Mrs. Stevens Hears the Mermaids Singing May Sarton, 2014-07-22 Sarton's most important novel tells the story of a poet in her seventies whose life is retold episodically during an interview with two writers from a literary magazine Hilary Stevens's prolific career includes a provocative novel that shot her into the public consciousness years ago and an oeuvre of poetry that more recently has consigned her to near obscurity Now in the twilight of her life Hilary who is both a feminist and a lesbian is receiving renewed attention for an upcoming collection of poems one that has brought two young reporters to her Cape Cod home As Hilary prepares for the conversation she recalls formative moments both large and small She then embarks on the interview itself a witty and intelligent discussion of her life work and romantic relationships with men and women After the journalists have left Hilary helps a visiting male friend with his anxiety over being gay and imparts wisdom about channeling his own creative passions This ebook features an extended biography of May Sarton

[Breath for the Bones](#) Luci Shaw, 2009-08-31 The double question we must always

ask is How does faith inform art and How can art animate faith Imagination appreciation of beauty creativity all of these qualities have been given to us by God For the Christian artist the drive to create something wonderful is also a means to glorify and better understand our Lord Using excerpts from her own works as well as those of writers who have gone before her Emily Dickinson Annie Dillard C S Lewis and others poet and writer Luci Shaw proves that symbolism and metaphor provide ways for humans to experience God in new and powerful ways Shaw offers a rich and thought provoking exploration of art creativity and faith Believing that art emanates from God she shows how imagination and spirituality work in tandem each feeding on and nourishing the other Faith informs art and art enhances faith They both for each other are breath for the bones Provocative enlightening and above all inspiring Breath for the Bones will help readers discover the artist within and bring them further along the path to God Himself Include s Discussion Questions and Writing Exercises **May Sarton** Margot Peters,2011-05-04 The first biography of May Sarton a brilliant revelation of the life and work of a literary figure who influenced her thousands of readers not only by her novels and poetry but by her life and her writings about it May Sarton s career stretched from 1930 early sonnets published in Poetry magazine to 1995 her journal At Eighty Two She wrote more than twenty novels and twenty five books of poems and journals The acclaimed biographer Margot Peters was given full access to Sarton s letters journals and notes and during five years of research came to know Sarton herself the complex woman and artist She gives us a compelling portrait of Sarton the actress the poet the novelist the feminist the writer who struggled for literary acceptance She shows us beneath Sarton s exhilarating irresistible spirit the needy courtier and seducer the woman whose creativity was propelled by the psychic drama she created in others We watch young May at age two as she is abruptly uprooted from her native Belgium by World War I a child ignored both by her mother who was intent on her own artistic vision and reluctant to cope with a child and by her father obsessed with his academic research We see Sarton as a young girl in America and then later at nineteen choosing a life in the theatre landing a job in Eva Le Gallienne s Civic Repertory and gathering what would become a tight knit coterie of friends and lovers Sarton beginning to write poetry and novels Sarton making friends with Elizabeth Bowen and Julian Huxley Erika and Klaus Mann Virginia Woolf the poet H D charming and enlisting them with her work her vitality her hunger for love driven by her need to conquer among her conquests Bowen Huxley and later his wife Juliette We see her intense friendships with literary pals including Muriel Rukeyser her lover and Louise Bogan Sarton s literary sibling who at once encouraged her and excluded her from a world in which Bogan was a central figure We see Sarton begin to create in the spiritual journals that inspired the devotion of readers the image of a strong independent woman who lived peacefully with solitude an image that contradicted the reality of her neediness loneliness and isolation as she pushed away loved ones with her demands and betrayals A fascinating portrait of one of our major literary figures a book that for the first time reveals the life that she herself kept hidden
