Mark Twain His Adventures At Aurora And Mono Lake:

Mark Twain George Williams,1992 **Critical Companion to Mark Twain** R. Kent Rasmussen,2014-05-14 Praise for the previous edition RASD ALA Outstanding Reference Source 1996 Essential is the word for it **Persona and Humor in Mark Twain's Early Writings** Don Florence,1995 Challenging mainstream Twain criticism on many fronts Florence focuses exclusively on Twain s early writings He demonstrates how Twain evolved in his early narratives into the Mark Twain we now recognize Florence maintains that this process was evolutionary Although Twain might have been dependent on Clemens for the initial experiences they become Twain s experiences necessary for his development as a persona Traditionally critics of Twain have been preoccupied with dualities but Florence sees this emphasis upon polarities as an oversimplification He argues that much of Twain s humor strives to shape more and more of the world giving Twain multiple narrative voices and letting him be inclusive not exclusive Finally this study asserts that there is more continuity to Mark Twain s career than has been generally recognized Many Twain scholars have argued that Twain s later writings are radically different from his earlier writings because of their emphasis upon illusion and dream Florence argues that the preoccupation with illusion and fantasy is scarcely new Whether Twain s mood is exuberant or dark he emphasizes subjectivity over objectivity the dominance of fantasy the creative powers of humor and his ability as persona to determine what we consider reality Florence contends that Twain s early writings show Mark Twain gradually evolving into a masterfully comic persona **Roughing It** Mark Twain,2011-02-14 Mark Twain s humorous account of his six years in Nevada San Francisco and the Sandwich Islands is a patchwork of personal anecdotes and tall tales many of them told in the vigorous new vernacular of the West Selling seventy five thousand copies within a year of its publication in 1872 **Roughing It** was greeted as a work of wild preposterous invention and sublime exaggeration whose satiric humor made pretension and false dignity ridiculous Meticulously restored from a variety of original sources the text is the first to adhere to the author s wishes in thousands of details of wording spelling and punctuation and includes all of the 304 first edition illustrations With its comprehensive and illuminating notes and supplementary materials which include detailed maps tracing Mark Twain s western travels this Mark Twain Library **Roughing It** must be considered the standard edition for readers and students of Mark Twain **Mark Twain** George Williams,1986 This is the account of Mark Twain s early mining days and the beginning of his long literary career

Watershed Harold Gower,2007-05-01 **Mark Twain** Jason Gary Horn,1999-03-25 Provides an annotated guide to the wealth of biographical sources focusing on the life of Mark Twain **Feminist Analyses of Applied Ethics** Jane Duran,2015-05-06 This book forwards a line of argument that indicates how feminist analyses can ameliorate the standard consequential and occasionally deontological lines in applied ethics Drawing on core concepts in feminist philosophy **Feminist Analyses of Applied Ethics** investigates five major issues immigration environmental preservation intervention in medical areas the peace movement and matters of citizenship Although most of these areas have received extensive analysis

there is no one work that covers all five areas from a feminist point of view This book aims to remedy that defect The work draws on key thinkers in feminist ethics such as Card and Gilligan and also ventures to other areas of feminist philosophy
