Anchored Hearts Priscilla Oliveras, 2023-06-27 A big hearted beautiful book about first love, second chances and finding one's place in the world. An exceptional getaway of a book. Emily Henry, New York Times bestselling author of *Beach Read*. Sparks fly in the Florida Keys when award winning photographer and prodigal son Alejandro ends up back home, forced to face the familia and the girl he left behind for the first time in years. Can these two Key West natives learn to put away old hurts and embrace a new future under the tropical sun? Effervescent with humor, romance, Latinx culture and the unique island energy of Key West, Florida, the acclaimed *Keys to Love* Series by USA Today bestselling author Priscilla Oliveras is the perfect summer read. Now in mass market for the first time. Award winning photographer Alejandro Miranda hasn't been home to Key West in years, not since he left to explore broader horizons with his papi's warning echoing in his ears. He wouldn't be heading there now if it wasn't for an injury requiring months of recuperation. The drama of a prodigal son returning to his familia is bad enough, but coming home to the island paradise also means coming face to face with the girl he left behind, the one who was supposed to be by his side all along. Anamar, a Navarro, was shattered when Alejandro took off without her. Traveling the world was their plan, not just his. But after her father's heart attack, there was no way she could leave, not even for the man she loved. Now ensconced in the family trade as a firefighter and paramedic with a side hustle as a personal trainer, Anamar is dismayed that just the sight of Alejandro is enough to rekindle the flame she's worked years to put out. And as motherly meddling pushes them together, the heat of their attraction only climbs higher. Can they learn to trust again before the Key West sun sets on their chance at happiness?

Devilfish D. Eric Horner, 2015-07-29 It's the big 3-0. To celebrate, Samantha Silver decides to take three friends from New York City on a Caribbean vacation. Their days are spent snorkeling, scuba diving and just hanging out, but they begin hearing a rumor from the locals about a creature in the water. The story seems too horrific to be true. They do their best to dismiss it and enjoy their trip, but then people begin disappearing. Are the rumors actually true? Stories about treasure and sea monsters are for kids, right? Take a vacation with Sam, Macy, Jessica and Chad off the shores of Hispaniola and experience the underwater terror that is *Devilfish*.

Line of Succession William Tyree, 2010 As Congress leaves for its annual summer recess, the nation is rocked by a series of high level assassinations. Counterterrorism agent Blake Carver begins piecing together an ominous set of clues that predate the assassinations. As he soon learns, the attacks on America were only the beginning of a much wider global power struggle. Only this war isn't about religion, foreign policy or oil. It's a battle over the planet's most precious resource: water. From author's
