Montreal After Dark Matthieu Caron, 2025-05-13 Sex and jazz liquor and gambling Montreal in the early twentieth century was a city that offered an exceptional nighttime scene in North America By mid century that scene came under scrutiny and Montreal's influential mayor Jean Drapeau would be elected for the first time on a reformist platform that promised to end corruption Over more than three decades Drapeau would endeavour to transform Montreal into a world class global city by regulating its nightlife *Montreal After Dark* chronicles the spaces where nighttime regulations were enforced and contested City authorities understood the night as enabling disorder and they reorganized policing and crafted bylaws to gain control over it Police and politicians mutually reinforced each other's drive to morally cleanse the urban landscape especially for international events like Expo 67 and the 1976 Olympics But in an era of social unrest Drapeau's administration also found itself responding to the protective services discontent The political culture of the city was quickly transformed following terrifying nights without their services Matthieu Caron shows how in an effort to incorporate the night into the expansionary tendencies of consumer capitalism municipal authorities took sides in a debate over who had the right to public space at night what constituted acceptable behaviour or expression whose sexual activity sustained the social order and whose threatened to destroy it In terms that are strikingly familiar today *Montreal After Dark* elucidates how the desires of politicians would come to reorganize how consumption and leisure labour and dissent noise sex and art were lived in Montreal after the sun went down

Routledge Revivals: Homosexuality: A Research Guide (1987) Wayne R. Dynes, 2017-02-17 First published in 1987 this book encompasses a broad range interdisciplinary research into homosexuality displaying a full spectrum of points of view and given that the major traditions

of modern homosexual research began in Europe is not restricted to works in English In general topics that are densely covered in the literature are presented in this guide selectively with some less studied topics such as Economics and Music fleshed out with signposts to more comprehensive research It seeks to not only mirror existing publications but also to stimulate new work by pinpointing neglected themes and methods This book will be of interest to students of sociology

The City Aroused Damon Scott, 2024-01-02 A history of San Francisco that studies change in the postwar urban landscape in relation to the city's queer culture The City Aroused is a lively history of urban development and its influence on queer political identity in postwar San Francisco By reconstructing the planning and queer history of waterfront drinking establishments Damon Scott shows that urban renewal was a catalyst for community organizing among racially diverse operators and patrons with far reaching implications for the national gay rights movement Following the exclusion of suspected homosexuals from the maritime trades in West Coast ports in the early 1950s seamen's hangouts in the city came to resemble gay bars Local officials responded by containing the influx of gay men to a strip of bars on the central waterfront while also making plans to raze and rebuild the area This practice ended when city redevelopment officials began acquiring land in the early 1960s Aided by law enforcement they put these queer social clubs out of business replacing them with heteronormative desexualized land uses that served larger postwar urban development goals Scott argues that this shift from queer containment to displacement aroused a collective response among gay and transgender drinking publics who united in solidarity to secure a place in the rapidly changing urban landscape

Life's A Drag! Peter Underwood, 1974 While it is true that there have been forms of drag both private and public since earliest times as a form of modern entertainment drag in recent years has developed into a phenomenon which is now a world wide multi million pound entertainment industry in itself This penetrating study giving a depth background of the world drag scene is however primarily a book about one drag artist the hugely successful Danny La Rue himself a veritable Industry of Drag and unquestionably the highest paid performer of his type in the world Strangely no one has previously written a book about Danny La Rue probably because he is a very private person despite his huge public persona To write this work Peter Underwood the well established author of the highly successful Boris Karloff biography and other books researched widely and interviewed nearly seventy people close to the drag star people who have worked with Danny La Rue both on and off stage over many years The result is this absorbing story of a unique star which intimately surveys the life and work of the Irish Danny La Rue He started on the stage in a village hall later joined the Navy at 17 and became in turn a window dresser chorus boy and then left the stage to work in a shop returning to the theatre and the chorus to become a dancer and drag artist in an all male show which he left because he couldn't stand it He was eventually spotted in a small revue at London's

Irving Theatre and offered his big chance in cabaret at Bond Street's Churchill Club. So began the real success story of the fabulous Danny la Rue: a succession of successes. His own exclusive night club recordings, countless pantomime hit shows, two Royal Command Performances, his first film, his three homes, three cars, greyhounds and racehorses, his hugely successful summer seasons, television appearances, and the acclamation by the Variety Club of Great Britain as Show Business Personality of The Year. Surrounding the story of the inimitable Danny la Rue is a vivid examination of the Drag Scene which has projected Danny's success: how it has become a major entertainment phenomenon in top theatres, on TV, films, and in pubs and clubs throughout the world. Author Underwood relevantly appraises the lure of drag, the pleasures and the pain, the hard work, the dangers, and the impact of what is daily becoming an ever-growing phenomenon of the twentieth century's Permissive Age.

Number 2: Books and Pamphlets Including Serials and Contributions to Periodicals. July-December. **Too Much of a Good Thing** Ramona Curry, 1996. Before Madonna, before Marilyn, there was Mae. The impact of Mae West through her films, attitude, and aphorisms: "Too much of a good thing can be wonderful. Is that a gun in your pocket, or are you just glad to see me?" continues to reverberate through American popular culture more than fifteen years after her death. In *Too Much of a Good Thing*, Ramona Curry examines the interplay between West's bawdy worldly persona and twentieth-century gender and media politics. Although West has remained an important figure, her image has fulfilled varied cultural functions. In the thirties, she was a lightning rod for debates over morality and censorship. In the seventies, the complexity of her portrayal of gender made her a controversial figure for both the gay rights and feminist movements. Curry not only analyzes the symbolic roles West has occupied, arguing that the entertainer represents a carefully orchestrated transgression of race, class, and gender expectations; she also illustrates how icons of pop culture often distill contested social issues, serving diverse and even contradictory political functions. A pithy and innovative look at what Mae West means, *Too Much of a Good Thing* is a must reading for fans, film buffs, and anyone interested in how popular culture evolves and circulates in the United States.

Celluloid Activist Michael Schiavi, 2011-05-10. *Celluloid Activist* is the biography of gay rights giant Vito Russo, the man who wrote *The Celluloid Closet: Homosexuality in the Movies*, commonly regarded as the foundational text of gay and lesbian film studies, and one of the first to be widely read. But Russo was much more than a pioneering journalist and author. A founding member of the Gay and Lesbian Alliance Against Defamation (GLAAD) and cofounder of the AIDS Coalition to Unleash Power (ACT UP), Russo lived at the center of the most important gay cultural turning points in the 1960s, 1970s, and 1980s. His life as a cultural Zelig intersects a crucial period of social change, and in some ways his story becomes the story of a developing gay revolution in America. A frequent participant at zaps and an organizer of Gay Activists Alliance (GAA) cabarets and dances, which gave the New York gay and lesbian community its first social alternative to Mafia-owned bars, Russo made his most enduring contribution to the GAA with his marshaling of Movie Nights, the forerunners to his worldwide

Celluloid Closet lecture tours that gave gay audiences their first community forum for the dissection of gay imagery in mainstream film Biographer Michael Schiavi unravels Vito Russo's fascinating life story from his childhood in East Harlem to his own heartbreaking experiences with HIV/AIDS Drawing on archival materials unpublished letters and journals and more than two hundred interviews including conversations with a range of Russo's friends and family from brother Charlie Russo to comedian Lily Tomlin to pioneering activist and playwright Larry Kramer Celluloid Activist provides an unprecedented portrait of a man who defined gay rights and AIDS activism Schiavi tells a compelling story in this biography from his recreation of life on the streets of East Harlem and in Greenwich Village of the 1960s and 1970s to the way he conveys Russo's excitement about his film research and popular education to his account of the AIDS years in New York City John D Emilio Italian American Review In Schiavi's hands Russo's life is both fascinating in its own right and a window into a larger milieu of activism during two critical decades Italian American Review Best Special Interest Books selected by the American Association of School Librarians Best Books for General Audiences selected by the Public Library Reviewers Finalist Gay Memoir Biography Lambda Literary Awards Finalist Over the Rainbow Selection American Library Association
