Making Of Victorian Sexuality

Leonore Davidoff

Making Of Victorian Sexuality:

The Making of Victorian Sexual Attitudes Michael Mason, 1994 Victorian sexual moralism was real enough but what was its nature The Victorians are often called puritanical with the implication that their sexual moralism was religiously based It was opposed we like to think by freethinkers and progressives and perhaps also by the working class Michael Mason has already pointed to the fallacy of such views in his previous volume *The Making of Victorian Sexuality* Here he develops his revisionist account of Victorian sexual ideology and shows that to be Victorian about sex was actually in its day to be progressive optimistic and modern minded Religious beliefs even in militant form were only a support for an essentially secular ideal The Victorian anti sensual coalition did break down at the end of the century but the liberationists were old fashioned reformers who were often bitterly resisted by for example socialists and feminists This novel and provocative analysis is developed in a series of detailed portraits of crucial movements episodes and individuals the Swedenborgians Henry James Prince Baron Renton Nicholson the Vice Society prostitute rescue Owenism neo Malthusianism and many more A formidable array of evidence is assembled for views which strike at the root of conventional wisdom about the English nineteenth century *The Making of Victorian Sexuality* Michael Mason, 1995 *The Making of Victorian Sexuality Attitudes* Michael Mason, 1994 **Sexual Restraint and Aesthetic Experience in Victorian Literary Decadence** Sarah Green, 2023-03-09 Can sexual restraint be good for you Many Victorians thought so This book explores the surprisingly positive construction of sexual restraint in an unlikely place late nineteenth century Decadence Reading Decadent texts alongside Victorian writing about sexual health including medical literature adverts advice books and periodical articles it identifies an intellectual Paterian tradition of sensuous continence in which healthy pleasure is distinguished from its harmful counterpart Recent work on Decadent sexuality concentrates on transgression and subversion with restraint interpreted ahistorically as evidence of repression sublimation or queer coding Here Sarah Green examines the work of Walter Pater Lionel Johnson Vernon Lee and George Moore to outline a co extensive alternative approach to sexuality where restraint figured as a productive part of the aesthetic life or a practical ethics shaped by aesthetic principles Attending to this tradition reveals neglected connections within and beyond Decadence bringing fresh perspective to its late nineteenth and twentieth century reception **Victorian Honeymoons** Helena Michie, 2006-12-21 While Victorian tourism and Victorian sexuality have been the subject of much critical interest there has been little research on a characteristically nineteenth century phenomenon relating to both sex and travel the honeymoon or wedding journey Although the term honeymoon was coined in the eighteenth century the ritual increased in popularity throughout the Victorian period until by the end of the century it became a familiar accompaniment to the wedding for all but the poorest classes Using letters and diaries of 61 real life honeymooning couples as well as novels from *Frankenstein* to *Middlemarch* that feature honeymoon scenarios Michie explores the cultural meanings of the honeymoon arguing that with its emphasis on privacy and displacement the honeymoon

was central to emerging ideals of conjugality and to ideas of the couple as a primary social unit **Prostitution, Women and Misuse of the Law** Helen J. Self, 2003 Focusing upon the 1950s and especially the 1957 Wolfenden Report Helen Self's study thoroughly exposes the sexual double standard and general misogynist assumptions underlying British legislation relating to prostitution *Thomas Hardy in Context* Phillip Mallett, 2013-03-18 This book covers the range of Thomas Hardy's works while providing a comprehensive introduction to his life and times *The Prostitute's Body* Nina Attwood, 2015-10-06 Attwood examines Victorian attitudes to prostitution across a number of sources medical literary pornographic **Modernity and Bourgeois Life** Jerrold Seigel, 2012-04-12 What does it mean to be modern In the nineteenth century a consensus emerged that Western Europe was giving birth to a new form of life in which bourgeois activities people attitudes and values played a key role Jerrold Seigel offers a magisterial account of the development of European modernity **Women's Studies** Linda Krikos, Cindy Ingold, 2004-08-30 This truly monumental work maps the literature of women's studies covering thousands of titles and Web sites in 19 subject areas published between 1985 and 1999 Intended as a reference and collection development tool this bibliography provides a guide for women's studies information for each title along with a detailed often evaluative review The annotations summarize each work's content its importance or contribution to women's studies and its relationship to other titles on the subject Core titles and titles that are out of print are noted and reviews indicate which titles are appropriate as texts or supplemental texts This definitive guide to the literature of women's studies is a must purchase for academic libraries that support women's studies programs and it is a useful addition to any academic or public library that endeavors to represent the field A team of subject specialists has taken on the immense task of documenting publications in the area of women's studies in the last decades of the 20th century The result is this truly monumental work which maps the field covering thousands of titles and Web sites in 19 subject areas published between 1985 and 1999 Intended as a reference and collection development tool this bibliography provides a guide for women's studies information for each title along with a detailed often evaluative review The annotations summarize each work's content its importance or contribution to women's studies and its relationship to other titles on the subject Most reviews cite and describe similar and contrasting titles substantially extending the coverage Core titles and titles that are out of print are noted and reviews indicate which titles are appropriate as texts or supplemental texts Taking up where the previous volume by Loeb Searing and Stineman left off this is the definitive guide to the literature of women's studies It is a must purchase for academic libraries that support women's studies programs and a welcome addition to any academic or public library that endeavors to represent the field **Sex Before the Sexual Revolution** Simon Szreter, Kate Fisher, 2010-10-14 What did sex mean for ordinary people before the sexual revolution of the 1960s and 1970s who were often pitied by later generations as repressed unfulfilled and full of moral anxiety This book provides the first rounded first hand account of sexuality in marriage in the early and mid twentieth century These award winning authors look beyond

conventions of silence among the respectable majority to challenge stereotypes of ignorance and inhibition Based on vivid compelling and frank testimonies from a socially and geographically diverse range of individuals the book explores a spectrum of sexual experiences from learning about sex and sexual practices in courtship to attitudes to the body marital ideals and birth control It demonstrates that while the era s emphasis on silence and strict moral codes could for some be a source of inhibition and dissatisfaction for many the culture of privacy and innocence was central to fulfilling and pleasurable intimate lives

Women and Literature in Britain 1800-1900 Joanne Shattock,2001-08-30 These new essays by leading scholars explore nineteenth century women s writing across a spectrum of genres The book s focus is on women s role in and access to literary culture in the broadest sense as consumers and interpreters as well as practitioners of that culture Individual chapters consider women as journalists editors translators scholars actresses playwrights autobiographers biographers writers for children and religious writers as well as novelists and poets A unique chronology offers a woman centered perspective on literary and historical events and there is a guide to further reading

Sex, Gender and Social Change in Britain since 1880 Lesley A. Hall,2017-09-16 Sexual attitudes and behaviour have changed radically in Britain between the Victorian era and the twenty first century However Lesley A Hall reveals how slow and halting the processes of change have been and how many continuities have persisted under a fa ade of modernity Thoroughly revised updated and expanded the second edition of this established text explores a wide range of relevant topics including marriage homosexuality commercial sex media representations censorship sexually transmitted diseases and sex education features an entirely new last chapter which brings the narrative right up to the present day provides fresh insights by bringing together further original research and recent scholarship in the area Lively and authoritative this is an essential volume for anyone studying the history of sexual culture in Britain during a period of rapid social change

The Book of Love James McConnachie,2008-05-27 An engaging enlightening biography of the ancient Hindu manuscript that became the world s most famous sex manual The Kamasutra is one of the world s best known yet least understood texts its title instantly familiar but its actual contents widely misconstrued In the popular imagination it is a work of practical pornography a how to guide of absurdly acrobatic sexual techniques Yet the book began its long life in third century India as something quite different a seven volume vision of an ideal life of urbane sophistication offering advice on matters from friendship to household decoration Over the ensuing centuries the Kamasutra was first celebrated then neglected and very nearly lost until an outrageous adventurer introduced it to the West and earned literary immortality In lively and lucid prose James McConnachie provides a rare intimate look at the exquisite civilization that produced this cultural cornerstone He details the quest of famed explorer Richard F Burton who along with his clandestine coterie of libertines and iconoclasts unleashed the Kamasutra on English society as a deliberate slap at Victorian prudishness and paternalism And he describes how the Kamasutra was driven underground into the hands of pirate pornographers until the end of the Lady Chatterley obscenity

ban thrust it once more into contentious daylight The first work to tell the full story of the Kamasutra The Book of Love explores how a remarkable way of looking at the world came to be cradled between book covers and survived **Thicker Than Water** Leonore Davidoff,2012 A pioneering new study of nineteenth century kinship and family relations focusing on the British middle class and highlighting both the similarities and the differences in relations between brothers and sisters in the past and in the present **The Origins of Sex** Faramerz Dabhoiwala,2012-05 A man admits that when drunk he tried to have sex with an eighteen year old girl she is arrested and denies they had intercourse but finally begs God s forgiveness Then she is publicly hanged alongside her attacker These events took place in 1644 in Boston where today they would be viewed with horror How and when did such a complete transformation of our culture s attitudes toward sex occur In The Origins of Sex Faramerz Dabhoiwala provides a landmark history one that will revolutionize our understanding of the origins of sexuality in modern Western culture For millennia sex had been strictly regulated by the Church the state and society who vigorously and brutally attempted to punish any sex outside of marriage But by 1800 everything had changed Drawing on vast research from canon law to court cases from novels to pornography not to mention the diaries and letters of people great and ordinary Dabhoiwala shows how this dramatic change came about tracing the interplay of intellectual trends religious and cultural shifts and politics and demographics The Enlightenment led to the presumption that sex was a private matter that morality could not be imposed that men not women were the more lustful gender Moreover the rise of cities eroded community based moral policing and religious divisions undermined both church authority and fear of divine punishment Sex became a central topic in poetry drama and fiction diarists such as Samuel Pepys obsessed over it In the 1700s it became possible for a Church of Scotland leader to commend complete sexual liberty for both men and women Arguing that the sexual revolution that really counted occurred long before the cultural movement of the 1960s Dabhoiwala offers readers an engaging and wholly original look at the Western world s relationship to sex Deeply researched and powerfully argued The Origins of Sex is a major work of history The Victorians John Gardiner,2006-10-27 A major study of changing attitudes to the Victorians from Lytton Strachey to the present day **Senses of Vibration** Shelley Trower,2012-02-09 A pioneering study of the phenomenon of vibration and its history and reception through culture **The Works of Elizabeth Gaskell, Part II vol 6** Joanne Shattock,Angus Easson,2017-09-29 Features Elizabeth Gaskell s work This work brings together her journalism her shorter fiction which was published in various collections during her lifetime her early personal writing including a diary written between 1835 and 1838 when she was a young mother her five full length novels and The Life of Charlotte Bronte **Space, Knowledge and Power** Professor Stuart Elden,Dr Jeremy W Crampton,2012-11-28 The first to engage Foucault s geographies in detail from a wide range of perspectives this book is framed around his discussions with the journal H rodote in the mid 1970s The contributors including a number of key figures such as David Harvey Chris Philo Sara Mills Nigel Thrift John Agnew Thomas Flynn and Matthew Hannah discuss just what

they find valuable and frustrating about Foucault's geographies. This is a book which will both surprise and challenge
