LIFE ,1941-05-19 LIFE Magazine is the treasured photographic magazine that chronicled the 20th Century It now lives on at LIFE com the largest most amazing collection of professional photography on the internet Users can browse search and view photos of today s people and events They have free access to share print and post images for personal use FDR v. The Constitution Burt Solomon,2009-07-01 In the wake of Franklin Delano Roosevelt s landslide re election of 1936 the popular president never anything but self confident unaccountably overreached Deeply frustrated by a Supreme Court that had blocked many of his New Deal initiatives FDR proposed to enlarge it from 9 justices to 15 The now famous court packing scheme divided Roosevelt s own party and inflamed the country at large and it failed humiliatingly for FDR because the president could persuade neither the public nor the Senate of its virtues And yet ironically he could claim ultimate victory for the Court that emerged from the revolution of 1937 its majority shifted from conservative to liberal lasted for the next 68 years until the recent Bush appointments have tilted it back Historian Burt Solomon deeply steeped in Washington s lore skillfully chronicles one of the great set pieces in American history illuminating the inner workings of the nation s capital as the three branches of our government squared off The Supreme Court has generated many fascinating and dramatic stories but none more so than that of the 168 days during which one of our greatest presidents attempted to outmaneuver the Constitution an action that inevitably calls forth parallels with the present *Hollywood and the Nazis on the Eve of War* Alexis Pogorelskin,2024-07-25 This book establishes the profound significance of MGM s 1940 film *The Mortal Storm* the first major Hollywood production to depict the plight of Jews in Germany before the Holocaust Based on Phyllis Bottome s best seller also titled *The Mortal Storm* the film was made amidst the bitter debate that occurred between 1938 and 1941 over whether the United States should involve itself in another European war or remain an isolationist country as Charles Lindbergh among others urged In 1941 the film triggered the first hostile Congressional investigation of Hollywood where the studios were accused of allegedly propagandizing for war Lindbergh had secretly urged the Hollywood hearings inspired by his own growing antisemitism as his unpublished diary reveals Hollywood studios in turn regarded the growing European crisis with ambivalence They feared being accused in a film like *The Mortal Storm* of using the movies to represent the fate of Europe s imperiled Jews Louis B Mayer the head of MGM insisted the word Jew be removed from the film and non Aryan be used instead hoping to confuse American audiences about the film s real intent Jimmy Stewart who starred in the film took it on the road to urge American aid to Britain while Lindbergh prepared his own campaign to denounce American Jews for luring the country into war The book reveals how closely Hollywood and politics were entwined on the eve of war It also reveals how closely the plight of Europe s Jews and American antisemitism were entwined at the same time FDR's Gambit Laura Kalman,2022-09-13 When Franklin Roosevelt proposed adding up to six new justices to the Supreme Court in 1937 a firestorm exploded FDR was accused of Court packing dictatorial ambitions political trickery undermining the rule of law and

undercutting judicial independence Drawing upon extensive archival research Laura Kalman revises the conventional wisdom by telling the story as it unfolded in FDR's Gambit She argues that acumen not arrogance accounted for Roosevelt's actions Far from erring tragically he came very close to getting additional justices and the Court itself changed course **Supreme Power** Jeff Shesol,2011-03-14 A stunning work of history Doris Kearns Goodwin author of No Ordinary Time and Team of Rivals Beginning in 1935 the Supreme Court's conservative majority left much of FDR's agenda in ruins The pillars of the New Deal fell in short succession It was not just the New Deal but democracy itself that stood on trial In February 1937 Roosevelt struck back with an audacious plan to expand the Court to fifteen justices and to pack the new seats with liberals who shared his belief in a living Constitution **Crooked** Nathan Masters,2023-03-21 Winner of the Mystery Writers of America's Prestigious Best Fact Crime Award the riveting forgotten narrative of the most corrupt attorney general in American history and the maverick senator who stopped at nothing to take him down Many tales from the Jazz Age reek of crime and corruption But perhaps the era's greatest political fiasco one that resulted in a nationwide scandal a public reckoning at the Department of Justice the rise of J Edgar Hoover and an Oscar winning film has long been lost to the annals of history In *Crooked* Nathan Masters restores this story of murderers con artists secret lovers spies bootleggers and corrupt politicians to its full page turning glory Newly elected to the Senate on a promise to root out corruption Burton Boxcar Burt Wheeler sets his sights on ousting Attorney General Harry Daugherty puppet master behind President Harding's unlikely rise to power Daugherty is famous for doing whatever it takes to keep his boss in power and his cozy relations with bootleggers and other scofflaws have long spawned rumors of impropriety But when his constant companion and trusted fixer Jess Smith is found dead of a gunshot wound in the apartment the two men share Daugherty is suddenly thrust into the spotlight exposing the rot consuming the Harding administration to a shocked public Determined to uncover the truth in the ensuing investigation Wheeler takes the prosecutorial reins and subpoenas a rogue's gallery of witnesses convicted felons shady detectives disgraced officials to expose the attorney general's treachery and solve the riddle of Jess Smith's suspicious death With the muckraking senator hot on his trail Daugherty turns to his greatest weapon the nascent Federal Bureau of Investigation whose eager second in command J Edgar Hoover sees opportunity amidst the chaos Packed with political intrigue salacious scandal and no shortage of lessons for our modern era of political discord Nathan Masters' thrilling historical narrative shows how this intricate web of inconceivable crookedness set the stage for the next century of American political scandals *Genealogies Cataloged by the Library of Congress Since 1986* Library of Congress,1991 The bibliographic holdings of family histories at the Library of Congress Entries are arranged alphabetically of the works of those involved in Genealogy and also items available through the Library of Congress **Mansfield and Vietnam** Gregory A. Olson,2012-01-01 *Mansfield and Vietnam* A Study in Rhetorical Adaptation is the first major work to examine the role played by Senate Majority Leader Mike Mansfield Democrat from Montana in the formulation and execution of U S Vietnam policy

Drawing upon material from the Mansfield Papers personal interviews public speeches and recently declassified documents Olson traces Mansfield's journey from ardent supporter of Diem in the late 1950s to quiet critic of LBJ in the mid 1960s and finally to outspoken opponent of the Vietnam War in the late 1960s and early 1970s Olson focuses his attention on Mansfield's speaking ability and his use of the written word analyzing the ways in which they proved crucial in shaping the policies of the Eisenhower Kennedy Johnson Nixon and Ford presidential administrations He also examines the way personal and political situations converged to force Mansfield into the center of the stormy Vietnam controversy and eventually into a position of leadership in the campaign to end America's military presence in Southeast Asia To date little has been done to evaluate the roles played by key congressional figures in the Vietnam War debate thus Mansfield and Vietnam is bound to become a significant contribution not only to rhetorical studies but also to twentieth century diplomatic history and to the study of congressional presidential relations

Senator Thomas J. Walsh of Montana James Leonard Bates, 1999 Thomas J Walsh Democratic senator from Montana from 1913 to 1933 fought throughout his long career against corruption and monopoly power His most celebrated coup was breaking open the Teapot Dome scandal of 1923-24 revealing that the secretary of the interior had accepted loans from oil men in return for leases of U S naval oil reserves
