Moving Beyond Words:

Moving Beyond Words Gloria Steinem,1995-02 The Masculinization of Wealth shows us the ways class works in reverse for women in families of inherited wealth because the closer we are to power the more passive we have to be kept It reshapes our understanding of class and exposes the other end of the feminization of poverty

Moving Beyond Words Gloria Steinem,2012-05-15 Essays from the New York Times bestselling author who inspired the film The Glorias a woman who has told the truth about her life and ours Los Angeles Times With cool humor and rich intellect Gloria Steinem strips bare our social constructions of gender and race explaining just how limiting these invented cultural identities can be In the first of six sections Steinem imagines how our understanding of human psychology would be different in a witty reversal What if Freud had been a woman who inflicted biological inferiority on men think womb envy In other essays she presents positive examples of people who turn gendered stereotypes on their heads from a female bodybuilder to Mahatma Gandhi whose followers absorbed his wisdom that change starts at the bottom And in some of the most moving pieces Steinem reveals some of her own complicated history as a writer woman and citizen of the world This ebook features an illustrated biography of Gloria Steinem including rare images from the author s personal collection

Beyond Words Frank Liedtke,Cornelia Schulze,2013-03-22 In pragmatics it is widely accepted that the overall meaning of an utterance performed as part of a verbal interchange is basically underdetermined by the meaning of the sentence uttered What counts as having been said for most contemporary authors goes far beyond sentence meaning Rather it has to be considered as a complex utterance level combining semantic knowledge and context driven pragmatic information as an integrated whole The focus of the present book lies on central questions about the nature the function and the acquisition of pragmatic inferencing strategies The question of the relation between the explicit and the implicit side of verbal communication and its mutual delimitation is addressed What is the character of pragmatic inferences wherever they may be situated in a descriptive model Are they nonce inferences arising anew in each act of communication or do we have to conceive of them as based on regularities and conventions What is an adequate model of the acquisition of the skills which are relevant for mastering the inferential processes leading to an adequate interpretation of utterances And what is the relation between a theory of pragmatic enrichment and optimality theory with an OT pragmatics as a possible result

Moving Beyond Words , 2016

Let's Get Physical Danielle Friedman, 2022-01-04 A captivating blend of reportage and personal narrative that explores the untold history of women s exercise culture from jogging and Jazzercise to Jane Fonda and how women have parlayed physical strength into other forms of power For American women today working out is as accepted as it is expected fueling a multibillion dollar fitness industrial complex But it wasn t always this way For much of the twentieth century sweating was considered unladylike and girls grew up believing physical exertion would cause their uterus to literally fall out It was only in the sixties that thanks to a few forward thinking fitness pioneers women began to move en masse In Let s Get Physical journalist Danielle Friedman reveals the fascinating hidden history of contemporary women s fitness culture chronicling in vivid cinematic prose how exercise evolved from a beauty tool pitched almost exclusively as a way to reduce into one millions have harnessed as a path to mental emotional and physical well being Let s Get Physical

reclaims these forgotten origin stories and shines a spotlight on the trailblazers who led the way Each chapter uncovers the birth of a fitness movement that laid the foundation for working out today the radical post war pitch for women to break a sweat in their living rooms the invention of barre in the Swinging Sixties the promise of jogging as liberation in the seventies the meteoric rise of aerobics and weight training in the eighties the explosion of yoga in the nineties and the ongoing push for a more socially inclusive fitness culture one that celebrates every body Ultimately it tells the story of how women discovered the joy of physical strength and competence and how by moving together to transform fitness from a privilege into a right we can create a more powerful sisterhood

The Price You Pay Margaret Randall, 2014-04-04 In *The Price We Pay* Margaret Randall interviews women from a wide range of economic racial and cultural backgrounds to reveal the role money plays in their lives These women speak of their changing expectations and attitudes regarding money Daughters of immigrants remember what money meant in the transition between worlds They disclose the feelings that they have of stigma or shame at not having enough guilt at having too much and the lies secrets and silences caused by these feelings These personal stories are woven into a history of women s economics and chapters on family work the media power and control and lesbian economics
