Mowat Adventure Stories:

Mowat Four-Volume Set Farley Mowat, 1980-01-01 **The Boat Who Wouldn't Float** Farley Mowat, 2009-08-04 It seemed like a good idea Tired of everyday life ashore Farley Mowat would find a sturdy boat in Newfoundland and roam the salt sea over free as a bird What he found was the worst boat in the world and she nearly drove him mad The Happy Adventure despite all that Farley and his Newfoundland helpers could do leaked like a sieve Her engine only worked when she felt like it Typically on her maiden voyage with the engine stuck in reverse she backed out of the harbour under full sail And she sank regularly How Farley and a varied crew including the intrepid lady who married him coaxed the boat from Newfoundland to Lake Ontario is a marvellous story The encounters with sharks rum runners rum and a host of unforgettable characters on land and sea make this a very funny book for readers of all ages From the eBook edition

Children's Books and Their Creators Anita Silvey, 1995 Unique in its coverage of contemporary American children's literature this timely single volume reference covers the books our children are or should be reading now from board books to young adult novels Enriched with dozens of color illustrations and the voices of authors and illustrators themselves it is a cornucopia of delight 23 color 153 b w illustrations *Unsettled Remains* Cynthia Sugars, Gerry Turcotte, 2010-08-27 *Unsettled Remains* Canadian Literature and the Postcolonial Gothic examines how Canadian writers have combined a postcolonial awareness with gothic metaphors of monstrosity and haunting in their response to Canadian history The essays gathered here range from treatments of early postcolonial gothic expression in Canadian literature to attempts to define a Canadian postcolonial gothic mode Many of these texts wrestle with Canada's colonial past and with the voices and histories that were repressed in the push for national consolidation but emerge now as uncanny reminders of that contentious history The haunting effect can be unsettling and enabling at the same time In recent years many Canadian authors have turned to the gothic to challenge dominant literary political and social narratives In Canadian literature the postcolonial gothic has been put to multiple uses above all to figure experiences of ambivalence that have emerged from a colonial context and persisted into the present As these essays demonstrate formulations of a Canadian postcolonial gothic differ radically from one another depending on the social and cultural positioning of who is positing it Given the preponderance in colonial discourse of accounts that demonize otherness it is not surprising that many minority writers have avoided gothic metaphors In recent years however minority authors have shown an interest in the gothic signalling an emerging critical discourse This spectral turn sees minority writers reversing long standing characterizations of their identity as monstrous or invisible in order to show their connections to and disconnection from stories of the nation *Lost in the Barrens* Farley Mowat, 2017-05-02 Winner of Governor General's Award for Children's Literature As thrilling to read now as when it was first published this is Farley Mowat's bestselling tale of danger survival and companionship in the far North Awasin a Cree Indian boy and Jamie a Canadian orphan living with his uncle the trapper Angus Macnair are enchanted by the magic of the great

Arctic wastes When the boys have a chance to join a band of Chipeweyans on a trip to the remote Barrens they jump at the opportunity But when their canoe capsizes and they are separated from the group it takes all their ingenuity to survive winter in the Barrens Drawing on his knowledge of the ways of the wilderness and the implacable northern elements Farley Mowat has created a memorable tale of daring and adventure *The Canadian Encyclopedia* James H. Marsh, 1999 This edition of The Canadian Encyclopedia is the largest most comprehensive book ever published in Canada for the general reader It is COMPLETE every aspect of Canada from its rock formations to its rock bands is represented here It is UNABRIDGED all of the information in the four red volumes of the famous 1988 edition is contained here in this single volume It has been EXPANDED since 1988 teams of researchers have been diligently fleshing out old entries and recording new ones as a result the text from 1988 has grown by 50% to over 4 000 000 words It has been UPDATED the researchers and contributors worked hard to make the information as current as possible Other words apply to this extraordinary work of scholarship AUTHORITATIVE RELIABLE and READABLE Every entry is compiled by an expert Equally important every entry is written for a Canadian reader from the Canadian point of view The finished work many years in the making and the equivalent of forty average sized books is an extraordinary storehouse of information about our country This book deserves pride of place on the bookshelf in every Canadian Home It is no accident that the cover of this book is based on the Canadian flag For the proud truth is that this volume represents a great national achievement From its formal inception in 1979 this encyclopedia has always represented a vote of faith in Canada in Canada as a separate place whose natural worlds and whose peoples and their achievements deserve to be recorded and celebrated At the start of a new century and a new millennium in an increasingly borderless corporate world that seems ever more hostile to national distinctions and aspirations this Canadian Encyclopedia is offered in a spirit of defiance and of faith in our future The statistics behind this volume are staggering The opening sixty pages list the 250 Consultants the roughly 4 000 Contributors all experts in the field they describe and the scores of researchers editors typesetters proofreaders and others who contributed their skills to this massive project The 2 640 pages incorporate over 10 000 articles and over 4 000 000 words making it the largest some might say the greatest Canadian book ever published There are of course many special features These include a map of Canada a special page comparing the key statistics of the 23 major Canadian cities maps of our cities a variety of tables and photographs and finely detailed illustrations of our wildlife not to mention the colourful informative endpapers But above all the book is encyclopedic which the Canadian Oxford Dictionary describes as embracing all branches of learning This means that with rare exceptions there is satisfaction for the reader who seeks information on any Canadian subject From the first entry A mari usque ad mare from sea to sea which is Canada's motto and a good description of this volume's range to the Zouaves who mustered in Quebec to fight for the beleaguered Papacy there is the required summary of information clearly and accurately presented For the browser the constant variety of entries and the lure of regular cross references will provide

hours of fascination The word encyclopedia derives from Greek expressions alluding to a grand circle of knowledge Our knowledge has expanded immeasurably since the time that one mind could encompass all that was known Yet now Canada's finest scientists academics and specialists have distilled their knowledge of our country between the covers of one volume The result is a book for every Canadian who values learning and values Canada *Canadian Literary Landmarks* John Robert Colombo, 1984-01-01 Here is a list of three dozen of the top literary locales in the country The selection of sites is necessarily subjective yet it attempts to represent geographical historical social and cultural concerns as well as strictly literary interests Had this list been prepared by the editors of Michelin Guide they would have added asterisks or stars to the entries Interesting Worth a detour Worth a journey It is the opinion of the author of *Canadian Literary Landmarks* that all thirty six sites are Worth a journey It is recognized that the average person is unlikely to visit No 1 not to mention No 36 but as these sites happen to be the first and last entries in the book they mark a convenient and symbolic beginning and ending No 1 being L'Anse aux Meadows Epaves Bay Nfld and No 36 being the North Pole NWT *Great World Writers* Patrick M. O'Neil, 2004 This nicely illustrated reference for junior high and high school students offers 20 page profiles of 93 of the world's most influential writers of the twentieth century Arranged alphabetically each profile provides facts about the writer's life and works as well as a commentary on his or her significance discussion of political and social events that occurred during his or her lifetime a reader's guide to major works and events beliefs or traditions that inspired the writer's works

The Oxford History of the Novel in English Patrick Parrinder, 2011 This series presents a comprehensive global and up to date history of English language prose fiction and written by an international team of scholars dust jacket Born Naked Farley Mowat, 2013-06-14 Farley Mowat's outrageous memoir begins with his unlikely conception in a canoe and continues to his boyhood fascination with creatures of the natural world and on to his youthful rambles and adventures To his immense pleasure and his parents dismay he adopted various beasts whom he affectionately calls The Others as roommates In this boyhood memoir he recounts the exploits of this second family who have been the subjects of many of his beloved books for young readers This is the tale of a mischievous immensely gifted young naturalist recounted with the wisdom humor and grown up perspective of a very talented writer
