CUTHBERT GIRDLESTONE

Mozart And His Piano Concertos

John Irving

Mozart And His Piano Concertos:

Mozart & His Piano Concertos Cuthbert Morton Girdlestone, Sara Davis Buechner, 2011-01-01 Classic of music criticism provides detailed studies of 23 of Mozart's piano concertos offering 417 musical examples and authoritative information on the works form tone style and balance

Mozart David Foil, Wolfgang Amadeus Mozart, 1996-01-09 The Black Dog Music Library presents Wolfgang Amadeus Mozart's Piano Concertos

Mozart Wolfgang Amadeus Mozart, 2002 Piano For sheer beauty and inventiveness Mozart's piano concertos are peerless We're pleased to present for the first time ever the most beautiful piano solo excerpts from all 27 concertos in one volume What's more the 75 note for note piano solo excerpts presented are not difficult Each is an exquisite piano solo piece that can be performed by nearly all pianists Enjoy

Mozart and His Piano Concertos Cuthbert Girdlestone, 1952

Mozart's Piano Concertos John Irving, 2017-07-05 Mozart's piano concertos stand alongside his operas and symphonies as his most frequently performed and best loved music They have attracted the attention of generations of musicologists who have explored their manifold meanings from a variety of viewpoints In this study John Irving brings together the various strands of scholarship surrounding Mozart's concertos including analytical approaches aspects of performance practice and issues of compositional genesis based on investigation of manuscript and early printed editions Treating the concertos collectively as a repertoire rather than as individual works the first section of the book tackles broad thematic issues such as the role of the piano concerto in Mozart's quasi freelance life in late eighteenth century Vienna the origin of his concertos in earlier traditions of concerto writing eighteenth century theoretical frameworks for the understanding of movement forms subsequent historical shifts in the perception of the concerto's form listening strategies and performance practices This is followed by a documentary register which proceeds through all 23 original works drawing together information on the source materials Accounts of the concertos compositional genesis early performance history and reception are also included here drawing extensively on the Mozart family correspondence and other contemporary reports Drawing together and synthesizing this wealth of material Irving provides an invaluable reference source for those already familiar with this repertoire

Piano Concerto No. 23 in A, K. 488, 1985-03

A duet for Piano composed by Wolfgang Amadeus Mozart for two pianos and four hands

Piano Concerto No.23 in a Major - A Score for Solo Piano K.488 (1786) Wolfgang Amadeus Mozart, 2013-01-01

Concertos Wolfgang Amadeus Mozart, 2000-01-01 Mozart's supremacy as a composer is nowhere more apparent than in his piano concertos which were a lifelong preoccupation for him from 1767 when he was 11 years old until 1791 the year of his death The remarkably precocious works in this volume written in 1776 and 1777 foreshadow the even greater piano concertos to come Each exhibits the qualities for which their successors are justly celebrated keyboard mastery experimentation with texture and a natural sensitivity to form and balance Despite his youth Mozart captured the spirit of his times with these compositions reflecting an eighteenth century mood of elegance and refinement This volume includes the Triple Concerto No 7 in F K 242

Mozart's only concerto for three pianos with the composer's cadenzas for all three movements. Also here are the Concerto No. 8 in C K 246 and Concerto No. 9 in E-flat K 271 offering a contrast in moods: the former in the lighthearted, refined galant spirit; the latter a work of dramatic emotional character. The concluding music in this prized compilation is the world-famous Double Concerto No. 10 in E-flat K 365, written for the composer himself and his sister Nannerl. Pianists and all lovers of fine music will welcome this valuable compilation of seminal works reproduced complete and unabridged from the authoritative Breitkopf & Härtel Complete Works edition. Included as well as appendixes are Mozart's original cadenzas for Concerto No. 9 and reproductions of the rare autograph sketches of cadenzas for the Double Concerto. *Mozart's Concerto Form* Denis Forman, 1971. This book is the first truly comprehensive analysis of the first movements ever attempted. The beginning of the book, devoted to the evolution of Mozart's concertos, provides a discussion of the search by North German composers, including members of the Bach family, for a concerto form that would give more prominence to solo instruments, a critical element in the development of the extended aria. Against this background, the author then discusses the evolution of Mozart's concertos in terms of the six early works based on Johann Christian Bach's London Galant form, the innovative principles and methods present in the seven Melodic concertos, and the absolute departure from both Galant and Melodic works evident in the last four concertos, which are truly symphonic, differing from all of Mozart's previous concertos in scale, texture, and structure, and employing a different method of treating thematic material. The second section of the book, a detailed, lucid, and stimulating exposition of all the first movements, discusses Mozart's compositional technique and his conception of the purpose of concerto composition. [Mozart's Piano Concertos](#) C. M. Girdlestone, 2013-01-04. This early work on Mozart's Piano Concertos is both expensive and hard to find in its first edition. It contains analyses of the themes and structure of some of Mozart's greatest piano compositions. This is a fascinating work and thoroughly recommended for anyone interested in music theory. Many of the earliest books, particularly those dating back to the 1900s and before, are now extremely scarce. We are republishing these classic works in affordable, high-quality modern editions using the original text and artwork.

Embark on a transformative journey with Written by is captivating work, Grab Your Copy of **Mozart And His Piano Concertos** . This enlightening ebook, available for download in a convenient PDF format , invites you to explore a world of boundless knowledge. Unleash your intellectual curiosity and discover the power of words as you dive into this riveting creation. Download now and elevate your reading experience to new heights .
