without Wesley's driving away her would be human suitors O'Brien also brings us inside the prestigious research community a kind of scientific Hogwarts where resident owls sometimes flew freely from office to office and eccentric brilliant scientists were extraordinarily committed to studying and helping animals all of them were changed by the animal they loved As O'Brien gets close to Wesley she makes important discoveries about owl behavior intelligence and communication coining the term The Way of the Owl to describe his inclinations he did not tolerate lies held her to her promises and provided unconditional love though he was not beyond an occasional sulk When O'Brien develops her own life threatening illness the biologist who saved the life of a helpless baby bird is herself rescued from death by the insistent love and courage of this wild animal Enhanced by wonderful photos Wesley the Owl is a thoroughly engaging heartwarming often funny story of a complex emotional non human being capable of reason play and most important love and loyalty It is sure to be cherished by animal lovers everywhere
