Mr Strangelove A Biography Of Peter Sellers:

Mr Strangelove Ed Sikov,2002 The first American biography of one of film s greatest comedians Peter Sellers Mr Strangelove is the story of a screamingly funny desperately unhappy soul a man who thought he was empty Mr Strangelove: Peter Sellers Ed Sikov,2003-11-01 Peter Sellers was a genius whose unique mastery created enduring comic characters But behind the man that could make the world laugh was a tragic sadness Employing his creations as masks to hide behind Sellers was convinced his own life was meaningless and empty Acclaimed biographer Ed Sikov has spoken to many who knew and worked with Sellers including Sophia Loren Goldie Hawn and Roman Polanski Sikov reveals how Sellers was a casualty of his own insecurities and used his public persona to mask his tormented private life littered with four marriages and three divorces countless affairs and drug and alcohol abuse This is the authoritative and touching story of a majestic comedian showing the very private face of a man whose world was lived through the public arena The Real Peter Sellers Andrew Norman,2022-01-12 Throughout the world people regard Peter Sellers purely as a comedic genius surely one of the greatest ever to have lived But the astute observer will notice that he always appeared to be acting even when being interviewed So who was Peter Sellers Sellers once said I could never be myself you see There is no Me I do not exist There used to be me but I had it surgically removed Clearly this was not intended to be taken literally Instead the inference is that somehow he had lost his sense of identity To discover the real Peter Sellers is no easy task and when we do what we encounter is a totally different persona from the comedic characters that he portrayed on the screen Sellers had celebrity status a succession of beautiful wives immense wealth magnificent motor cars expensive yachts a house in Mayfair and various palatial residences But far from being happy he was plagued by self doubt ambitious but never satisfied And so he resorted to superstition clairvoyance and drugs to get himself through the day For all Sellers worldwide fame as Inspector Clouseau many regard the film Being There in which he played the character Chance a gardener as his masterpiece In fact the film was a damning indictment of the false god of materialism Sellers obsession with the character of Chance makes it seem likely that this was the kind of person he aspired to be and wished that he had been *Peter Sellers* Arthur Miller,2018-06-08 Peter Sellers illustrated colour biography **Five Conversations About Peter Sellers** Elizabeth Gonzalez James,2023-05-12 Five Conversations About Peter Sellers is an essay that begins as an exploration of the author s burgeoning obsession with Peter Sellers and specifically his role in hijacking and derailing production of the spy spoof Casino Royale in the late 60s But what begins as a reported piece on how the film set erupted into chaos quickly devolves into its own chaos as the essay splits into 5 different narrators each with their own idea of what the essay is actually about Is it about how Peter Sellers and his oversize ego ruined Casino Royale Is it about how society has too long allowed horrible men to run the world Is it an exploration of the nature of the essay as a creative form Or is Peter Sellers and his genius at impersonation actually a vehicle through which the author probes her own shifting identity as a bi ethnic person The answer is yes From

Five Conversations About Peter Sellers Beth There s a passage in Notes from Underground where the narrator speaks about the perverse pleasure of knowing your own vileness This pleasure comes precisely from the sharpest awareness of your own degradation from the knowledge that you have gone to the utmost limit that it is despicable yet can t be otherwise that you no longer have any way out that you will never become a different man Build all the utopias you want but some people can only know they re alive when they ve destroyed everything beautiful around them **Reconstructing Strangelove** Mick Broderick,2017-01-03 During his career Stanley Kubrick became renowned for undertaking lengthy and exhaustive research prior to the production of all his films In the lead up to what would eventually become Dr Strangelove 1964 Kubrick read voraciously and amassed a substantial library of works on the nuclear age With rare access to unpublished materials this volume assesses Dr Strangelove s narrative accuracy consulting recently declassified Cold War nuclear policy documents alongside interviews with Kubrick s collaborators It focuses on the myths surrounding the film such as the origins and transformation of the straight script versions into what Kubrick termed a nightmare comedy It assesses Kubrick s account of collaborating with the writers Peter George and Terry Southern against their individual remembrances and material archives Peter Sellers s improvisations are compared to written scripts and daily continuity reports showcasing the actor s brilliant talent and variations **A Splurgh in the Kisser** Sam Wasson,2011-07-21 With one of the longest and most controversial careers in Hollywood history Blake Edwards is a phoenix of movie directors full of hubris ambition and raving comic chutzpah His rambunctious filmography remains an artistic force on par with Hollywood s greatest comic directors Lubitsch Sturges Wilder Like Wilder Edwards s propensity for hilarity is double helixed with pain and in films like Breakfast at Tiffany s Days of Wine and Roses and even The Pink Panther we can hear him off screen laughing in the dark And yet despite those enormous successes he was at one time considered a Hollywood villain After his marriage to Julie Andrews Edwards s Darling Lili nearly sunk the both of them and brought Paramount Studios to its knees Almost overnight Blake became an industry pariah which ironically fortified his sense of satire as he simultaneously fought the Hollywood tide and rode it Employing keen visual analysis meticulous research and troves of interviews and production files Sam Wasson delivers the first complete account of one of the maddest figures Hollywood has ever known **White Heat** Dominic Sandbrook,2015-02-05 An active pleasure to read Mail on Sunday Harold Wilson s famous reference to white heat captured the optimistic spirit of a society in the midst of breathtaking change From the gaudy pleasures of Swinging London to the tragic bloodshed in Northern Ireland from the intrigues of Westminster to the drama of the World Cup British life seemed to have taken on a dramatic new momentum The memories images and colourful personalities of those heady times still resonate today mop tops and mini skirts strikes and demonstrations Carnaby Street and Kings Road Harold Wilson and Edward Heath Mary Quant and Jean Shrimpton Enoch Powell and Mary Whitehouse Marianne Faithfull and Mick Jagger In this wonderfully rich and readable historical narrative Dominic Sandbrook looks behind the myths of the Swinging Sixties to

unearth the contradictions of a society caught between optimism and decline *Flash!* Kate Flint, 2017-11-28 Flash presents a fascinating cultural history of flash photography from its mid nineteenth century beginnings to the present day All photography requires light but the light of flash photography is quite distinctive artificial sudden shocking intrusive and extraordinarily bright Associated with revelation and wonder it has been linked to the sublimity of lightning Yet it has also been reviled it s inseparable from anxieties about intrusion and violence it creates a visual disturbance and its effects are often harsh and create exaggerated contrasts Flash explores flash s power to reveal shocking social conditions its impact on the representation of race its illumination of what would otherwise remain hidden in darkness and its capacity to put on display the most mundane corners of everyday life It looks at flash s distinct aesthetics examines how paparazzi chase celebrities how flash is intimately linked to crime how flash has been used to light up and interrupt countless family gatherings how flash can stop time allowing one to photograph rapidly moving objects or freeze in a strobe and it considers the biggest flash of all the atomic bomb Examining the work of professionals and amateurs news hounds and art photographers photographers of crime and of wildlife the volume builds a picture of flash s place in popular culture and its role in literature and film Generously illustrated throughout Flash brings out the central role of this medium to the history of photography and challenges some commonly held ideas about the nature of photography itself *Turner Classic Movies: The Essentials* Jeremy Arnold, 2016-05-03 At head of title TCM Turner Classic Movies
