Bristow, 1997-10-01 On May 29 1917 Mrs E M Craize citizen of Denver Colorado penned a letter to President Woodrow Wilson which concluded We have surrendered to your absolute control our hearts dearest treasures our sons If their precious bodies that have cost us so dear should be torn to shreds by German shot and shells we will try to live on in the hope of meeting them again in the blessed Country of happy reunions But Mr President if the hell holes that infest their training camps should trip up their unwary feet and they be returned to us besotted degenerate wrecks of their former selves cursed with that hell born craving for alcohol we can have no such hope Anxious about the United States pending entry into the Great War fearful that their sons would be polluted by the scourges of prostitution venereal disease illicit sex and drink that ran rampant in the training camps countless Americans sent such missives to their government officials In response to this deluge President Wilson created the Commission on Training Camp Activities to ensure the purity of the camp environment Training camps would henceforth mold not only soldiers but model citizens who after the war would return to their communities spreading white urban middle class values throughout the country What began as a federal program designed to eliminate sexually transmitted diseases soon mushroomed into a powerful social force intent on replacing America s many cultures with a single homogenous one Though committed to the positive methods of education and recreation the reformers did not hesitate to employ repression when necessary Those not conforming to the prescribed vision of masculinity often faced exclusion from the reformers idealized society or sometimes even imprisonment Social engineering ruled the day Combining social cultural and military history and illustrating the deep divisions among reformers themselves Nancy K Bristow with the aid of dozens of evocative photographs here brings to life a pivotal era in the history of the U S revealing the complex relationship between the nation s competing cultures progressive reform efforts and the Great War Making Men: Rugby and Masculine Identity Timothy J.L. Chandler, John Nauright, 2013-01-11 This text looks at how an understanding of rugby can provide insight into what it has

meant to be a man in societies influenced by the ideals of Victorian upper and middle classes It shows that rugby has been a means of promoting male exclusivity but also been a means of cultural incorporation **Making Men** Belinda

Edmondson,1999 Explores the gendered subjectivity of West Indian writers and their dependence on models from Victorian England for their narratives of self and nation Making Men Stephen Wilson,2015-11-02 Making Men identifies and

elaborates on a theme in the Hebrew Bible that has largely gone unnoticed by scholars the transition of a male adolescent from boyhood to manhood Wilson locates five examples of the male coming of age theme in the Hebrew Bible The protagonists of these stories include the well known biblical heroes Moses Samuel David and Solomon He also reveals the existence of a narrative theme of failing to mature to manhood exemplified in the tales of Samson and Gideon s son Jether Beyond identifying the coming of age theme Wilson describes how the theme is employed by biblical narrators and redactors to highlight broader messages and transitions in the historical narratives of the Hebrew Bible He additionally considers how these stories provide unique insight into the varying representations of biblical masculinity and how the ideals associated with manhood can change dramatically over time **Making Men Whole** J. B. Phillips,2012-07-01 About the Contributor s

John Bertram Phillips 1906 1982 was a Bible translator writer and clergyman His work translating the New Testament made him one of Britain s most famous Bible communicators He talked of the revelation received as he translated the New Testament describing it as extraordinarily alive unlike any experience he had had with non scriptural ancient texts He referred to Scripture speaking to his condition in an uncanny way Phillips was a masterful apologist and defender of the Christian faith He upheld the basic tenets of the faith and was able to present them as fresh to the modern reader and hearer much as he had done with his translation of the New Testament Making Men in Ghana Stephan Miescher,2005-11-24 By

featuring the life histories of eight senior men Making Men in Ghana explores the changing meaning of becoming a man in modern Africa Stephan F Miescher concentrates on the ideals and expectations that formed around men who were prominent in their communities when Ghana became an independent nation Miescher shows how they negotiated complex social and economic transformations and how they dealt with their mounting obligations and responsibilities as leaders in their kinship groups churches and schools Not only were notions about men and masculinity shaped by community standards but they were strongly influenced by imported standards that came from missionaries and other colonial officials As he recounts the life histories of these men Miescher reveals that the passage to manhood and a position of power seniority authority and leadership was not always welcome or easy As an important foil for studies on women and femininity this groundbreaking book not only explores masculinity and ideals of male behavior but offers a fresh perspective on African men in a century of change

Making Men from "The Boys" Nick Olynyk,2015-07-07 A collection of stories from the author s career each containing a significant lesson about masculinity Making Men From The Boys will motivate young men to ask more of life and take more personal action to achieve it even as young men get more mixed signals about what it is to be a man than ever

Milne, 2024-06-15 Myths and stereotypes surrounding seafarers in the Age of Sail persist to this day Sailors were celebrated for their courage strength and skill yet condemned for militancy vice and fecklessness As sail gave way to steam sailing ship mariners became nostalgic symbols of maritime prowess and heritage representing a timeless heroic masculinity in an era when the modernizing industrial world was challenging assumptions about gender class work and society Drawing on British seafaring memoirs from the late nineteenth century Making Men in the Age of Sail argues that maritime writing moulded the reading public's image of the merchant seaman Authors chronicled their lives as they grew from boy sailors to trained seafarers telling colourful tales of the men they worked with most never doubted that the sailing ship had made them better men Their testimony reinforced and preserved conservative perspectives on seafaring manhood as Britain's economic and technological priorities continued to evolve in the new steamship age Offering a gender analysis of the image of the seafarer Making Men in the Age of Sail brings the history of British sailors into wider debates about modernity and masculinity
