Moving Toward Life Five Decades Of Transformational Dance:

Moving Toward Life Anna Halprin, 1995-12 The collected writings of one of the most influential luminaries of American dance Anna Halprin Libby Worth, Helen Poynor, 2018-06-13 Anna Halprin traces the life's work of this radical dance maker documenting her early career as a modern dancer in the 1940s through to the development of her groundbreaking approach to dance as an accessible and life enhancing art form Now revised and reissued this book sketches the evolution of the San Francisco Dancers Workshop exploring Halprin's connections with the avant garde theatre music visual art and architecture of the 1950s and 60s offers a detailed analysis of Halprin's work from this period provides an important historical guide to a time when dance was first explored beyond the confines of the theatre and considered as a healing art for individuals and communities As a first step towards critical understanding and an initial exploration before going on to further primary research Routledge Performance Practitioners offer unbeatable value for today's student **Anna Halprin** Janice Ross, 2009-05-06 This comprehensive biography examines Halprin's fascinating life in the context of American culture in particular popular culture and the West Coast as a center of artistic experimentation from the Beats through the Hippies to the present **Contact Improvisation** Cheryl Pallant, 2017-02-16 In most forms of dancing performers carry out their steps with a distance that keeps them from colliding with each other Dancer Steve Paxton in the 1970s considered this distance a territory for investigation His study of intentional contact resulted in a public performance in 1972 in a Soho gallery and the name contact improvisation was coined for the form of unrehearsed dance he introduced Rather than copyrighting it Paxton allowed it to evolve and spread In this book the author draws upon her own experience and research to explain the art of contact improvisation in which dance partners propel movement by physical contact They roll fall spiral leap and slip along the contours and momentum of moving bodies The text begins with a history then describes the elements that define this form of dance Subsequent chapters explore how contact improvisation relates to self and identity how class race gender culture and physiology influence dance how dance promotes connection in a culture of isolation and how it relates to the concept of community The final chapter is a collection of exercises explained in the words of teachers from across the United States and abroad Appendix A describes how to set up and maintain a weekly jam Appendix B details recommended reading videos and Web sites Instructors considering this book for use in a course may request an examination copy here **Work of Giorgio Agamben** Justin Clemens, 2011-06-21 This collection of essays newly available in paperback seeks to explore Agamben's work from philosophical and literary perspectives thereby underpinning its place within larger debates in continental philosophy Anna Halprin Ursula Schorn, Ronit Land, Gabriele Wittmann, 2014-09-21 This book considers the creative work and therapeutic and pedagogical approach of Anna Halprin a dancer choreographer and early pioneer in the expressive arts healing movement It looks at her Life Art Process and the wider impact of her work across the fields of art education therapy and politics **Robert Lepage** Aleksandar Saša Dundjerovic, 2008-11-25 Routledge

Performance Practitioners is a series of introductory guides to the key theatre makers of the last century Each volume explains the background to and the work of one of the major influences on twentieth and twenty first century performance Robert Lepage is one of Canada s foremost playwrights and directors His company Ex Machina has toured to international acclaim and he has lent his talents to areas as diverse as opera concert tours acting and installation art His most celebrated work blends acute personal narratives with bold global themes This is the first book to combine an overview of the key phases in Lepage s life and career an examination of the issues and questions pertinent to his work a discussion of The Dragons Trilogy as a paradigm of his working methods a variety of practical exercises designed to give an insight into Lepage s creative process As a first step towards critical understanding and as an initial exploration before going on to further primary research Routledge Performance Practitioners are unbeatable value for today s student

Dancing with Georges Perec Leslie Satin,2024-06-14 This book explores the relationship of the life and work of the remarkable Parisian Jewish writer Georges Perec 1936 1983 to dance Dancing addresses art making parallels and their personal and sociocultural contexts including Perec s childhood loss of his parents in the Holocaust and its repercussions in the significance of the body everydayness space and attention permeating his work This book emerging from the author Leslie Satin s perspective as a dancer and scholar links Perec s concerns with those of dance and demonstrates that Perec s work has implications for dance and how we think about it Moreover it is framed as a performative autobiographical enactment of the author s relationship to Perec periodically linking their written danced and imagined lives This exploration will be of great interest to dancers dance scholars and dance students interested in contemporary experimental dance and contemporary dance

Method Meets Art Patricia Leavy,2013-04-01 This book presents the first comprehensive introduction to arts based research ABR practices which scholars in multiple disciplines are fruitfully using to reveal information and represent experiences that traditional methods cannot capture Each of the six major ABR genres narrative inquiry poetry music performance dance and visual art is covered in chapters that introduce key concepts and tools and present an exemplary research article by a leading ABR practitioner Patricia Leavy discusses the kinds of research questions these innovative approaches can address and offers practical guidance for applying them in all phases of a research project from design and data collection to analysis interpretation representation and evaluation Chapters include checklists to guide methodological decision making discussion questions and recommended print and online resources

State of Mind Constance M. Lewallen,Karen Moss,2011-10 State of Mind the lavishly illustrated companion book to the exhibition of the same name investigates California s vital contributions to Conceptual art in particular work that emerged in the late 1960s among scattered groups of young artists The essays reveal connections between the northern and southern California Conceptual art scenes and argue that Conceptualism s experimental practices and an array of then new media performance site specific installations film and video mail art and artists publications continue to exert an enormous influence on the artists working today
