Introduction This story belongs to an era about which we do not know anything it is an untold aspect a completely fictional narrative Do not consider it another form of The Bible it is a fictional and different form of the great scripture The story of painful torture of a different loving couple attempting to revive the negative character of The Bible Judas Iscariot the demonic spirit and to reveal the miraculous powers of God the Son Jesus Christ Judas Iscariot reveals his own being by his own powers and Jesus Christ by his miraculous powers from small and big events This story is completely fictional It has no relation to any living or dead person religion sect event But it shows the unique and supernatural love for the God of the Christian religion Jesus Christ It also shows the love sensation and disconnection of women and men The woman sees her quality in beauty and a woman who does not have these qualities uses a variety of resources to achieve beauty But the woman who is beautiful in the body and nature or says that God has beautified her with a boon of beauty a sign stain or say that a Wart is generated on her face then she tries to remove it from her face Because it is a useless sign for a beautiful woman Whom every beautiful woman would like to remove but this Wart on the face becomes a supernatural power synonymous with a divine boon so what would you call it Supernatural Wart A G O N Y The Pang of Death Through this story the fictional sub religion of the Christian religion Allnessmaha is introduced Which are just a sign of awakening your religious feelings and consciousness May your faith remain on the great religion Christianity There is no mention of Allnessmaha in any religious book This is only imaginary thinking do not consider it to be true The request is from you moving away from criticisms read the story full of love story love devotion and supernatural powers rejoicing and devotion This is an attempt to recognize love and devotion to God If a positive response is received from you then this story will be tried to carry on In this story no such incident has been mentioned that has hurt your religious sentiments yet I apologize if there is any unnecessary error or mistake Request The story is based on Christian Religion Therefore this story has been translated into English The story features the Christian son of Christian Religion Jesus Christ as a positive true character Who through miraculous invisible powers through events reveal their own being On the other hand the negative character of The Bible and the disciple of Jesus Christ due to which Jesus Christ was crucified Attempts have been made to revive that negative character Judas Iscariot who appears to be present by his own unseen events The sketches of the Main page and Last page of the book are presented As a writer this is my first attempt I am convinced that there is something new and unprecedented in this story

The purpose of this story is that you don't do things that God doesn't like. You should neither let any devil dominate your mind nor deceive any person just as Satan entered the mind of Judas Iscariot and acted in deceit that caused God the Son Jesus Christ to be subjected to atrocities and was forced to die after suffering torture. Supernatural War AGONY The Pang of Death In this story the Christians of God Jesus Christ and his disciple Judas Iscariot in whose mind Satan had entered are spiritually resurrected centuries later. To know the basic form of the story it will be necessary to read the entire story and make a readable assessment. Its interestingness lies in its original form. I hope that this first attempt of mine will be successful because of your publication and the immense love of all the readers.
