Mr Golightly's Holiday

Mr Golightly's Holiday A Novel

Jan Frans van Dijkhuizen

Mr Golightly's Holiday A Novel:

Mr. Golightly's Holiday Salley Vickers, 2004 The author of a one time international bestseller Mr Golightly finds himself badly out of touch with the modern world and decides to take a holiday in order to bring his work up to date but his plans take a bizarre turn

Mr Golightly's Holiday Salley Vickers, 2005-01-01 1 holiday a period in which a break is taken from work or studies for rest travel or recreation literally holy day Many years ago Mr Golightly wrote a work of dramatic fiction that grew to be an astonishing international bestseller But his reputation is on the decline and he finds himself badly out of touch with the modern world He decides to take a holiday and comes to the historic village of Great Calne hoping to use the opportunity to bring his great work up to date But he soon finds that events take over his plans and that the themes he has written on are being strangely replicated in the lives of the villagers around him As he comes to know his neighbors better Mr Golightly begins to examine his attitude toward love and to ponder the terrible catastrophe of his only son's death And we begin to learn the true and extraordinary identity of Mr Golightly and the nature of the secret sorrow that haunts him and links him to his new friends Mysterious light of touch witty and profound Mr Golightly's Holiday confirms Salley Vickers's reputation as a writer of fiction that entertains even as it considers serious questions of sin and redemption love and loss

Francine Prose People *Living in Posterity* Jan Frans van Dijkhuizen, 2004 Living in Posterity presented to Bart Westerweel on his retirement as Professor of Early Modern English literature at the University of Leiden brings together thirty nine essays on a wide variety of subjects and themes The contributors scholars from the Netherlands and abroad have drawn inspiration from the many dualities that are characteristic of Westerweel's work such as word image Anglo Dutch familiar other traditional modern and form function The result is a colourful mosaic of essays on history culture art and literature from the first century to the modern era The binding theme of this richly diverse book lies in the idea of the continuity between the past and the present the cohesion between what was and what is As such Living in Posterity is part of the larger project of the humanities to engage sympathetically with the past to speak with the dead and keep history alive

Christian Belief Gillian Rosemary Evans, 2006 This accessible book offers just such a map It provides a concise guide to the conflicted history of Christian thought on such topics as the nature of God free will evil death the afterlife and heaven Throughout Evans makes clear the ongoing relevance of these debates to modern believers The book will appeal to Christian clergy and laity and will also make an ideal text for courses in Christian doctrine and apologetics **Belief** G.R.

Evans, 2006-07-28 What am I to believe is perhaps the fundamental question of human existence It is unlikely that most people reach the end of their lives without wondering what it has all been for and what happens next But the question of belief is more than just academic since what people believe is now more critical than ever As G R Evans shows an ignorance of the history of beliefs can leave individuals susceptible to the influence of extreme ideas and unsure how to put them into context and judge their validity In all religions not just Islam and Christianity that is precisely how sects and cults get a grip

This book shows how ethical questions fit together and how great historical debates and decision making whether about religious conflict or theodicy or questions of authority shed light on some of the great moral challenges facing the religions today Concentrating especially on the Christian tradition Evans shows how the history of religious debate can help us to understand the nature of current misunderstandings and division over belief a crucial step for people of all faiths in the new century
