Godev, 2007-07-30 This content rich culture based intermediate Spanish text provides a smooth transition between first year and second year Spanish texts The text s highly effective integration of language skills instruction and content coupled with the application of technology fully meets the five standards defined by the National Standards in Foreign Language Education Project The main goal of these texts is to provide intermediate level students of Spanish with a foreign language experience that takes them from the practical language knowledge needed to carry out daily tasks to a more meaningful understanding of Hispanic cultures Mastering Intermediate Spanish is designed specifically for those with a strong intermediate level background who are able to more quickly move to a more advanced level **Mas Alla de Las Palabras Intermediate Spanish** Olga Gallego Smith, 2014

Mas alla de las palabras Olga Gallego, Concepción B. Godev, 2004-01-27 Graduated approach to content based learning The program is designed in two volumes to transition students from the beginning to the intermediate Book I includes a graduated approach that introduces students to content based instruction By the time they reach semester two students are working with fully content based materials Effective integration of culture appreciation and language skills Each chapter focuses on a broad cultural theme and a set of related ideas effectively integrated with language skills Constant recycling of communicative functions and grammar Mini lectures offer creative listening comprehension techniques These features teach students how to listen to the lecturing discourse which predominates in upper division courses Emphasis on reading comprehension Students are encouraged to reflect before reading while reading and after reading The text also features a variety of reading genres while emphasizing expository texts The emphasis on reading is greater in Book 2 than in Book 1

However book 1 presents a gradual reading difficulty that matches the gradual complexity of the topics presented in successive units Strong connection between reading and writing and an emphasis on expository writing For example see Ponlo por escrito sections Integration of grammar and content Whenever possible the examples used in grammar explanations and the grammar exercises are linked to the content of the unit Opportunities to discuss current issues pertaining to different Hispanic cultures These opportunities include pre and post reading activities and pre and post mini lecture activities Opportunities to discuss art in an interactive format For example see Color y forma sections Attention to vocabulary building Mas alla includes glosses and vocabulary activities before and after each reading or mini lecture In activities designed to focus on a specific speaking function students are assisted with limited lists of expressions Book 1 dedicates a specific section Como lo dices to the practice of functions Motivational approach to reading literature Understanding literature is essential to understanding different cultures and Mas alla integrates the sustained reading of Laura Freixas sFinal absurdo throughout the 5 chapters in Book I and the literary sections in Book II are also thematically integrated within the chapters Readings are followed by accompanying activities Light material and humor While most intermediate texts can be overwhelmingly serious Mas alla includes humor through cartoons and activities See Curiosidades Easy to follow organization Each book consists of 5 units with each unit being broken down further into 4 Temas in Book II Grammar appendices These are connected to the grammar presented within the chapters either to review first year grammatical topics or to add more detailed information about some topics
