A new collection from the Pulitzer Prize winning poet *Though Frolic and Detour* is Paul Muldoon's thirteenth collection it shows all the energy and ambition we might generally associate with a first book Here the poet brings his characteristic humor and humanity to the chickadee the house wren the deaths of Leonard Cohen and C K Williams the Irish Rising the Great War and how a streak of ragwort may yet shine as an off the record remark becomes the party line *Frolic and Detour* reminds us that the sidelong glance is the sweetest the tangential approach the most telling and shows us why Paul Muldoon was described by Nick Laird writing in *The New York Review of Books* as the most formally ambitious and technically innovative of modern poets who writes poems like no one else **Poems 1968-1998** Paul Muldoon, 2011-04-21 Thirty years of work from the most significant English language poet born since the second world war *The Times Literary Supplement*

Maggot Paul Muldoon, 2010-10-07 In his eleventh full length collection Paul Muldoon reminds us that he is a traditional poet who is steadfastly at odds with tradition If the poetic sequence is the main mode of *Maggot* it certainly isn't your father's poetic sequence Taking as a starting point W B Yeats's remark that the only fit topics for a serious mood are sex and the dead Muldoon finds unexpected ways of thinking and feeling about what it means to come to terms with the early twenty first century It's no accident that the centerpiece of *Maggot* is an outlandish meditation on a failed poem that draws on the vocabulary of entomological forensics The last series of linked lyrics meanwhile takes as its subject the urge to memorialize the scenes of fatal car accidents The extravagant linkage of rot and the erotic is at the heart of not only the title sequence but many of the round songs that characterize *Maggot* and has led Angela Leighton writing in the TLS to see these new poems on their earlier appearance in *Plan B* an interim volume which included several of the poems in *Maggot* as giving readers a thrilling wild fairground ride with few let ups for the squeamish *New Weather* Paul Muldoon, 2011-08-04 *New Weather* was Paul Muldoon's first book of poems When it appeared in 1973 Seamus Heaney described its author as unusually gifted endowed with an individual sense of rhythm a natural and copious vocabulary a technical accomplishment and an intellectual boldness that mark him as the most promising poet to appear in Ireland for years While the promise has been amply fulfilled *New Weather* gives the poet's many more recent admirers the opportunity to see what a versatile and substantial artist he was from the outset
