and *My Antonia*. In 1923 she was awarded the Pulitzer Prize for *One of Ours*, a novel set during World War I. Cather admired Henry James's use of language and characterization. While Cather enjoyed the novels of several women including George Eliot, the Brontës, and Jane Austen, she regarded most women writers with disdain, judging them overly sentimental. One contemporary exception was Sarah Orne Jewett, who became Cather's friend and mentor. Jewett advised Cather of several things to use female narrators in her fiction, even though Cather preferred using male perspectives to write about her own country. *O Pioneers* was dedicated in large part to Jewett and to write fiction that explicitly represented romantic attraction between women. Cather was also influenced by the work of Katherine Mansfield, praising in an essay Mansfield's ability to throw a luminous streak
