Mercurio, 2024-07-06. Written during a time when a deadly virus spread fear and despair throughout the world, *The Light Always Shines in the Dark* offers the reader a breath of fresh air with its inspiring message of faith and hope. A follow-up to *At Last I Open My Heart*, in which the author shared firsthand his remarkable recovery from a forty-year battle with addiction, this powerful sequel warns of the rapid rise of immorality during the recent COVID-19 pandemic. We are made aware in detail of how a multibillion-dollar industry corrupts souls, destroys relationships, and tragically exploits the sad crime of human trafficking. Before it is too late, we are urged to unite, especially as Christians, to declare war against the formidable scourge of pornography. We are encouraged not to compromise our beliefs and to defend the moral standards and traditional values for which we are far too often disdained and scorned. The author not only boldly zooms in on a wide range of social issues but also discusses the genuine power of love, the beauty of a woman, and the search for happiness. The content reflects the labor of significant research, and the chosen topics are informative and thought-provoking and should stir interest in Christian and secular audiences alike. *The Light Always Shines in the Dark* affirms that each day we celebrate on this earth, we must cherish the precious gift of life and the priceless virtues of faith, hope, and love. We are reminded that despite the shadow of darkness that constantly surrounds us, we must not grow weary. We must take comfort in knowing and genuinely believing that the light will always shine in the dark.
