Making Of A Great Jewish Leader:

The Making of a Great Jewish Leader Pinchas Winston,1993

Masculinity and the Making of American Judaism

Sarah Imhoff,2017-03-13 An examination of how early twentieth century American Jewish men experienced manhood and presented their masculinity to others How did American Jewish men experience manhood and how did they present their masculinity to others In this distinctive book Sarah Imhoff shows that the project of shaping American Jewish manhood was not just one of assimilation or exclusion Jewish manhood was neither a mirror of normative American manhood nor its negative effeminate opposite Imhoff demonstrates how early twentieth century Jews constructed a gentler less aggressive manhood drawn partly from the American pioneer spirit and immigration experience but also from Hollywood and the YMCA which required intense cultivation of a muscled male physique She contends that these models helped Jews articulate the value of an acculturated American Judaism Tapping into a rich historical literature to reveal how Jews looked at masculinity differently than Protestants or other religious groups Imhoff illuminates the particular experience of American Jewish men There is so much literature and very good scholarship on Judaism and gender but the majority of that literature reflects an interest in women A hearty thank you to Sarah Imhoff for writing the other half of the story and for doing it so elegantly Claire Elise Katz author of Levinas and the Crisis of Humanism Invariably lucid and engaging Sarah Imhoff provides a secure foundation for how religion shaped American masculinity and how masculinity shaped American Judaism in the early twentieth century Judith Gerson author of By Thanksgiving We Were Americans German Jewish Refugees and Holocaust Memory

The Zionist Review ,1920 The Christian Leader ,1926 **Jews Don't Need Jesus. . .and other Misconceptions** Avi Snyder, 2017-05-02 A debate that s 2 000 years old and running Do Jews need Jesus It s an age old debate with eternal ramifications If Jesus is not the Jewish Messiah if He is not the savior of the world if He is not the promised redeemer God sent to restore Israel and redeem the nations Isaiah 49 6 then bringing His message to the Jewish people is a grave threat to their security But if He is the prophet God promised to raise up if God did indeed command Israel to follow Him and if the Jews will be held accountable by God if they don t accept Jesus then sharing His message is beyond imperative Jesus is either Lord of all or not Lord at all The stakes couldn t be higher Jews Don t Need Jesus and Other Misconceptions settles this dispute with biblical evidence It argues that believing in Jesus isn t apostasy it s obedience and it leads to eternal blessing That s what makes this book critical for Jewish people or anyone in gospel ministry to the Jews The Holocaust Averted Jeffrey S. Gurock, 2015-04-03 The increasingly popular genre of alternative histories has captivated audiences by asking questions like what if the South had won the Civil War Such speculation can be instructive heighten our interest in a topic and shed light on accepted history In The Holocaust Averted Jeffrey Gurock imagines what might have happened to the Jewish community in the United States if the Holocaust had never occurred and forces readers to contemplate how the road

to acceptance and empowerment for today's American Jews could have been harder than it actually was. Based on reasonable alternatives grounded in what is known of the time, places and participants, Gurock presents a concise narrative of his imagined war time saga and the events that followed Hitler's military failures. While German Jews did suffer under Nazism, the millions of Jews in Eastern Europe survived and were able to maintain their communities. Since few people were concerned with the safety of European Jews, Zionism never became popular in the United States and social antisemitism kept Jews on the margins of society. By the late 1960s, American Jewish communities were far from vibrant. This alternate history, where among many scenarios Hitler is assassinated, Japan does not bomb Pearl Harbor, and Franklin Delano Roosevelt is succeeded after two terms by Robert A. Taft, does cause us to review and better appreciate history. As Gurock tells his tale, he concludes every chapter with a short section that describes what actually happened and thus further educates the reader.

The Jewish Veteran, 1943 The Year Mom Got Religion Lee Meyerhoff Hendler, 2012-06-07 An inspiring, frank and engaging spiritual autobiography that will touch anyone seeking deeper meaning in their religious life. As we come to recognize the need to nurture our spiritual lives as adults, *The Year Mom Got Religion* offers sensitive and intelligent wisdom from a woman who learned how awakening to religion can transform and disrupt a life. Lee Meyerhoff Hendler relates her awakening to Judaism. She also shares the hard lessons and realizations she confronted during the process. Her journey of the spirit is a powerful reminder that anyone at any moment can fully embrace faith and meet every one of the challenges that occur along the way. A poignant personal testimony of the discoveries, achievements and disappointments of a woman's renewed commitment to her faith and how her personal transformation deeply affected her lifestyle and relationships. Born into a wealthy and prestigious family, Lee Meyerhoff Hendler was surrounded by privilege and was a rising leader in the Jewish community. Despite her prominence, she realized that something was lacking and that Judaism needed to be more about spiritual fulfillment and relating to God than about simply writing checks to important causes or sitting on the boards of distinguished organizations. Hendler discovered a void in her life that only Judaism could fill. She embarked upon a journey that took her through intensive study, regular synagogue attendance, renewed dedication to Jewish communal service, squabbles with her children about attending religious school, and quarrels with her husband about religion's sudden role in their daily lives. If you are seeking deeper spiritual meaning in your life or are close to someone who has embarked upon a similar journey, *The Year Mom Got Religion* offers candid and intelligent words of encouragement for the soul. Days of Remembrance, April 26-May 3, 1992, 1992 *Political Theologies in the Holy Land* David Ohana, 2009-10-16 This book examines the role of messianism in Zionist ideology from the birth of the Zionist movement through to the present. It shows how messianism is not just a religious or philosophical term but a very tangible political practice and theology which has shaped Israeli identity. The author explores key issues such as the current presence of messianism in the Israeli public sphere and the debates with Jewish settlers in the occupied territories after the 1967 war, the difference between transcendental

messianism and promethean messianism the disparity between the political ideology and political practice in the history of Israel the evolution of the messianic idea in the actions of David Ben Gurion the debate between Martin Buber Gershom Scholem Isaiah Leibowitz J L Talmon and other intellectual figures with Ben Gurion the implications of political theology and the presence of messianic ideas in Israeli politics As the first book to examine the messianism in Israeli debate since the creation of the Israeli state it will be particularly relevant for students and scholars of Political Science modern intellectual history Israel studies Judaism and messianism *Adult Leader* ,1928 *The Peculiar People* ,1888 *Primary Steps in Religious Education for the Caribbean Book 3* Michael Keene,Dennis McKoy,2004 Primary Steps in Religious Education for the Caribbean is a new series which introduces 7 to 11 year olds to the major world religions as well as some of the faith groups indigenous to the Caribbean how they came to the region and how all the faiths are relevant today **Grace in the Book of Romans** Mike Mazzalongo,2016-12-14 The grace of God is powerfully revealed and described in the story of Jesus death burial and resurrection and nowhere is the grace of God more eloquently explained than in the book of Romans *National Message and Banner* ,1925 **The New Jewish Leaders** Jack Wertheimer,2011 A riveting study of a generational transition with major implications for American Jewish life
